NOTE TO ALL OUR READERS: In order to give you the best CONDOM-FREE adult entertainment, ALL our models are required to take HIV tests before each photo session. That's why you don't see any condoms in Pirate. But Pirate highly recommends that you use condoms in your private sex life in case you're not sure of your status or your partner's. **DON'T BE A FOOL, WEAR A CONDOM!**

A group of archaeologists, members of a sect that worships Ancient Egypt are working from a sample of DNA, attempting to bring back to life the beautiful Cleopatra, renowned for her insatiable sexual appetites. The movie is set in both Ancient Egypt and modern day, with scenes filmed in Luxor, Cairo and Naples.
