We at Private wish to promote a more liberal attitude towards sex, and a better understanding of all sexual inclinations. We believe that sex is both natural and enjoyable, and therefore it is most definitely wrong to attempt to hide or feel ashamed about it. Furthermore we know, that good erotography has a both positive and stimulative effect on human sexuality.

Mit Private möchten wir eine freiere Lebensanschauung im Sexuellen und Verständnis für alle sexuellen Einstellungen erleichtern. Wir meinen: Sex ist etwas Schönes und Natürliches, vor dem es keine Geheimnistuerei oder Schamgefühle geben sollte. Wir wissen: Gute Erotografie hat eine positiv anregende Wirkung auf die menschliche Sexualität.

## LESBIAN LIBERTY.

Freedom from routine, free time for yourself and others, time to go out and look at new things, new places, people, to explore in a stimulating and more exciting atmosphere, relax, forget worries, cares, bothers and bills. All these things and many more represent the epitome of a holiday – a time when you are allowed the freedom to do what you want in your own time without the pressures of work and home and the other encumbrances of every day life.

Any relationship given these conditions, would, naturally, have a chance to grow and blossom. But, imagine the chance it offers two women who want to express their feelings to one another and to find out whether or not an affair between the two of them would work, and who want the opportunity to

be together without the suppressions which a home-town environment inevitably enforces upon them, pressure from society, friends, relations etc., and the usual taboos surrounding lesbianism.

The holiday atmosphere provides the perfect conditions which these two people need and deserve, in which to talk, to find out about each other in privacy, to explore unknown territory and hitherto unexperienced experiences within their own feelings and those of one another, and most important of all, to share life, new adventures and thrills, passions and delights.

Any two friends on holiday quite naturally grow closer together in new surroundings, especially in a foreign country – two strang-

## MORAL?

*By Milton*

### LESBISCHE FREIHEIT

Freiheit vom Trott, freie Zeit für sich und andere, sich treiben zu lassen und Neues zu erleben, Orte und Menschen – Zeit, in anregende, aufregende Atmosphären vorzustößen, abzuschalten und auf Kummer und Sorgen zu pfeifen. All dies und noch viel mehr machen das Hochgefühl der Ferien aus, des Entschwebens in eine Zeit, in der man seinen Wünschen leben kann, ohne daß der Druck der Pflichten, der gewohnten Umgebung und der anderen sattsam bekannten Mühsalen des Alltags auf einem lasten.

Allen Verbindungen wären unter diesen Umständen, wie anders, Blühen und Gedeihen beschieden. Dann stelle man sich aber erst einmal die Möglichkeiten vor, die sich zwei Frauen böten, die ihre Gefühle füreinander

ausdrücken möchten, die herauszufinden suchen, wie weit ein beidseitiges Verhältnis zu tragen vermag und die beieinander sein wollen ohne den unvermeidlichen Druck der heimatlichen Umgebung und der üblichen Tabus, wenn es um lesbischen Sex geht.

Die Ferienstimmung versetzt diese beiden Wesen in den idealen Zustand. Man spricht miteinander, kommt einander als Mensch näher, stößt in Neuland vor, gewinnt ungeahnte Erfahrungen mit eigenen und fremden Gefühlen und, das fällt am stärksten ins Gewicht, man teilt Höhen und Tiefen, Lieben und Leiden, kurzum das Leben, miteinander.

Zwei Freunde zur Ferienzeit wachsen wie von selbst aufeinander zu. Als Freunde in neuer Umgebung, besonders im Ausland,

ers bound together by the need for each others' support. They know, also, that if they so wish, they need never return to that particular place, so allowing them to behave in a **much less inhibited** manner, resulting in affection becoming far more acute. (How many travellers willingly hug in greetings a new made friend of only a couple of days on holiday, when they would probably never dream of hugging their next door neighbour they have known for five or ten years, and who has helped them countless times and has been available on numerous occasions when help has been required?) The need for companionship is greater on foreign soil. On holiday things happen out of the norm. One perhaps spends more money than usual, goes out more eating and drinking, maybe even has a crazy love affair or does some naked bathing! One also takes with one the most attractive clothes in the wardrobe and probably buys new ones just for that particular occasion because there is time to dress up and become more attractive and appealing, more time to pay attention to one's self and, if the climate permits, a touch of sun tan is a bonus, consequently making a person feel more confident and giving them courage or perhaps even a feeling of more power in order to embark on new adventures – for a woman, to savour a lesbian relationship.

Things don't have to be forced, only nurtured, for if anything is going to happen, then surely this is the most ideal situation. You know **anything can happen** on a holiday and **anything is half expected**, or at least, **half hoped for!**

So if a woman has a female friend to whom she would dearly love to become closer and with whom she longs to experiment and her every day life inhibits her, then she should agree with that other woman to go away together, they should enjoy each other's company.

Another advantage of two women holidaying together is that two people of the same sex staying together in one room and spending their time together is very often much more acceptable to society in the more morally restrictive countries.

And it's no-body's business but their own if anyone does ask questions. But do remember, also, that a holiday is an artificial environment and things will change when you return, but it can only be to your advantage, because you will at least have gained a much deeper knowledge of one another and established the feelings and the potential of your relationship.

A happy holiday!

sind sie zum gegenseitigen Nutzen aneinander gebunden. Die Gewißheit, wenn es sein muß, nicht mehr an gerade diesen Platz zurückkehren zu müssen, läßt sie weit ungewohnter auftreten. Gute Zeit für Affekte. Wie viele Reisende grüßen nicht den eben gewonnenen Freund voll Überschwang und haben doch für den Nachbarn, der sein Entgegenkommen oft genug bewiesen hat, nur kühle Reserviertheit. Der Wunsch nach einem Gefährten ist stärker in fremden Gefilden.

Ferien sind nicht die Zeit der Norm. Dem einen womöglich sitzt das Geld lockerer, spricht mehr lukullischen Genüssen zu oder leistet sich am Ende ein Liebesabenteuer. Der andere hat es auf flotte Moden abgesehen, staffiert sich ausgerechnet für diese eine Gelegenheit aus, weil die Zeit so günstig ist, attraktive Ausstrahlung zur Geltung zu bringen und Aufmerksamkeit auf sich zu lenken. Im rechten Klima tut eine bronzene Haut noch das ihre. Und alles folgerichtig zu dem Zweck, der eigenen Person Mut und vielleicht auch ein Gefühl der Kraft zum Ausgehen auf neue Abenteuer einzuflößen – und im besonderen Fall für eine Frau, warum nicht, von einer lesbischen Beziehung zu kosten.

Erzwingen läßt sich nichts, nur behutsam herbeführen. Denn wenn sich Dinge anbahnen, ist dies die beste Gelegenheit. Sie wissen, in den Ferien ist, halb erwartet, halb erhofft, alles möglich.

Hat nun eine Frau eine Freundin, zu der sie eine innige Beziehung in unerforschten Geländen ersehnt, und hat ihr der Alltag Fesseln auferlegt, dann sollte der gemeinsame Aufbruch bald beschlossene Sache sein.

Zwei Frauen auf Ferienreise fällt obendrein der praktische Vorteil zu, ohne Aufsehen Tag und Nacht gemeinsam miteinander verbringen zu können. Andere Gesellschaften, im übrigen oft moralisch beengt, dulden das meist ohne weiteres.

Wenn irgend jemand fragen stellt, geht es nur sie etwas an. Doch vergessen darf man eines nicht: Ferien sind eine Kunstwelt, die nicht weiterbesteht, sobald man aus ihr zurückgekehrt ist. Die gewonnenen tieferen Erfahrungen freilich und die zueinander gewachsenen Gefühle sind ein unveräußerlicher Reichtum.

Glückliche Ferien!

The gourmet who uses her sexual fascination to keep her curves.

Die Feinschmeckerin mit dem kurvigen Charisma.

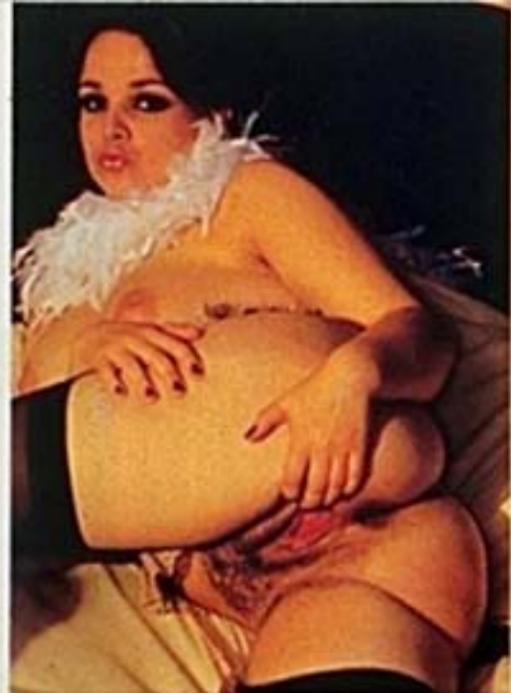

Le gourmet . . . fasciné par les formes bandantes des belles-en-cuisse . . .

Yeh, I look quite a sexy bitch with my tits hanging out, don't I?

Ha! Sehe ich nicht wie eine neckische nackte Nutte aus, so wie ich die Titten baumeln lasse?

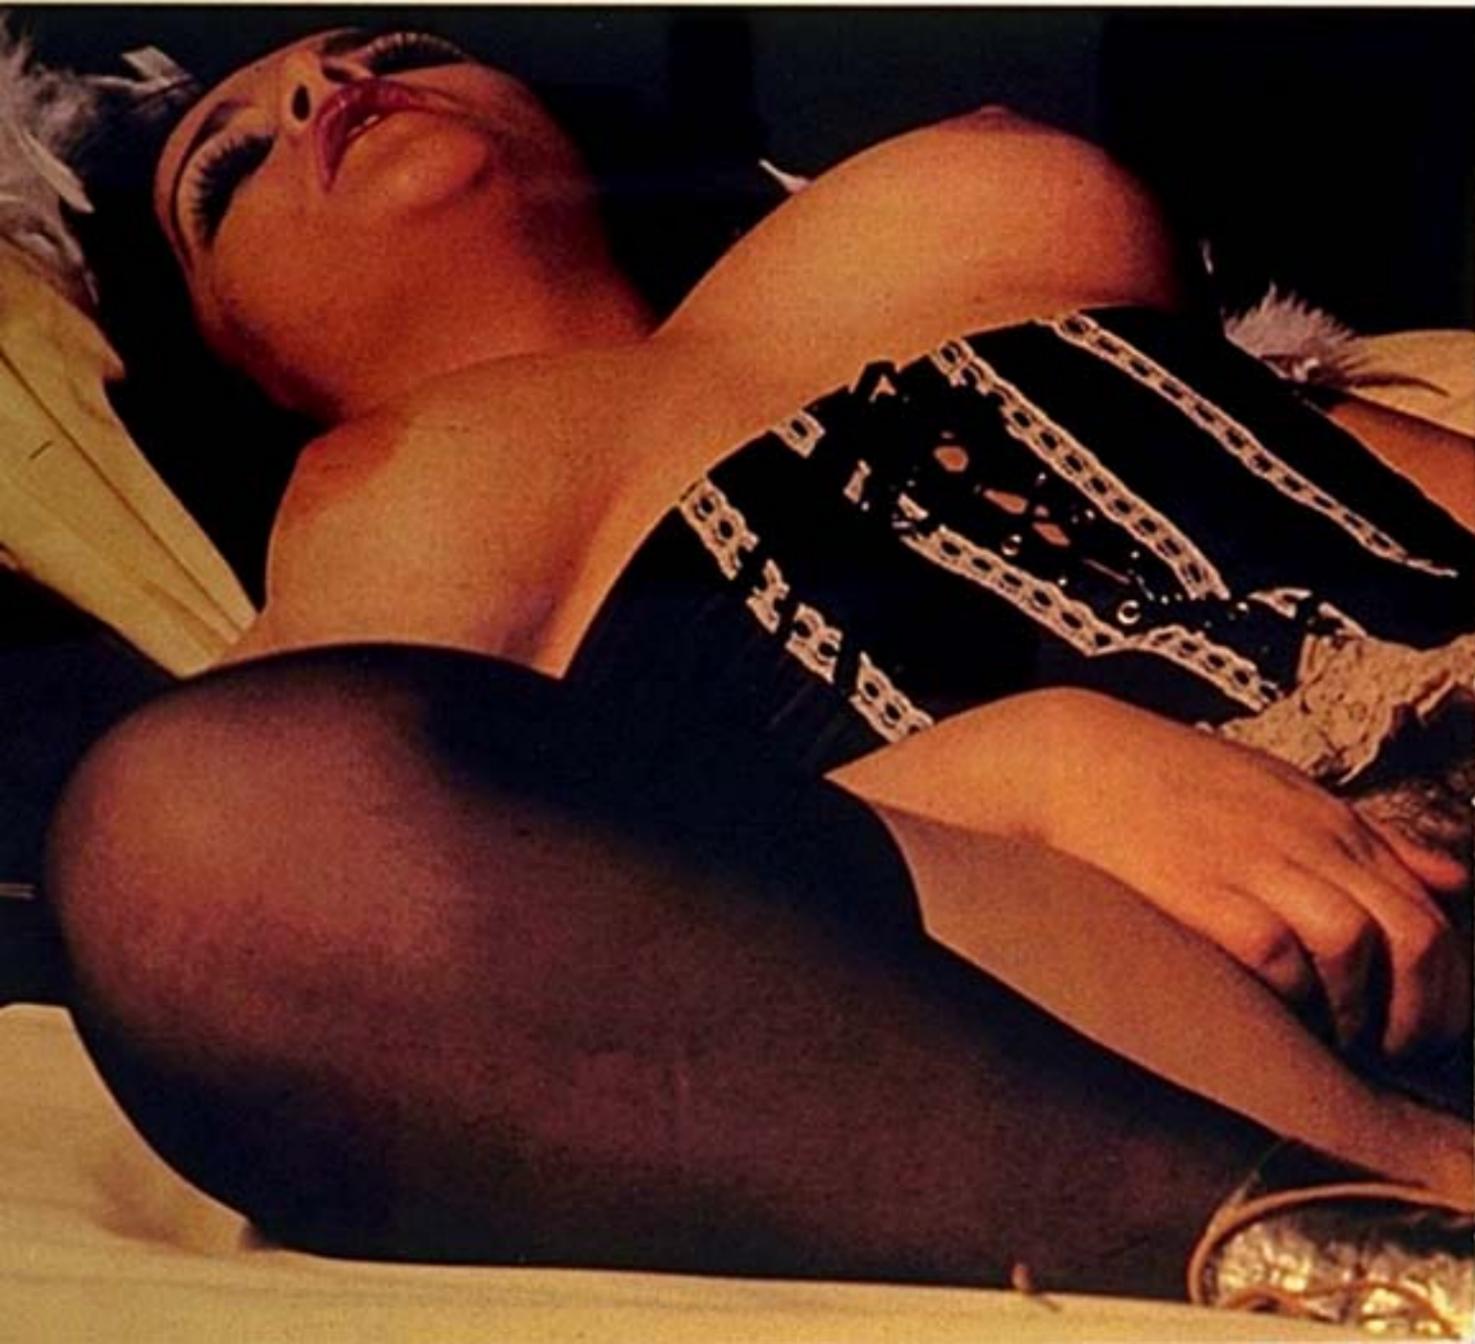

Hein . . . je vous fais envie, avec mes nichons protubérants! . . .

I always feel randy and fuckable in this out-fit

Die Beine breit und fickbereit!

Dans ce linge, j'ai toujours le feu aux miches et au cul . . .

I know men like my voluptuous, curvaceous body. I only have to caress a cock between my big, swollen tits and it's standing to attention.

Meine kolossalen Kurven kriegen Männer zum Keuchen. Zwischen den massigen Memmen schwillt ihnen ein achtungsgebietender Ständer.

Les mecs godent à voir mes charmes rebondis . . . je lime une bite entre mes gros nichons . . . et la voilà au garde-à-vous! . . .

My God, this one can feel  
my appetite. He knows  
I'm hungry for it.

Oh, der spürt, wie mich  
nach ihm gelüstet. Gleich  
wird er verfrühstückt!

Oh . . . le salaud . . . com-  
me il sent qu'il me le faut!

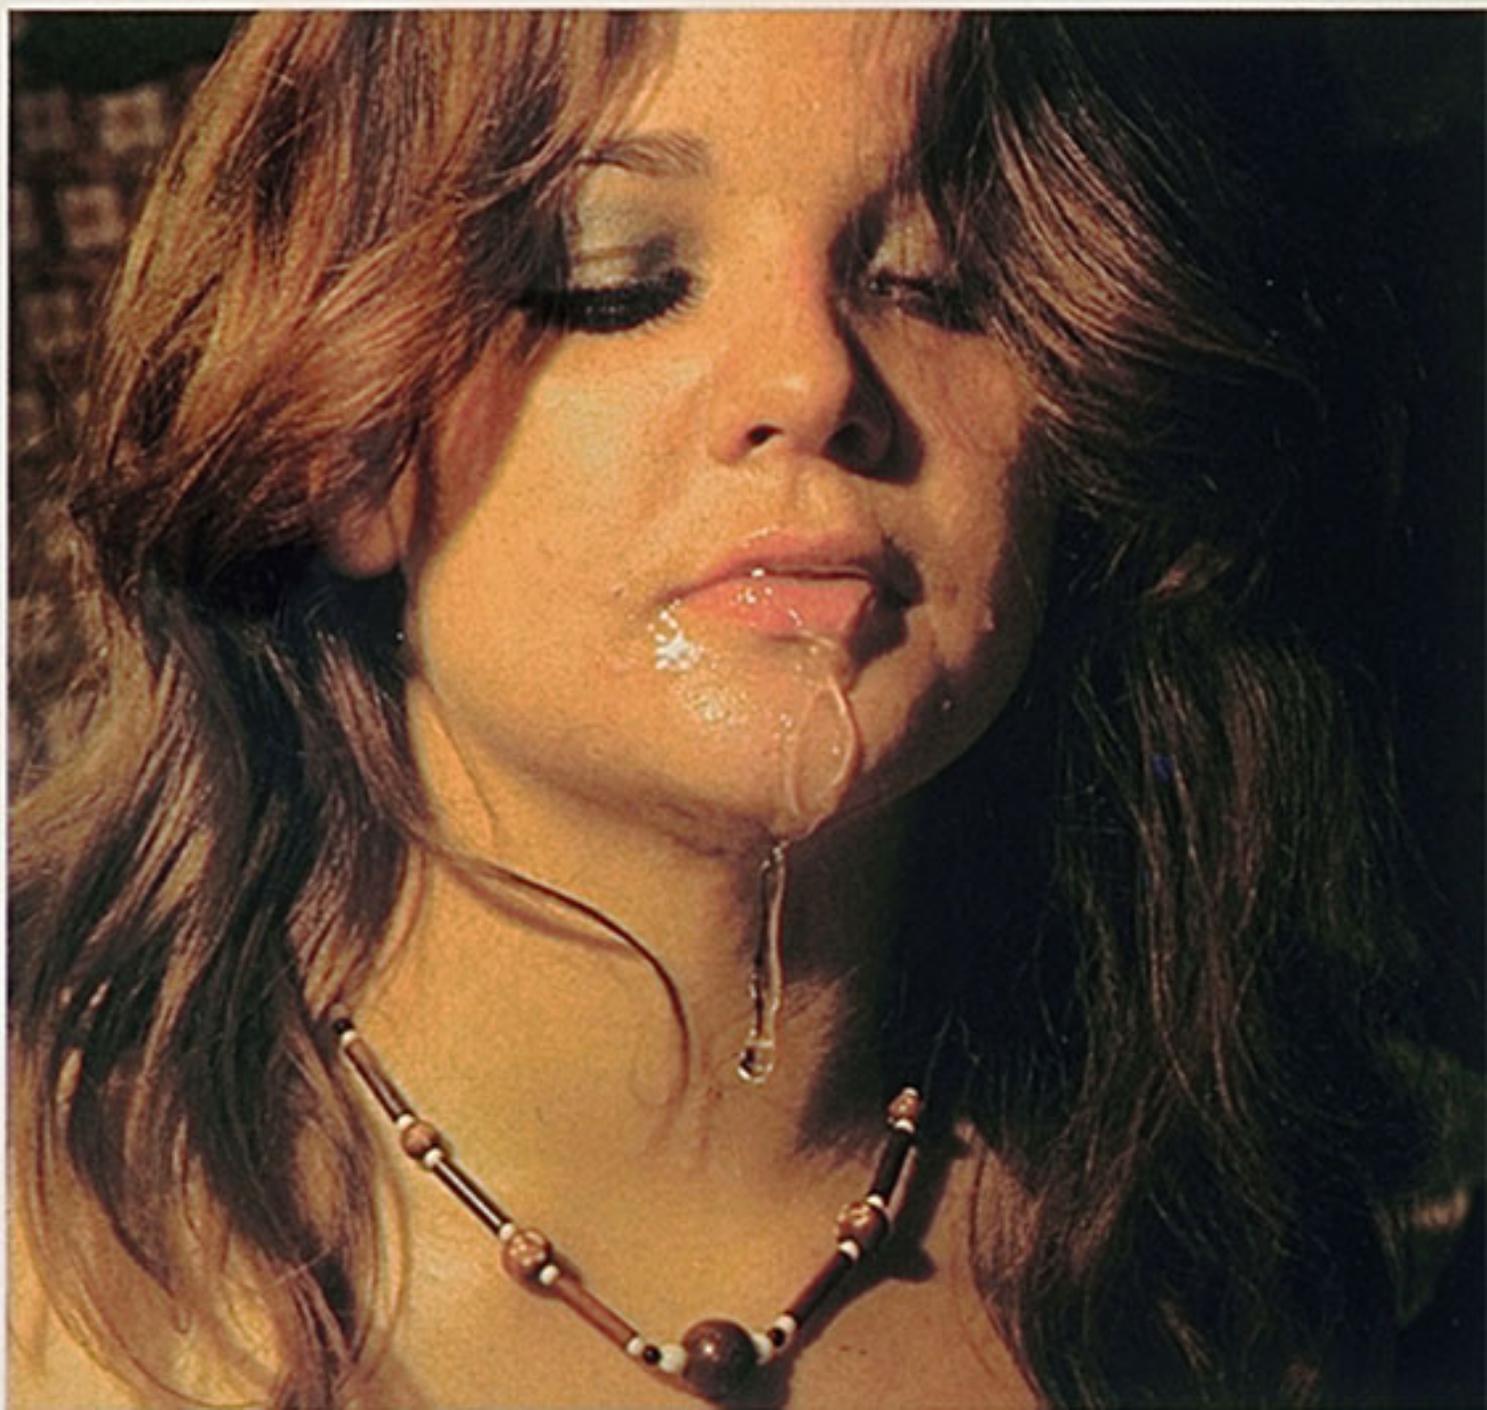

And he'll quench my thirst with as much as I can drink. How lusciously warm his piss is as I gulp it down!

Wer schafft braucht Saft, der braucht's von diesem Mann flüssig. Hast Du es schon begriffen und willst nicht auch mal schiffen?

... J'avale tout ... le délice! ... du nectar! ... chaud et généreux.

My arse really throbs for the attention from that glorious, agile prick. 'Go on harder, feed me with that meat.'

Was den Titten recht ist, ist dem Hintern billig. Denn der ist willig. Immer hinein mit dem Schwanz.

Mes fesses frémissent d'envie de ce beau braquemart. Hue! . . . fous-moi le paquet . . . plein le trouffe! . . .

Call me greedy if you like, but I go crazy when I'm saturated with such beautiful liquid food.

Gierig? Na sicher! Nach solch delikater flüssiger Nahrung bin ich schon lange verrückt.

Goulue . . . si vous voulez . . . mais je deviens dingue quand on m'abreuve de cette liqueur! . . .

Drench me with your sweet load and I'll devour every last drop. I'm a hungry bitch. What's next on the menu?

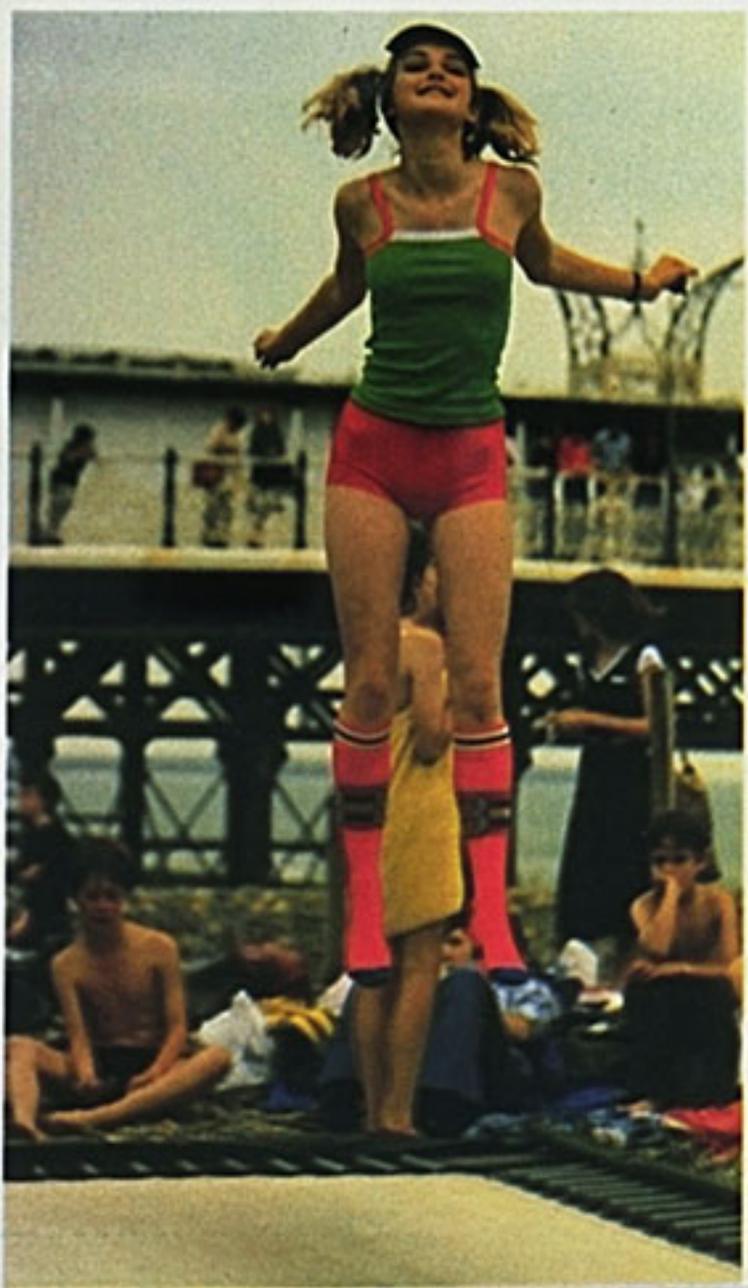

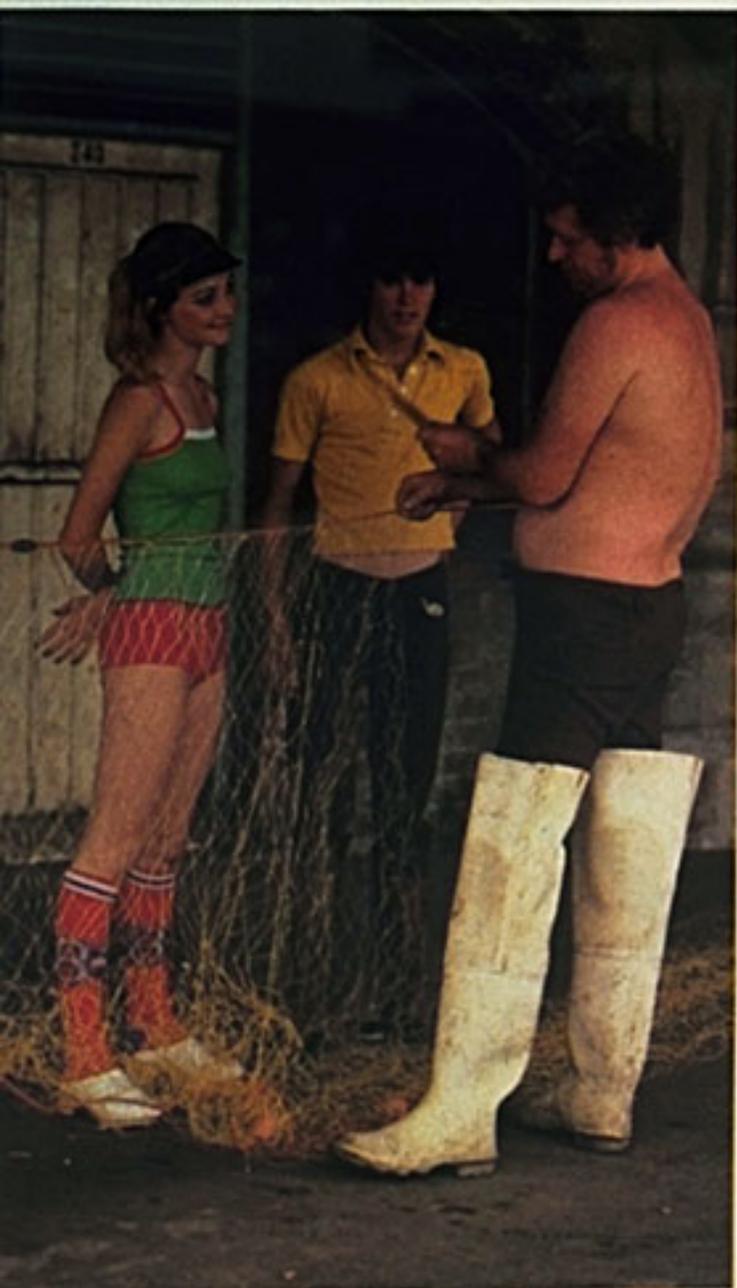

Aus schweren Schwänzen frisch ins Gesicht! Satt bin ich noch nicht. Was ist denn der nächste Gang?

Crevez-moi de vos jouissives giclées . . . que je m'en gorge . . . Et après ça . . . vous n'auriez pas encore une gourmandise? . . .

**BRITT  
with  
MAJ**

Britt is a pretty, self-confident, fun-loving teenager – things like groovy music, clothes and friends and experimentation . . . .

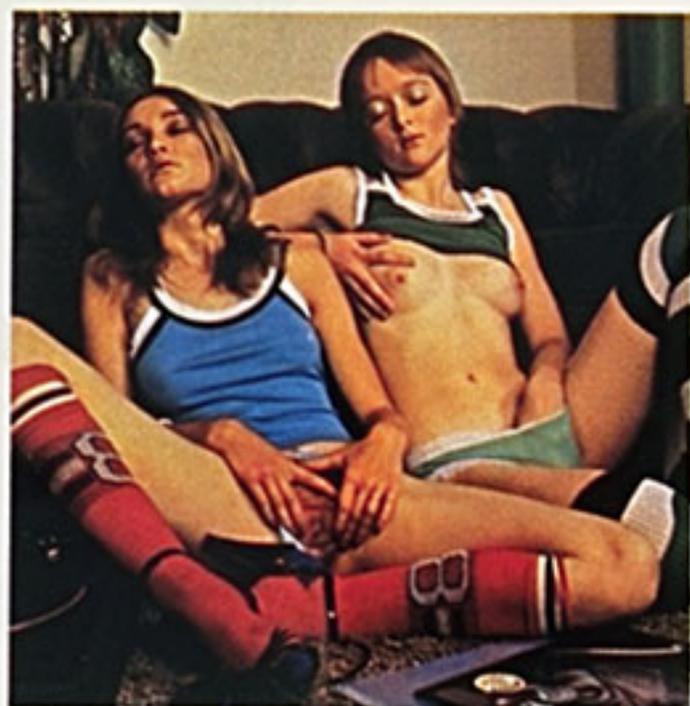

Britt ist ein schicker, selbstsicherer Teenager mit einem Hang zum Angenehmen, zu Musik, Kleidern, Freunden – und zum Experimentieren . . .

Britt est un beau châssis, tout jeune, désinvolte. Elle aime les rythmes endiablants, les fringues, les mecs . . . et curieuse! . . .

For such a young lady she seems mighty experienced and not only likes to swap clothes with her girl-friends, but a few ideas too . . .

Kleider anprobieren war schon immer ein Spaß. Dafür scheint ein so junges Ding aber mächtig viel Erfahrung zu haben, wenn nicht etwas zu . . .

Jeune mais vâchement au parfum . . . et des copines à la coule . . . avec qui elle n'échange pas que du linge . . . Elles se parlent, aussi . . .

Well, this may not be the first time Britt has done anything like this, but she's very eager to sample and initiate a new, inquisitive little companion . . .

Seht nur, das kann doch nicht das erste Mal sein, daß Britt so etwas tut, bei dem Feuereifer, mit dem sie ihre kleine Kollegin "motiviert".

Bien que ce soit pas son coup d'essai, elle a le trac avant d'initier une nouvelle copine à certaines choses . . .

She has a little body but with a tight willing and accomodating arse and cunt, ready for anything . . .

Was doch schon alles in so einem kleinen Körper steckt! Arsch und Pflaume, bereit zu jedem Schabernack.

C'est pas la géante, Britt mais elle a un cul célinien . . . ferme et bien fendu, capable de tout . . .

And Maj, the randy little friend, is more than excited too, to work on a little studying with her school-friend . . .

Und die Maj? Die ist ja auch schon ganz heiß. Unwahrscheinlich, wie sie es mit ihrer Freundin treibt.

La chaude petite vicelarde Maj en a déjà le cœur qui bat d'envie . . .

There seem to be a number of new and interesting toys which both stimulate and educate teenagers nowadays! . . .

Die Lehrmittel liegen nur so herum. Gerade das rechte Anschauungsmaterial für moderne Teenager.

On dirait qu'il y a pas mal de nouveaux jouets éducatifs pour l'animation des jeunes demoiselles, de nos jours . . .

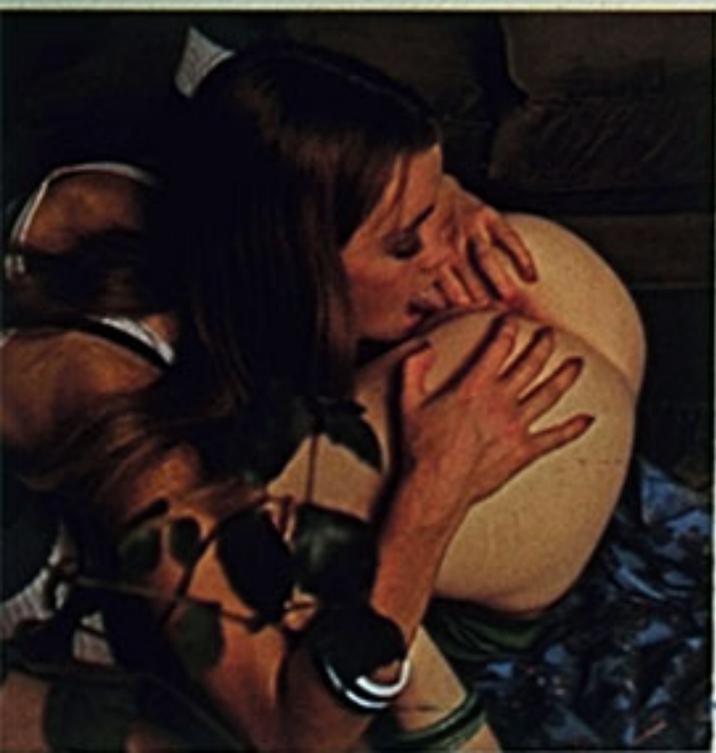

And there's a lot of education one can find in another young female body. After all, how better to find out what you like than to practise with another girl?

Mädchen wollen viel lernen – von Mädchen. Und wenn dann die nächste kommt, kann man vorführen, was man entdeckt hat.

Un corps féminin . . . une mine éducative idéale, pour une lycéenne qui veut déterminer ses goûts et aptitudes . . .

Britt's friend, Maj, certainly is learning and responding fast. She may not have had a man yet but she's beginning to know what she likes and where she likes it and **howwww!!** 'Friendship is sharing everything!' Says Britt.

●

Britts Freundin Maj befruchtet den Unterricht. Ein Mann steht ihr erst noch bevor. Aber schon dämmert ihr, was ihr gefällt, wo und wie und allerlei – juchhei! Freundschaft heißt teilen – alles! Sagt Britt.

●

La petite Maj apprend vite . . . et elle y met du sien . . . peut-être pucelle encore mais vicelarde, la puce . . . C'est beau, l'amitié, quand même, lui susurre Britt . . .

PRIVATE PRESS AB, Fack, S-104 62  
Stockholm 17, Sweden

Dear Mr. Milton,

During the number of years I have been able to read and enjoy your beautiful magazine *Private*, of course, the pictorials are the most important part and the basis of the whole magazine, but still I find your morals, the *Private Reader's* letters and stories also very interesting. It's amazing how many different ways sexual satisfaction can be attained. There is one particular subject, as far as I can remember, which has never been mentioned in the morals or the *Private Reader's* letter. The excitement of one seeing one's wife being fucked by other men. Because of that, I think it could be of interest to your readers, to hear about me and my wife's ways to fulfillment and excitement in sex. My wife and I live in Washington D.C. and I work as a psychiatrist. My wife is my secretary. From the very first moment I met her, I said to myself 'It's got to be her. It must be her.' Magnificent sexy boobs, and she walks in such a way that she looks as if she only has one thing on her mind... to be fucked. She's intelligent, loving and charming. When I proposed to her, I promised to give her everything of myself, every part of my life, and to share everything with her. And she promised me the same. On top of that she added that everything possible we could do together, sexually, she was willing to try for herself our mu-

tual excitement.

I don't know really how it started, but one day I felt I should be excited knowing that my wife was being fucked by another man. I told her, of course, and she became excited herself at the idea, and she said that any time I could arrange it she would be at my disposal. About a month later, it so happened that a friend of mine, whom I hadn't seen for years, visited Washington. We met and had a lot of things to talk about. He invited me and my wife, whom he had never met, out to dinner that evening, which I accepted. He also asked me if I had any contacts, where by he could meet an attractive girl with whom he could spend the rest of the evening. I said it was unfortunate that I didn't but that there was a possibility that I might be able to arrange a girl for him before we met for dinner. He accepted gratefully, asked how much he would have to pay her. I said, 'Nothing. She will be a present from me.' I rushed to the nearest telephone to call my wife and she was very thrilled by the idea. I dropped her at the Hotel where my friend was staying at the arranged time. She went up and knocked on the door of his room. She entered sexily dressed, smiled at him and said, 'I'm your present from Harry.' She told me after how he was trembling with excitement. Apparently she kissed, caressed

him, sucked his cock and finally, double-folded and being pushed hard against the bed, she had an orgasm and seconds after he filled her up with his spunk.

Can you imagine what kind of expression we found on his face, when about 45 minutes later we met him at the restaurant, and I introduced him to my wife, the woman he had been fucking like mad, only about three-quarters of an hour beforehand. He didn't know what to do, what to say, how to behave. He was so confused, sitting like a big questionmark, while myself and my wife acted as if nothing special had happened. That was the first time.

My wife and I were very excited and we were making love all night long and talking about it, we decided that next time something like that happened, I should be able to see her while she was making love. That, she said, would make her even more randy, more excited and encourage her to do her very best. One weekend, a couple of months later, in order to break the every day routine, we decided to spend the weekend in a first class hotel, far away from home, work and everything. We worked out a plan. Feeling how the excitement was mounting in our bodies, we went out to do some shopping. We found a beautiful, red, silky dress for her, with an extremely low neck, cut

**WHAT HAPPENS BEHIND THIS DOOR?**

The exclusive club where the emancipated, adventurous, swinging, Swedish women and men meet to choose and to be chosen.

Complete privacy is ensured by the strong security precautions which allow access to the Club by members and authorized people only.

Ein exklusiver Klub. Ein Treffpunkt, wo emanzipierte, erlebnisfreudige "Swedish Swingers" wählen und wählen lassen.

Dank sorgfältiger Abschirmung ist gewährleistet, daß die Klubmitglieder unter sich bleiben. Nur wer berechtigt ist, erhält Zutritt.

---

The bar is well stocked to cater for every taste, as does the 'Smörgåsbord' (buffet table), providing a large choice of delicious and appetizing food to enjoy with a drink whilst chatting, with perhaps, a new-made friend. And, of course, being in a V.I.P. Club, as with passengers on a first class plane flight, all food and drinks are free of charge.

---

---

Die Bar hat für Gaumenfreuden vorgesorgt. Da ist das kalte Buffet mit seiner reichen Auswahl an Delikatem. Da sind die Drinks, die einem die Plauderei mit einem, vielleicht neuen, Freund verschönen. Und all das – warum soll der V.I.P. Club dem Fliegen erster Klasse nachstehen? – geht inklusive.

---

---

The warm allure of the well designed bedrooms allows ample room for swinging activities. Invitingly large and comfortable beds can be highlighted or secluded in shadow by the simple turn of a 'dimmer' switch enabling you, yourself to create the atmosphere you prefer and to suit the mood you are in. If you desire complete privacy with your chosen partner, you are free to use the doors to the bedroom.

The atmosphere is so created to bring out the members freest feelings and desires without obligations and each and every person's mood is respected.

The equal selection of couples, women and men, ensures that our parties always become a success. Because many members require the highest possible discretion, we guarantee complete prudence. No personal information is accessible. All letters and papers are kept in a safe and can be returned or destroyed on request.

It is non-profit making and is run within and according to Swedish law, so protecting the anonymity and safety of its numbers.

---

---

The attractive, modern bathroom provides the convenience of a refreshing shower, or a quick 'bidet' wash, a plentiful supply of clean towels, both scented and medicated soaps and other hygiene requisits, plus a selection of colognes and perfumes.

●

In dem attraktiven modernen Bad ist für weitere Annehmlichkeiten gesorgt: Brause, Bidet, frische Handtücher in reicher Auswahl, duftende und keimtötende Seifen und sonstiger Bedarf der Hygiene, dazu eine Sammlung von Duftwässern und Parfüms.

---

---

Die warme Behaglichkeit der schicken Schlafzimmer bietet weiten Auslauf für die Eingebungen der Swingers. Ganz nach Lust und Laune können die Entspannung Suchenden durch simples Knopfdrehen das Zimmer in gleißendem Licht erstrahlen lassen oder es in wohligen Schatten versenken. Wer ein *Chambre séparée* wünscht, kann auch ganz schlicht die Türe schließen.

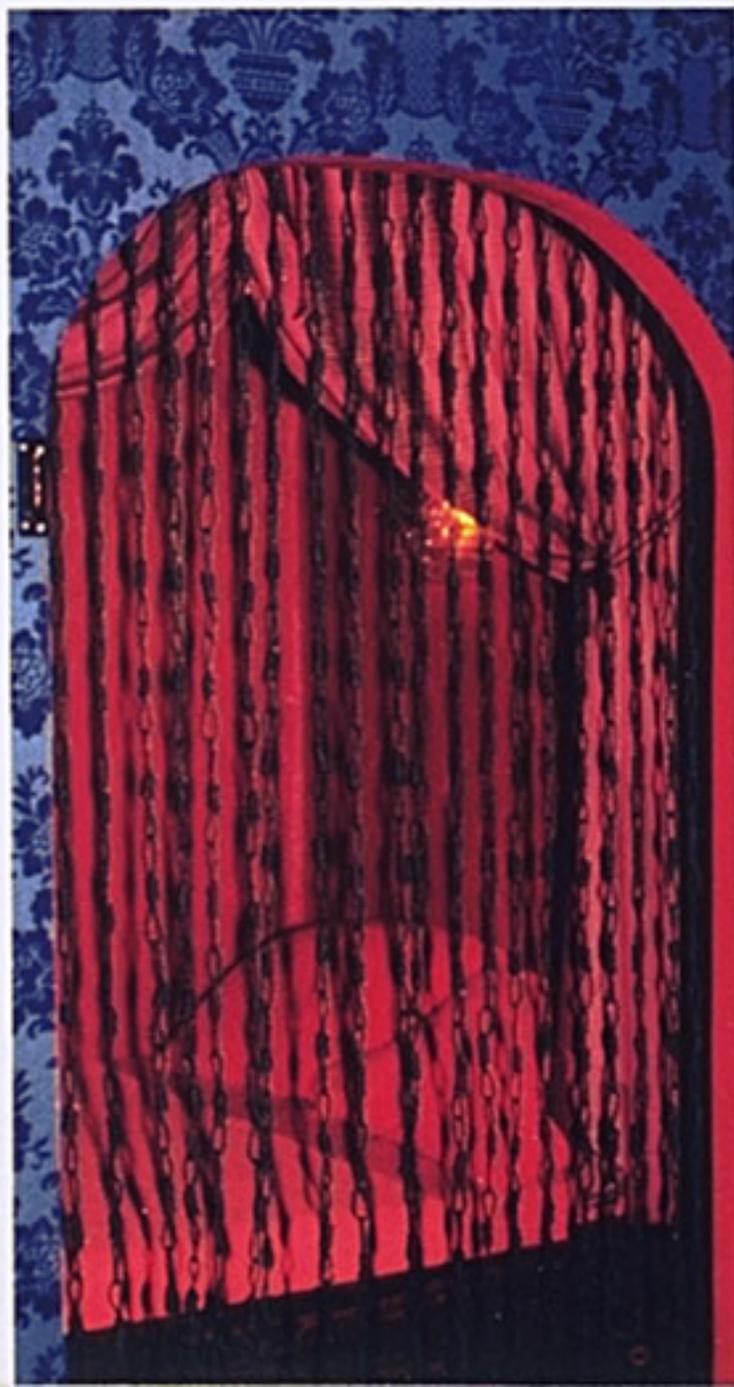

In einer derart gestalteten Atmosphäre können die Mitglieder ihren Gefühlen und Wünschen awanglos freien Lauf lassen. Leben und leben lassen, heißt die Devise.

Da nur Paare Einlaß finden, sind unsere Parties stets gelungene Parties.

Inside the ordinary sex clubs, restaurants and bars, most personal sexual activities are not tolerated, the difference with our Club is that anything can happen, does happen and is allowed. That is the difference you, as a member will value.

---

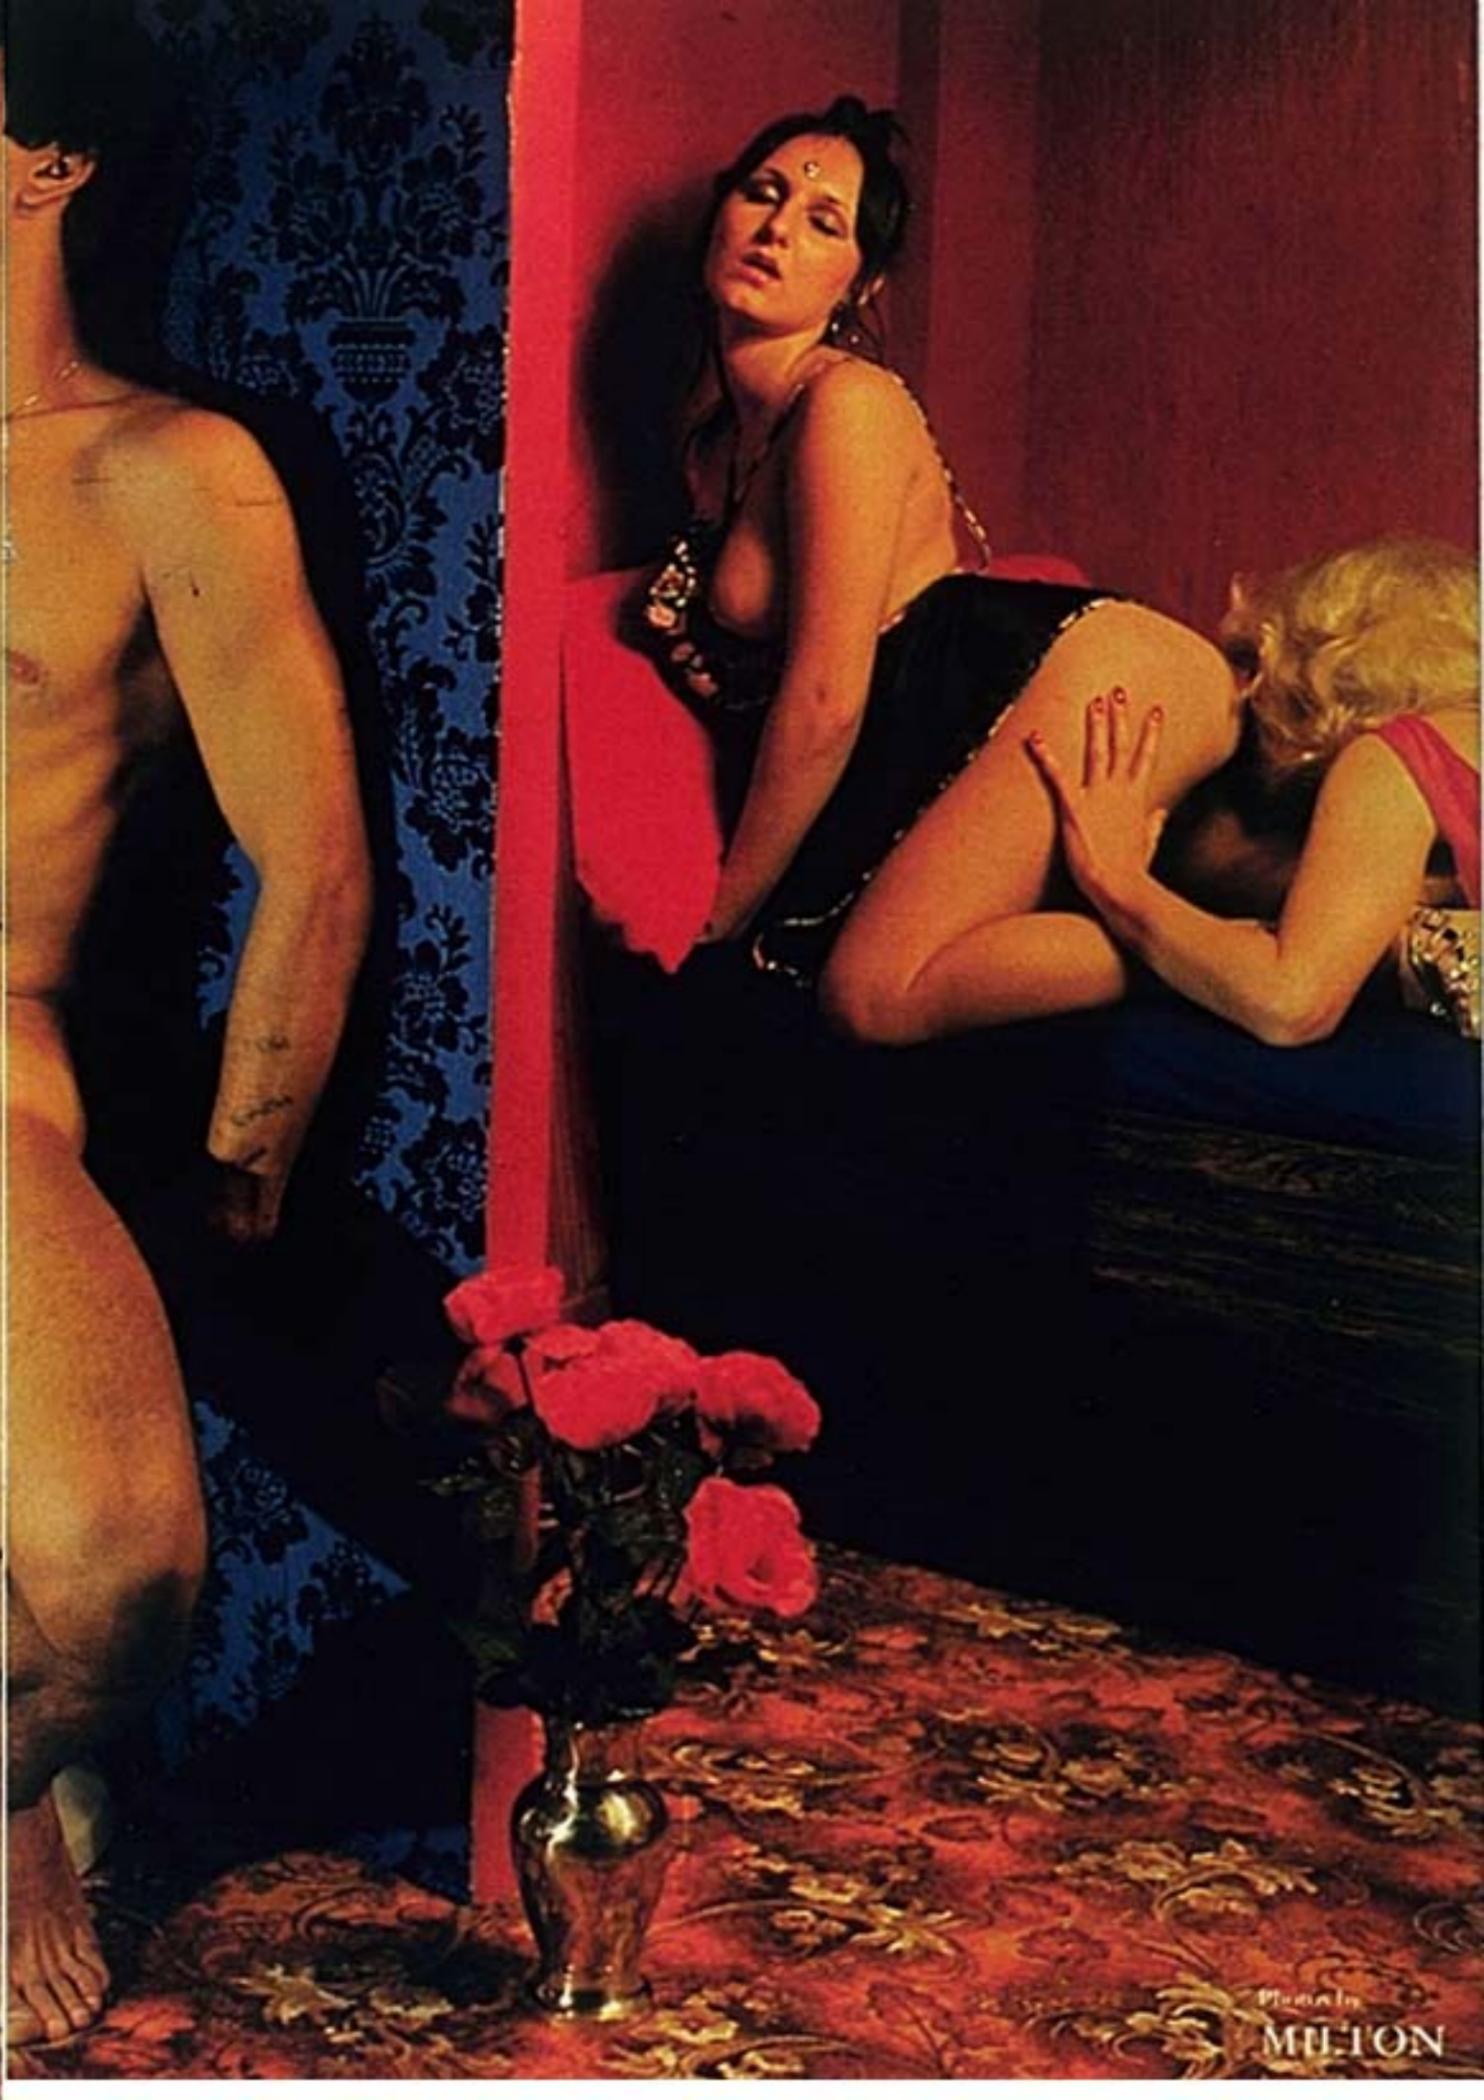

---

In Klubs und Bars mit Sex-Darbietungen ist aktives Mitmachen der Gäste normalerweise nicht gestattet. Anders ist es in einem Klub wie dem unsrigen: Ende offen – und keiner verwehrt es Ihnen. Diesen Unterschied werden Sie als Mitglied zu schätzen wissen.

## *I am looking for usual (and unusual) people*

Young or old, beautiful or not so beautiful, usual or unusual (perhaps very special) – I know that you have something to teach others.

"I wish to promote a more liberal attitude towards sex, and a better understanding of all sexual inclinations, believe that sex is both natural and enjoyable, and therefore it is most definitely wrong to attempt to hide or feel ashamed about it. Furthermore I know, that good erotography has both a positive and stimulative effect on human sexuality."

Do you share my opinion? Good, but don't let that be just a passive "yes". Work yourself actively towards these goals. How? Discuss willingly sex and sexual morals with your friends and workmates, or why not honestly and consequently make your stand by becoming a PRIVATE model. Expenses such as travel and other arrangements are of course met by PRIVATE. Payment? You suggest your fee. If for some reason you do not consider yourself as having the possibility to expose yourself openly, then we can make a film sequence with complete anonymity.

I'm interested in getting contacts both with couples and single models, preferably female. Please don't forget: you enclose one or more test pictures (which are immediately returned) and indicate the time you can spare for posing. Then I can make a proposal for photographic projects and a financial agreement. Naturally, all letters and photos are treated confidentially. Sincerely yours.

THE EDITOR

## *Ich suche gewöhnliche Menschen – und ungewöhnliche*

Junge und ältere, schöne und weniger schöne, Durchschnittstypen und ungewöhnliche, vielleicht auch mit gefallenem Geschmack. Jeder hat seinen Mitmenschen etwas zu geben.

Mit meinem Magazin PRIVATE möchte ich eine freiere Lebensanschauung im Sexuellen und Verständnis für alle Spielarten des Sex fördern. Ich halte daran fest: Sex ist so schön und natürlich, daß es vor ihm keine Geheimnistuerei oder Scheu geben sollte. Und weiß: Gute Erotografie hat eine anregende Wirkung auf die menschliche Sexualität.

Sie teilen mein Ansicht? Gut! (Sonst hätten Sie wohl nicht dieses PRIVATE gekauft). Belassen Sie es aber nicht bei diesem passiven Bejahen. Arbeiten Sie selbst aktiv für dieses Ziel. Wie? Diskutieren Sie Sex und Moral mit Freunden und Kollegen. Oder – warum nicht eine kühne Konsequenz ziehen und selbst als Model bei PRIVATE auftreten? Umkosten, Reisen und sonstiger Aufwand – PRIVATE kommt dafür auf. Gage? Machen Sie selbst einen Vorschlag. Wenn Sie aus irgendeinem Grund nicht offen auftreten können, läßt sich auch die Aufnahme einer völlig anonymen Serie arrangieren.

An neuen Kontakten, Paare oder einzelne Modelle, bin ich stets interessiert. deep at the back, showing half her arse and with a long slit in front, a pair of black stockings and extremely high-heeled stiletto shoes, together with garters. We went back to the hotel. My wife, Sonya, dressed up, combed most of her long hair to one side, put on false eyelashes, and extra make-up and she looked absolutely gorgeous when she paraded up and down in front of me, smoking a cigarette. As we had agreed, I went down stairs to the bar, which was fairly empty, only about five or six men sitting there, and within minutes, I had struck up a conversation with two of them, then my wife made her entrance. My new-found friends mentioned something about, 'Terrific girl! What a beauty!' and I felt very proud. She sat down not far from us and ordered a drink. 'I think,' I said, 'she's a top class, call girl. I have been to this hotel a few times before and I have seen her a couple of times.' 'Do you really think so?' asked one of the guys next to me. 'Yes I'm sure.' 'Do you think I can approach her?' 'Well, why not? You can't get more than a 'no'.' I answered. In the traditional way, Sonya picked up her cigarette, and very quickly, the man was by her side to light the cigarette. I could hear part of their conversation. His careful questions and her answers. She mentioned, whispering, a tremendous figure and added, 'That includes everything.' His question:- 'What does everything mean?' 'Well, you can come in my mouth, in my cunt or in my arse. You can have me in any way you want.'

As soon as I understood that there was an agreement between them, I sneaked away from the bar and went up to our suit. We had a lovely bathroom, bedroom and sitting-room. A few minutes later my wife came in. I kissed and cuddled her. I was very excited. She opened the slit in her skirt, spread her legs, opened her cunt and I spat in her cunt to make her even more wet for the client. A minute later there was a quiet knock on the door. I went into the other room, leaving the door ajar so that I had a good view of the bedroom. She approached him with a big kiss and started to stroke his cock, which was already growing. I could see that my wife was so excited that she nearly forgot about the money. The client took out the agreed sum and put it on the table and then went into the bathroom for a quick wash. Coming out he found my wife on the

bed with her legs spread wide apart, her skirt up to her hips and her fingers pulling her cunt open for him. He kissed her, sucked her tits and licked her pussy, getting more and more excited. My wife sucked him. (She's a very good cock-sucker and she took his whole cock right into her throat.) Taking a breath, she asked him if he wanted to spunk in her throat. But he said, 'If you don't mind, I would like to try your little arse.' Not wasting a second, my wife turned around and deliberately showing her arse she greased it well and massaged a little of the cream into the top of his cock. Then she took the classical position, with her knees spread wide apart, her arse sticking right up in the air, her torso flat to the bed and her arms stretched out clutching the end of the bed. Then she said, 'Now you can take me. Ram my arse and fuck me.' Take your money's worth! And he really fucked her. He pushed his big cock far into the depths of her arse. My wife was moaning, screaming, and she didn't keep her arse still for one second. 'Screw me harder.' She shouted. 'Shoot in me. Give me a big load deep in my arse.' And he came, and pumped her full with his thick, hot spunk. I was standing there, hidden, with the whole scene going on in front of me and with a rock hard cock in my hand. Only seconds after her client disappeared, I fucked her in exactly the same position and for the first time she came by being fucked in her arse, thinking about how she had taken two men within a few minutes of one another, arse-fucking her.

One little detail. Before he left, my wife gave him a phone number to the telephone we only usually use for out-going phone calls in our house, and that, we hoped, would have really big consequences. A month later, a telephone signal! My wife and I looked at each other. It could only be one person in the world at the other end. I nodded to her and she answered. She got a proposition. Her client was in town as a member of a convention of about two hundred men and he asked her if she was willing to be, for one hour, at his disposal, together, with a couple of his friends. My wife agreed and the arrangement was made that for quite a large sum, she was willing to take three, or four, or five, or whatever number of men he produced, to fuck her for exactly one hour. Terribly excited, I drove

her over to the hotel. She was dressed only in high-heeled shoes, black stockings, garters and her beautiful fur coat. I left her at the door. She entered the room where the five men were waiting for her, and you can imagine their delight and surprise when they helped her off with her coat and found that she was almost completely nude underneath. Myself, I managed to sneak in and mix with the crowd, get hold of a pin showing I was a member of the convention and very shortly I entered the room, and there were five men fucking my wife. I found my wife sitting on top of one man and sucking three cocks in front of her, whilst masturbating the fifth.

An hour isn't a very long time when there are five almost as long as I want. I found myself with my wife sitting on top of me, sucking cocks in front of her, while one man after another was fucking her arse. The hour ended quickly and it was agreed that she should carry on for another hour or more if necessary, for the same fee for each hour. I was holding my erection while she was sitting on me, bending over, and as soon as one man came in her arse, there was another one ready to push his cock in while the previous man's spunk was pouring out. At the same time, she was sucking a number of cocks above my head, some of them shooting right down in her throat, some of them just in her mouth, some of them on her hair or in her face.

The rumour had been spread and the room was crowded with men masturbating, shooting on top of her, fucking her like crazy, and she came and she came and she came! In the end I was sitting in a chair playing with my cock, enjoying the scene of my wife constantly surrounded by, between five to ten men, screwing her as much as they were able. Finally, in the morning, when the session was over, I was alone with my wife. She had a fortune in her handbag. She was covered all over in spunk and was lying in a pool of it. I helped her to put on the fur coat, tired, exhausted, she smiled to me and said, 'When we are at home, I think you will be the 51st for tonight.'

Since then we have had a variety of sexual experiences, which I can tell about some other time. But let me finish with Kipling's words. 'That's another story'.

My very best regards to you and your readers.

# Mlle BAISER

One of the most interesting and exciting Sex Performers ever, says:

Dear Mlle. Baiser,  
My man and I are ardent readers of PRIVATE and were particularly impressed with Nos. 42 and 44 where you appeared in a Report and a sequence. The thing that had my husband really turned on and that fascinated me most, was the way in which you could take that enormous dildo right down into your throat and the fact that you practically swallowed that beautiful big prick.

Of course, my man is dying for me to perform in the same way and it makes me very sad, that, inspite of trying and trying, I still start choking if, in his excitement, he pushes too hard or unexpectedly. My natural reaction is always to keep my hand around the base of his cock to prevent him from penetrating my throat too far.

He's got one of the most beautiful cocks I have ever seen, and I must admit that the size of it is a bit formidable, although I have tried with other guys with much smaller cocks in the past, but without success.

Owing to the enormous and very flattering response in 'PRIVATE'S' mail box, since my appearance in the last three issues of the magazine, (many letters, infact, were from female readers seeking advice,) the Editor and the Company have very kindly asked me if I would consent to answer some of the letters in future PRIVATES.

I consider this an honour and take great pleasure in agreeing to correspond with and indeed, inviting readers to write to me on sex topics for advice or discussion. (Complete privacy and anonymity is, always observed.) My only regret is that I shall be able to answer comparatively few letters but I will do my best. Write to:- Personally Mlle. Baiser, c/o PRIVATE PRESS AB., BOX 17079, STOCKHOLM 17, SWEDEN.

---

It would give us both so much pleasure if I could take him right down to his lovely balls. With some advise from you, do you think I have a chance, or do you think I'm just not made to perform, what seems to be, such an impossible feat?

I'm willing to try anything you suggest. Please help.

Reply for Madmoiselle Baiser Advise Column.

Dear Maria (and Mikael),  
I think any woman has a chance to give a guy a really good cock suck but many women don't even realize their own potential. (I didn't myself, until I met my husband who showed me I could do it and was so excited that he gave me all the encouragement he could.)

**Fear is the main problem.** Fear of choking or vomiting and fear of disappointing your man. That is why it is important, to begin with, for the woman to be in a position where she has most control, i.e. with the man on his back or sitting in a chair and the woman's mouth directly above the man's cock.

This position has two advantages, the erect penis can be pushed gently down in exact line with the throat's anatomy and the woman has full control when she wants to withdraw the cock, plus she doesn't have the uncomfortable sensation or fear of possibly being suffocated as she has when the man is on top of her.

But I should say the best way to practise is with a dildo. (You need not tell your man, so that when you have developed the technique it will be a delightful surprise for him.) It doesn't have to be enormous, (just about the size of his cock) and you can use it in other ways, with or without your man to please yourself. Start practising with it when you are completely relaxed - lying in the bath for instance - and I wouldn't recommend trying on an over-full stomach of either food or liquid. Make yourself conscious of opening up and relaxing the muscles in your throat. Breathing should be done slowly and rythmically. Breath in as you insert the dildo and as you push it further in start to breath out through your nose - you'll soon develop your own breathing habits. Practise does make perfect. (If I haven't practised for a while I find it more difficult myself.) Good luck and I should be very happy to hear how you get on. Please write again.

Yours, Mlle. BAISER.
