The PRIVATE POLICY

We at Private wish to promote a more liberal attitude towards sex, and a better understanding of all sexual inclinations. We believe that sex is both natural and enjoyable, and therefore it is most definitely wrong to attempt to hide or feel ashamed about it. Furthermore we know, that good erotography has a both positive and stimulative effect on human sexuality.

PRIVATE PROGRAMM

Mit Private möchten wir für freiere Anschauungen im Sexuellen und um Verständnis für alle sexuellen Ausdrucksformen werben. Wir meinen: Sex ist etwas Schönes und Natürliches, vor dem es keine Geheimnistuerei oder Schamgefühle geben sollte. Wir wissen: Gute Erotografie hat eine positiv anregende Wirkung auf die menschliche Sexualität.

MORAL?

ANAL ADVANCE ADVICE

Annalen sind mit Analem gefüllt worden. Verzeihen Sie mir den Wortgag, immerhin hat PRIVATE daren mitgeschrieben. Was wäre dem noch hinzuzufügen?

Rückschau sei uns aber erlaubt. Und neue PRIVATE-Leser sind ganz gewiß auch hinzugekommen. Daher an dieser Stelle einmal mehr ein

Wort – ein Wort der MORAL – zum Analsex. Und das mit Nachdruck.

Behalten Sie lieber im Sinn, was Sie mir getrost glauben dürfen: Die große Mehrzahl aller Paare haben diese Variante des Sex schon einmal probiert. Wenn's immerhin nur einmal war.

Und manche mögen davon nicht mehr lassen.

ANALE ANREGUNGEN

So many things about anal sex has been written before, not only in PRIVATE but also in various kinds of magazines all over the world so there is hardly nything more to add. But, for those PRIVATE readers who have missed previous issues with more else concerning this subject we would

like to emphasize in the first place the moral aspects concerning anal sex. First of all you could in my opinion completely forget about that in some states of USA, as well as in England, it is illegal to practise anal sex, even with your own wife in your own house. Believe me also when I'm telling you that the

Besonders, wenn der weibliche Partner entdeckt uns es sich eingesteht, welche neuen Genüsse und Abwechslungen sich ihr da erschließen. Daß die meisten Männer überaus großen Gefallen daran finden, versteht sich fast von selbst.

Viele Menschen sehen in der erotischen Handlung, von der hier die Rede ist, im wahrsten Sinne des Wortes die Kehrseite des Sex. analsex, finden sie, ist schmutzig, unmoralisch, widernatürlich und was weiß ich noch. Das ist ihr gutes Recht. Das aber sind Fremdbestimmungen, äußere Programmierungen, um mich einmal gelehrt auszudrücken. So aber ist der Mensch nicht "vorprogrammiert". Er kommt als "unbeschriebenes Blatt" zur Welt und wächst erst nach und nach zu einem Produkt seiner Umwelteinflüsse heran.

Behalten wir, Mann wie Frau, stets im Sinn: Zur erotischen Lust, zur gegenseitigen sexuellen Befriedigung *darf* und *soll* der ganze Körper gehören. Ohne Ausnahme.

Wohlgemerkt: Lust und Befriedigung. Dazu gehört, daß der eine Partner, der Mann, auf die unerfahrene, die verkrampfte, die schmerzempfindliche Frau Rücksicht zu nehmen hat. Und sich im Zweifel stets an die altbewährte Regel hält, durch Sex kein körperliches oder seelisches Ungemach zu bereiten. Es sei denn im Extremfall, ein sado-masochistisches Paar entfaltet seine Verzückungen in der Pein.

In meiner Kolumne MORAL habe ich es des öfteren schon anklängen lassen: Ein Reiz der ganz und gar vorzüglichen Art liegt darin, daß eine Frau auch mal aus eigenem Antrieb ihren Partner ermuntern kann zum Verkehr andersherum. Und wenn es für sie das allererste Mal geschieht, ist es, als brächte sie eine zweite jungfräulichkeit dar. Das schmeichelt der Eitelkeit sicher nicht weniger Männer. Müßig meine Mahnung, daß auch hier (ver) gewalttätiges Vorstürmen tabu ist.

Die hygienischen Umstände des Anales sind mehr als die Moral über jeden Zweifel erhaben. Der vaginalen Vereinigung die anale folgen lassen – das geht! Die umgekehrte Reihenfolge – das geht nicht! Die Gefahr von Infektionen wäre zu groß. Unbedingt waschen, wenn Sie "wieder von vorn anfangen", lautet daher das unumstößliche Gebot. Vom Medizinischen her gibt es eigentlich nicht einzuwenden. Auch wenn Sie regelmäßig anal verkehren, haben Sie keine Schädigungen zu fürchten.

Und überhaupt – mal etwas ganz (B) Anales. Flanieren Sie, Mann, mal über die Prachtstraße Ihrer Stadt. Was tun Sie und so viele Ihrer Geschlechtsgenossen? Begehrlich einem schönen und schön wippenden weiblichen Po nachblicken! Klaro!?

majority of couples usually have tried this form of sex at least once.

A few carry on with it, especially if the woman finds that it gives her a new form of pleasure and also a possibility to go outside the normal routine, not to forget about that it usually also is extremely pleasant for the man.

Back now to the moral aspect. Quite a few people find this kind of sexual activity dirty, perverted, immoral, unnatural etc. Of course, every human being has the complete right to form their own opinion, whatever the reasons are like religion, upbringing, the range of sexual activities and so forth. But, sexually all of us, every human being, start from scratch, don't we? Our sexual behaviour, needs and demands are dictated by upbringing and previous experiences. What every human being, man or woman, should bear in mind always is that for the sexual pleasure, the mutual sexual satisfaction, every part of their bodies could and should be used for sexual pleasure. It must be understood, though, that in case the woman can't relax enough or isn't used to anal sex, the man has to remember that following the old general rule no sexual activity which causes harm, pain or other disadvantages for the spouses should be respected, unless of course she or he is up to sadism, masochism etc. Another advantage which I have mentioned many times before in my Morals is that a woman inviting her partner to anal sex, if it's the first time for her, will be a form of a new virginity she brings to him. I should think that most men would really appreciate such an offer. Remember though that an extreme gentleness from the man is usually needed, maybe more than in any other sexual variety. Rape in any form including anal is usually out of the question, except of course if the woman is turned on by a rape or masochism.

The hygienical side of the activity is simple and clear, you can switch from vaginal intercourse to anal but never vice versa because of the possibility of infection. Always wash properly before going back from anal to other forms of sex. From the medical point of view, there are no evidence whatsoever that anal sex, even if practiced regularly, will cause any harm to any other functions. And at the end, mustn't there be something into the fact that many men most willingly are ready to follow and watch from behind a shapely female bottom, maybe especially if it is swinging in a tempting way.

CAROL: BODILY YOURS

Mode macht Mädchen. Und ich führe sie vor. Meist mit Erfolg und oft mit Bravour. Rein in die Garderobe, raus aus der Garderobe. Das tört mich so richtig an. Ich weiß, ich hab was vorzuzeigen. Und nicht bloß schicke Hüllen.

Being a fashion model, and quite successful I must say, sometimes I feel absolutely fed up by changing clothes and show the clothes off for other people. I feel that I have so much of other things to give and that's the reason why I'm now appearing in this magazine.

Einen Touch von Exhibitionismus muß du schon haben, wenn du gewagte Kreationen auf den Laufsteg bringst. Finden Sie nicht auch? Da soll es aber bei mir nicht dran scheitern. Im Gegenteil.

Don't you think one has to be a little bit of an exhibitionist to be able to show the latest fashion anyway. But my feelings and intentions in that direction goes now a bit further. There is so many things on me which few other people have seen and which I want to show right now for you reader.

Na, welche Regungen kann ich denn bei Ihnen, dem Leser, wachrufen. Anregung? Aufregung? Erregung? Wie, wenn sich was bei Ihnen in den Beinkleidern regte? Abregen können Sie sich hinterher.

Do I have to emphasize that my whole and only intention is to excite you. And I'm quite sure that I will, because I've never heard any complaints from my lovers and you ain't complaining, are you?

So ist es eben. Auf die Regsamkeit kommt's an. Und auf den rechten Blickwinkel auch. Der Beifall meiner Zuschauer ist mir noch immer sicher gewesen.

Positions are important, I think, and that's just one of my specialities. My lovers always give me compliments for the talented way I'm using my body to their favour.

Zum gelanten Gewand die attraktiven Accessoires. Zugegeben, es geht auch ohne die, aber jetzt treib ich's mal mit. Damit Sie sehen, wie sich sowas macht. Sie brauchen ja nicht gleich den "Stab" über mich zu brechen.

I hardly ever use tools, I must admit, when I'm masturbating but I'm doing it now to show you my technique. And you would understand, wouldn't you, that it's you and only you I want.

Mit mir allein in meinem Garten. Mein heißer Körper in kühler Luft. Dieses ewige Brennen zwischen meinen lüsternen Schenkeln. Zwischen meinen wippenden Titten hindurch gleitet mein Blick an mir hinunter. Wirklich, "sie" ist wie eine halboffene Blume im Morgentau. Und mitten darin die pralle Knospe. Mein Finger spürt, wie es ungeduldig zuckt darin. Sie will gestreichelt und gerubbelt werden, diese nimmersatte Knospe. Von mir?

Da, was für eine Freude! John! Mein Geliebter . . .

Heißer Körper in kühler Luft. Da stehen die Spitzen der Brüste stramm. Wie rosa Raketen vor dem Abschuß.

Alone in my garden, my pussy is steaming in the cool air, hot as a burning ember between my lush thighs. I gaze down past my thrusting tits, tilting my crotch up. My cuntlips are unfurled like the petals of a fleshy blossom, streaked with dew. My lovebud stand out like a little log in a swamp, throbbing for attention. I know that I'll have to rub myself off – and then, to my joy, John arrives.

My tit tips are vibrant, like little pink rockets ready to be launched. They explode in his hungry lips.

TEMPTING THERESE

Seinen Ständer hat er freigelegt. Und ihn mir gereicht, wie eine Amme ihre Brust dem Kind. Mein Gott, ist der wieder hart. Ich rühre ihn an – und er vibriert wie die reinste Stimmgabel.

Jetzt fährt sein Schwengel in die schleimige Schlucht so wie das glühende Eisen beim Schmied in den Abschreckbottich. Aah, wie das zischt und brodeln! Es reißt mir förmlich die unteren Gefilde weg, wie er da so über den Kitzler fetzt.

His huge prick is so taut it is humming like a tuning fork as I nurse on his cockhead, slobbering down his stalk. I'm whimpering hungrily as I savour his succulent cockmeat.

His cock hisses up my flooded canyon like a crowbar dipped into a blacksmith's tub, filling my cunt to the core. It levers my ass up as he plunges in over the fulcrum of my clit.

"Jene" Lippen hat er mit "diesen" vertauscht. Er stopft mir wahrhaftig die Kehle zu. Meine Lippen legen sich um dieses kostbare Stück, damit mir nur ja nichts entgeht. Einfach Zucker, dieser Zucker.

He fucks my mouth just as if it were a cunt, his massive knob clogging my throat. My lips turn outwards as I suck through every precious inch, adoring his cockmeat and yearning for his joyjuice.

Und seine Lippen. Die liegen weit ausgebreitet auf meinem schleimigen Schlitz, als wollten sie mir das Innerste nach außen saugen. Herrlich, herrlich, wie seine Zunge wirbelt!

He clamps his lips to my fuckslot like a suction cup to a drain and his nimble tongue flails in my hot hole. When he spreads my cuntlips open the inner folds are lathered with cream.

Wie er stößt und orgelt und sich mir entgegenwirft. So will ich ihn haben, ihn aussagen und verglühen lassen. Er schüttet sich aus. Füllt mit seinem phallischen Feuer meine fidele Falten. Und als der erste Ansturm vorüber ist, grapsche ich gierig nach seinem glitschigen Gehänge.

His sweet prick fills me to the bim and my cunt is sucking on him like a mouth. His cockhead feels like a slab of molten iron deep in my twat and his hard rod throbs and thunders as he pours the prick to me, shoveling the phallic fuel to my fiery furnace. I finger his slippery stalk as it pulls out, drenched with my lovejuice.

Mein Saft von seinem Steifen.

Wie soll ich all das schlucken, was er an mich verschleudert?!

Ha! Wie das wärmt! Wie ein Cognac an rauhen Tagen.

Cum seeps from his pisshole and slathers his knob, like whipped cream on a fat, purple plum. His cum warms my belly like a fine cognac as he fills me with the jism of joy.

It happened to me!

Special female experiences.

I'm writing you because I feel I must tell someone of a recent experience I had, but dare not confide in anyone who knows my husband. John and I both enjoy your magazine, usually together in bed, so if you should chose to publish this, please do not use my name.

Some weeks ago, John had to go out of town for a business conference. Since we both need frequent sex – atleast twice a day, first thing in the morning when, still groggy from sleep, it has a dreamlike quality, and last thing at night, fucking each other into an exhausted slumber – we knew it would be a frustrating period for us, if we remained faithful. I managed to last two days without sex, but by then my pussy was smouldering. I was so hot that when I friggged myself I thought my fingers would blister. Nor was a handjob enough to satisfy me.

I considered the situation and visited the local sex shop, where I told the owner, a handsome young man, named Nick, that I required a dildo, blushing modestly as I noticed the gleam that came into his eyes. A great many rubber dongs were on display on the shelves and as I asmired them, I could feel Nick's gaze burning into my big jugs and valentine shaped ass. I selected a huge rubber prick, realistically contoured, with a mushroom shaped knob and thick veins seaming the underside of the stalk and a cleft in the tip.

There were leather straps attached to the hilt, so that a girl could harness it to her haunches and fuck another girl – an interesting prospect. I held it up, judging it for size and shape. Then, on a sudden naughty impulse, I licked at the knob and sucked it into my mouth. I heard Nick gasp and his arousal turned me on, as I played the cockteaser. The leather harness alid overmy boobs as I pushed the phallic tool into my mouth, drenching it with saliva. Glancing impishly at Nick, I asked if it was permissable to try the dildo out for size? His eyes bulged out like two hard boiled eggs and his jawdropped open so wide that he seemed to be gnawing at his breast. "Of

course," he said. He moved to the door, drew the shade and turned the lock. I was trembling with excitement at the thought of having this handsome young stud watch me fuck myself. I drew my akirt above my hips and slipped my fingers under the elastic of my tiny bikini panties, tugging them down and squirming from them. I was wearing black suspenders and net stockings and knew that my bushy twat, framed by the elastic, looked like a juicy missile slung in a catapult. When I tossed the panties aside, they fluttered to the floor like a butterfly with damp wings, the crotchband sodden with my pussy juice. Resting my ass on the edge of the counter, I parted my thighs and let Nick gaze longingly at my cunt.

My cuntlips were unfurled like the petals of a fleshy flower and the dark inner folds were streaked with cream. A trickle ran down my thigh. My whole crotch was lathered nd juice was seeping into the tight crack of my ass as I tilted my loins upwards.

I fitted the head of the rubber cock into my snatch and slowly worked it, inch by inch, up my *fuckhole*. I held the full penetration for a few moments, savoring the pleasure of being stuffed to the core by that hard rubber dong. Then I began to shove it in and out. The leather harness slithered up my thighs as I buried the rod to the hilt and wrigled upon it. It came out slowly, almost turning my *lovebox* inside out as my cuntlips distended on the retreating rod. The dildo was drenched with pussy nectar and, on a sudden whim, I pulled it from my groin and brought it to my lips again. Nick groaned as he saw me lap up my own cunt cream from the prick. I began to alternate between mouth and cunt. The rubber tool went into my fuckhole slathered with slobber, then into my mouth soaking with cuntjuice.

Liebe Madame Baiser,

zum Glück bringe ich die Kraft auf, Ihnen zu schreiben.

Dave, meinen Derzeitigen, kenne ich seit drei Monaten. Er ist ein sympathischer Typ, 23 Jahre alt, Schauspieler, mit einem tadellosen muskulösen Körper... Ich selbst bin ehemalige Arzt-Frau und immerhin schon 45. Viele halten Dave für meinen Sohn. Jung wie er ist, braucht er mich sehr.

Im Bett ist er das reinste Energiebündel. Vögelt mich zu jeder Tages- und Nachtzeit. Ich weiß, einer der so unter Druck steht, braucht ein "Ventil", eine jederzeit bereite Möse. Für ihn bin ich immer warm und willig, wie es so schön heißt in den Magazinen. Daß ich außerdem in ihn verliebt bin und alles tue, ihn in glücklicher Stimmung und in meinem Bett zu halten, brauche ich wohl kaum zu sagen.

Nun aber zu meinem Pro-

Meinen ersten Auftritt in *PRIVATE* darf ich mir als schönen Erfolg enrechnen. Die Leser schickten schmeichelhafte Briefe, und der Herausgeber bot mir eine ständige Kolumne an. Auch in Zukunft freue ich mich über Ihre vertrauensvollen Zuschriften.

blem. Eine Bekannte von mir, mit viel Geld und noch mehr Beziehungen zum Film, läßt unverblümt bei Dave durchblicken, wie sehr sie auf ihn erpicht ist. Ihn ins Bett zu kriegen, sein "Ding" im wahrsten Sinne zu "besitzen", ist ihr einziger und höchster Wunsch.

Vor drei Tagen beichtete mit Dave, welchen Köder sie ihm hingeworfen hat: Einen Flug nach New York, um ihn einem Filmagenten vorzustellen. Und Dave hat angebissen.

Ehe Dave mit diesem Ansinnen herausrückte, hatte er mich stundenlang beglückt. Nach achtzehn Orgasmen war ich völlig ausgepumpt. Doch er, er konnte kein Ende finden, wurde ruppig und wollte mich von hinten haben. Nun gut, wenn's der Liebe dient dachte, und biß die Zähne zusammen.

Und dann kam der Hammer. Nicht bloß das mit der Amerikareise und dem Filmmanager, sondern auch, daß diese Frau – meine Freundin (!) – es immerhin gern von hinten hätte.

Das letzte Wort in der Sache hat Dave dann aber mir überlassen. Wenn ich nicht wolle, dann würde er absagen. Das glaube ich ihm sogar. Aber ich bin sicher, verzeihen tut er es mir nicht.

Und wenn ich einwillige? Dann schwirren beide nach New York ab, und sie wird nichts unversucht lassen, ihn

mit Liebeskünsten auf ihre Seite zu ziehen. Mir bliebe dann nur noch ein ausge-laugter Scheingeliebter.

Was also tun? Ihn mit meiner lockeren Freundin ziehen lassen auf die Gefahr hin, ihn zu verlieren. Oder ihn zum Bleiben bewegen und nach Kräften seine Karriere fördern?

Claudia Marbella

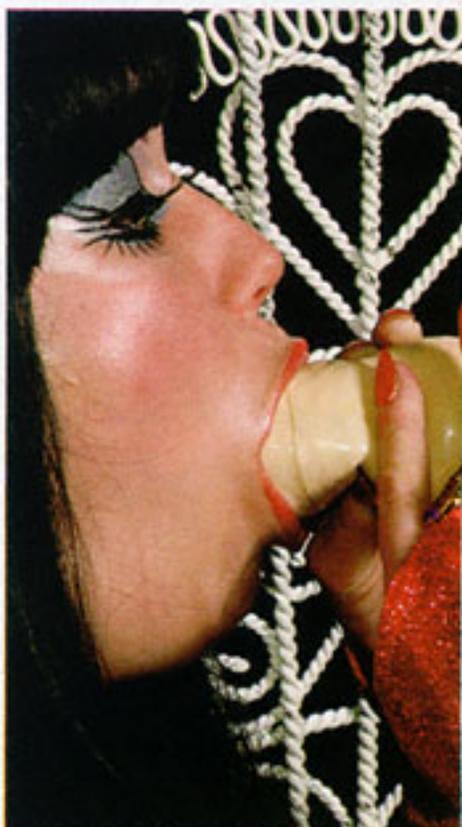

Liebe Claudia,

Jungstars ist es außerordentlich um ihr Aussehen zu tun. Wenn Sie ihm den Trip nach New York ausreden, könnte es gut sein, daß er es Ihnen, wie Sie selbst sagen, nie verzeiht. Auch deswegen kann er auf- und davogehen.

Lassen Sie ihn aber mit den besten und überzeugend ernst gemeinten Wünschen für eine Oscar-reife Rolle ziehen – gut, dann tut er es eben. Er wird es sogar heftig mit seiner Gönnerin treiben... bis er dahinter kommt, worauf sie aus war. Machen Sie gute Miene zum (halb so) bösen Spiel und geben Sie ihm zu verstehen, daß er weiß Gott nicht der einzige ist.

Vergießen Sie bloß keine Tränen, wenn er drüben ist. Für eine Frau wie Sie finden sich Liebhaber in Mengen. Und nicht von den übelsten.

Ihr Mlle Baiser

Dear Madame Baiser

Thank God I am able to write to you regarding my problem. I read PRIVATE all the time, my ex-lover has a subscription. It is a fantastic magazine and really a great help to those of us who are having sexual problems.

Dave and I have known each other for three months. He's a very handsome and muscular 23 year old actor . . . I'm a 45 years old doctor's ex-wife. Many people assume Dave is my son. This young man really needs me, which is the real reason why I am with him.

In bed he is very energetic, I get fucked morning, afternoon and night. I realise that he is a sexy young man and needs an outlet, a willing cunt that is there when he needs it.

Since my appearance in PRIVATE no. 42 and 44. The Editor and the Company have very kindly asked me if I would consent to answer some letters in future PRIVATE.

PRIVATE PRESS AB, BOX 17079, S-104 62 STOCKHOLM

I am so glad it's mine. Thank God I'm always ready for him, wet and willing as they say in all the sex magazines. Needless to say I am very much in love with him and I'll do anything to keep him happy and in my bed.

The problem is that a rich friend of mine who has a lot of film contacts, makes no secret of the fact she wants to get him in bed . . . I know that's all she wants . . . She has no interest in him other than sitting on his big cock.

Three days ago Dave told me she had offered to take him to New York and introduce him to a film agent. He believes her, I don't. She has never mentioned this to me . . .

Before he told me, he screwed me for three hours. I had eighteen orgasms and was absolutely exhausted. Finally he became very aggressive and rough and demanded anal intercourse, which was very painful, but that's what he wanted, and I'll do anything to make him happy.

Afterwards, he told me about my friend's offer of a free trip to New York and casually mentioned that she loved being fucked up the ass .

He has left the decision about the trip to America up to me. If I say no, he won't go with her, but I'm sure he'll hate me . . .

If I say yes, I know my friend will do everything she can to satisfy his sexual demands and coax him to move in with her when they get back, leaving me a very distraught ex-lover.

What should I do? Allow him to go to New York with this scheming old bitch and risk losing him, or ask him to stay with me promising to do all I can to help his career

Claudia Marbella

Dear Claudia

Young actors are usually more aware of their good looks than the average young man. They are often conceited and know how to grab opportunities. If you forbid Dave this trip to New York, he will surely hate you . . . he might even go anyway.

If you say it's alright for him to go, wish him good luck and give an Oscar winning performance in acting, convincing him you mean it . . . he will go. He will no doubt have sex with your friend, but he will soon realise what she is after. You'll have to put on a brave front and tell yourself he's not the only fish in the sea . . . and while he is gone, don't stay in and cry . . . go out and look for another lover . . . there are plenty of sexy young men around looking for women like you.

MESSAGE FROM MILTON

Miltons Meinung

Dear reader

By studying sales figures on various markets, I can't see anything but that the so-called classical men's magazines like Playboy, Penthouse, Hustler etc. are going down slowly, but with an unmistakable trend or tendency. They are followed also by the cheaper weekly magazines. No wonder as they have improved not very much and been published all the same for decades. Taking into the consideration also the thousands of questionnaires from Private no. 62 which were sent to us and for which I'm very grateful wick told that the low quality sex magazines are disappearing one after another. That proves in my opinion, that readers of erotic material world-wide more and more appreciate quality skilled and tastefully published erotography. Following now the intentions, wishes and ideas from those questionnaires which I respectfully have been studying over and over again, I can promise you, reader, that we on *Private* now are working harder than ever and with a really generous budget, (thanks to you reader), using to the very outmost our skill and know-how about what we think is a top-class erotic magazine. You will already from the next issue, number 73 of *Private*, see things like the classical stories of Grand Canyon, San Fransisco, the Swedish king's residence Drottningholm, the story from number 20 etc., etc., with the only difference that we are coming now with bigger, better and more exciting stories. It's my definite opinion, and I should be very surprised incase I'm wrong, if any of our readers in the future will say anything but that *Private* is still the best sex magazine, only with the difference that it is even better than ever. Thank you.

Milton

Auflagenziffern sind kein Geheimnis, auch für mich nicht. Wenn ich mir ansehe, wo es mit den sogenannten klassischen Herren-Magazinen wie Playboy, Penthouse oder Hustler langgeht, bleibt mir eins bestimmt nicht verborgen: Die Blätter segeln – langsam zwar, aber unverkennbar – im Abwind. Und die billiger aufgemachten Wochenschriften des gleichen Genres segeln mit. Was Wunder? Sie erscheinen seit Jahrzehnten, und geändert hat sich wenig. Jedenfalls kaum zum Besseren.

Die Tausende von Antworten (ein herzliches Dankeschön an Sie!), die auf unseren Fragebögen in PRIVATE 62 eingingen, sprechen eine deutliche Sprache: Billig-Magazine kommen und gehen vor allem wieder. Das bestärkt mich in meiner Auffassung, daß Leser erotischer Publikationen weltweit und zunehmend eines schätzen: Gekonnt und geschmackvoll aufgemachte EROTOGRAFIE. Kurz: Qualität.

Von den Anregungen, Wünschen und gutgemeinten Kritiken, die ich aus Ihren Antworten herausgelesen habe und immer noch mit Aufmerksamkeit herauslese, ist manches schon verwirklicht, aber nichts vergessen.

Ich versichere Ihnen, meine Leser, daß wir bei PRIVATE mehr noch als bisher unsere Kraft und Kreativität anspannen und mit einem dank Ihnen runden Budget ein, wie wir hoffen, Erotik-Magazin der Spitzenklasse machen.

Von der nächsten Ausgabe an – PRIVATE Nr. 73 – lassen wir auch einige unseren klassischen Stories Revue passieren: das Panorama des Grand Canyon, das sonnige San Francisco, Drottningholm – die schwedische Königsresidenz (aus Nr. 20) . . . und was sonst noch unser Archiv hergibt.

Dazu, und das ist der Unterschied, neue Bildgeschichten, die das, was bisher war, sicher in den Schatten stellen.

Unsere Leser werden heute und künftig mit mir einig gehen: PRIVATE bleibt PRIVATE. Und wenn dem nicht so ist, dann deshalb, weil es sich selbst noch übertröfen hat. Es würde mich wundern, wenn ich mich geirrt hätte.

Ihr Milton

It happened to me!

Special female experiences.

The sensations and the thrill of being watched drove me wild and I began to fuck myself frantically. The dildo hissed up my slot and I was so hot I was afraid the hard rubber might melt inside my lovebox.

Soon I began to cream deliciously. My pussy melted around the rod like a wax candle around a flaming wick. Waves of joy shot across my belly and coursed like an electric current up my trembling thighs. When the final spasm shook me, I closed my eyes and sprawled back on the counter, panting and smiling dreamily, with my lips all frothy with my juices. When I looked again, I was startled to see that Nick had picked up my discarded panties and was hungrily tonguing the sodden crotchband, lapping up my overflow. He was desperate; my naughty exhibition had driven him crazy and the front of his trousers stood out in bas relief. I was responsible for his condition and, not being a cockteaser at heart, felt obligated to relieve him. Yet I didn't wish to cuckold my husband. With the dildo still stuck up my cunt, I motioned for Nick to come closer and he did so, moving awkwardly, as if thrown off balance by the weight of his swollen cock and stepping bowlegged around his balls.

He stood in front of me and I reached out to open his fly. His stiff prick jumped out like a rocket! I gazed at his meatrack in admiration for a moment. His purple knob was smoking hot and flared out from his thick stalk like the head of a hooded cobra. It was so long he might have used it to pole vault! I touched him with my fingertips and found that his prick was so taut that it was humming like a tuning fork. I told him that he couldn't fuck me, as I was true to my husband, and a look of despair clouded his face. But then I smiled and leaned down, laving the head of his cock with my tongue. My tastebuds sparked and tingled on his delicious slab. A dribble of preliminary spunk oozed from his cleft and I lapped it up greedily, whetting my appetite for his full load. Cupping his *scumbags* in my hand, I lifted, as if weighing his heavy load. I squeezed gently and

was thrilled to feel his jism slosh inside the bloated sacs. Then, hungry for his cum, I kissed the slimy tip of his knob and let my lips slowly part, feeding the succulent meat into my mouth. I nursed on his cockhead, then began to bob up and down as if I were ducking for apples in a barrel, gorging on his sweet meat. I took it all, my nose nestling in his wiry pubic hair and my chin brushing his balls as my lips collared the root of his rod and his throbbing cockhead clogged my gullet. Nick began to shudder at once and I felt his balls explode and his stalk pulsate. Suddenly my mouth was full of cum. It spurted out, skimming over my tongue and pouring down my throat. I sucked and swallowed, swallowed and sucked, as if trying to inhale him right down into my jungs. His cum was as hot and thick as melted lead and I adored it, milking him bone dry and drinking his joyjuice hungrily. Cum overflowed my lips and ran down both sides of my chin. When he finally stopped squirting, I used my tongue to gather up the overflow, lapping him to a lustre, and letting him see his jism streaking my tongue. He told me that I didn't have to pay for the dildo, which made me feel delightfully who-rish, and when I left I still had the tool jammed up my twat and, hidden under my skirt, had another orgasm on the bus going home.

When John returned from his trip he asked me if I had been faithful and I replied, with perfect honesty, that I had not been fucked while he was away. Then I told him I'd had a little help and showed him my well used rubber dong. John laughed, pleased by my clever method of remaining true to him and eager to watch me use the rubber prick on myself. But, of course, I couldn't tell him the dildo was free – nor why.

EXPRES

Ich bin Fachlehrerin für Kurzschrift, auf Gerichtsprotokolle spezialisiert und bringe meinen Schülern das Schreiben auf der Stenografiermaschine bei.

Selbst 38 Jahre alt, bin ich seit zwei Jahren mit einem 15 Jahre älteren Herrn verheiratet. Das hatte sich so ergeben: Er hat was an den Füßen, wie man bei uns in der Domstadt sagt, und ich habe meine Rundungen, die ihn enorm reizten. Unser Intimleben findet eigentlich nur zu seinem Vergnügen statt, für mich ist es, offen getanden, belanglos.

Wenn da nicht mein Schüler wäre. Vor zwei Monaten kam er und meldete sich an. Zum Unterricht aber erschien er nicht. Der war ihm wohl zu teuer. Ich konnte ihn nicht vergessen. Kurz entschlossen suchte ich mir seine Telefonnummer aus der Anmeldung und rief ihn an. Ich bot ihm an, er könne schwarz am Unterricht teilnehmen. Er sagte zu.

Kaum war eine Woche um, waren wir zusammen im Bett gelandet. Jetzt

oder nie, ich mußte ihn haben. Er war da, wohin ich ihn haben wollte. Ein junger, unschuldiger Bursche, der vor Saft und Kraft nur so strotzt und von dem man ahnt, daß er nie und nimmer genug kriegt.

Er hat mich, wenn ich's mal so sagen darf, wundgefickt. Mit ungebrochener Kraft und niemals welchem Ständer sorgt er unentwegt für meine Befriedigung. Dabei habe ich mich nebenher auch noch um meinen Herrn Gemahl und seine zum Glück etwas bescheideneren Bedürfnisse zu kümmern. Wie soll ich es nur anstellen, beide auseinander und jeden bei Laune zu halten?

In den ersten Wochen habe ich mir eingebildet, zu seinem jugendlichen Dauersteher könnte ich ganz einfach niemals NEIN sagen. Jetzt ist mir klar, daß ich da wahrhaft zu hoch gegriffen habe. Wo um alles in der Welt nimmt mein "Schnellschreiber" nur seine Ausdauer her? Wenn doch nur die rechte Freundin zur Stelle wäre, damit ich mir mal eine schöpferische Pause gön-

nen könnte!

Meinem Mann gelüftet es einmal die Woche nach mir. Das aber widert mich ganz und gar an. So halte ich mich denn lieber an meinen unersättlichen Lehrling. Denn mit dem Gedanken, sein Steifer könnte mal nicht mehr so herrlich verwerflich in mir herumstochern, mag ich mich, so wie's mir heute geht, nicht befreunden. Ich lasse mich in die Polster zurücksinken, ziehe die Beine hoch und lasse ihn eindringen, bis im Dom die Glocken läuten... Gelobt sei der Herr, daß er mich mit einem solchen Sünder segnet!

Nur... so zwanzig Jahre jünger wollt' ich schon sein!

Mein Herr und unwissender Gebieter kommt auch nicht zu kurz: Unser Eheleben, meint er allen Ernstes, habe sich gebessert. Da mag er richtig liegen. Wälzt er sich auf mich, drück' ich die Augen zu. Und seh' meinen jungen Hengst vor mir.

Und welcher von Ihnen, meine Damen, geht's ebenso? **Maria (Köln)**

I am a 38 year old teacher, I specialize in court reporting, teaching my pupils how to operate a shorthand machine.

I married my husband two years ago. He is fifteen years older than me. I married him because he was rich and very interested in my big tits. Our nights in bed are really for his enjoyment . . . it's not often I have an orgasm with my husband . . . in fact sex with him is boring.

Two months ago I had a young male pupil apply for lessons. They were too expensive for him and I was very disappointed when he didn't attend the classes.

His name and address were on the application form. I took a chance and phoned him. He just could not afford the fee. I persuaded him to come into the classes and not bother to register. He agreed.

As each day went by I became more and more enamoured by his good looks, his modesty and his desire to succeed.

A week later he and I were laying on my bed. He had a hard on, I was yearning to feel it inside me. Supposedly we were discussing the lesson, but neither one of us intended to discuss school. After much coaxing on my part, he finally crawled on top of me and I eventually experienced the joyous feeling of a young, innocent stud entering my loins. The energetic youth that cannot get enough.

Six weeks later, I find my cunt red raw, well fucked and overly satisfied and I have a young student with a constant erection always banging on my bedroom door with an oversize penis, constantly erect and eager to please, plus a husband who also needed sex.

How could I keep them apart and both sexually satisfied?

I always thought I could accomodate a young stud. I thought my ever-eager cunt would never say NO to an erect young prick, but it's not true. Was it possible that a young eighteen year old could get a hard on five and six times a day and want to fuck for an hour or more each time?

Right now I have a very sore and very satisfied cunt. Today I have been fucked three times for more than an hour each time. I slurp when I walk, his cum runs out of me and I da-ren't walk in the nude in case he gets another hard-on. I am hoping a female friend will move in and help me satisfy this young stud. My husband still fucks me once a week, but I hate it. God knows what I will do when the day arrives and my young student's hard on is not waiting to penetrate me . . . until then, I'll lay back, raise my legs and allow him to enter me as often as he wants to and I'll thank the Lord for young energetic studs . . . I just wish I was twenty years younger . . .

My husband thinks his sex life with me has improved. It's only because I lay back and envisage my young student on top, fucking me.

How many of your female readers have had this problem with youthful lovers?

Maria (Cologne)

COCO DE MEER

This nut was grown in the Seychelles outside the coast of Africa. The shape is no exception, they all look about the same and this is the female nut.

The male part of the plant has in a way the form of a penis. They are growing only one place in this world, the Seychelles, no wonder it is called the Garden of Eden. Art of nature.

SENSUOUS SOLVEJ

Wie mir meine beiden spanischen Verführer den Hof machen. Wie sie förmlich Liebedienern. Ich muß sagen, ich fühle mich geschmeichelt. Zwei auf einmal, das ist heute das erste Mal. Ich zittere vor freudiger Erwartung, wie sie mich durch Spaniens wollüstig duftenden Frühling in ihre verschwiegene Liebeslaube führen.

I know they yearn for me, my two Spanish admirers, and I am intimidated, yet intrigued. I have never been with two men at once before and I tremble with bothrepidation and expectation as they lead me to their villa through the fragrant Spanish spring.

Ein Toast in der Liebeslaube. Bewundernde Blicke aus funkelnden Augen hinter funkelnden Gläsern. Wein flößen sie mir, denken aber längst an noch viel süffigere Getränke. Gelüste stecken an. Immer. Begehrt werden macht begehrlieh. Schwüle Hitze rings um uns und in uns. Hitze, in der meine Hemmungen dahinschmelzen.

Under a sun dappled arbour, they toast me, gazing over the rims of their glasses in adoration. Their dark eyes flash. It is obvious they long to fill me with sweeter fluids than wine. Their desire enflames my own, to be wanted makes me want. Every nerve tingles through the fabric of my body and my inhibitions melt in the heat of my desire.

Schmeichelnde, zärtliche Hände öffnen mich, teilen mich. Die Nerven spannen sich, Körperdünste steigen hoch. Was leer ist, will gefüllt werden. Ich neige mich ihnen zu, mal dem einen, mal dem anderen. Vor Neid und Mißgunst keine Spur. Ich schwebe zwischen ihnen wie die wattigen Wolken über unserer lauschigen Laube.

They caress me, fondle me, share me. My nipples are explosive, my pussy a steaming grotto, a void abhorred by my nature and yearning to be filled. I turn from one to the other, engulfing them. There is no jealousy. I am buffeted between them, floating like the fleecy clouds above the leafy bower.

Der Reihe nach nehmen sie mich. Füllen mich an bis obenhin. Und wenn sie mal ablassen für eine Weile, recken sich ihre Ständer in die laue Luft. Und triefen von meinen Säften. Ich schiele verstohlen nach ihren prallen Schwanzspitzen. Wie die Kuppeln von Türmen, phantasiere ich.

They take me in turn, filling me to the brim. As they withdraw, their meat steams in the air, drenched with my juices. Their cockheads glow like the beacon a top a lighthouse, warning of the rocky shoals below.

Er "rankt" an mir wie die Rose am Rundbogen. DAHIN habe ich bei mir noch keinen vordringen lassen. Zoll um Zoll würgen sich in diesen jungfräulichen Eingang hinein. Und ich wüрге wacker mit. Wie eine reife Frucht fühle ich mich zerteilt. Oder schwimmt er hinein auf dem Meer von Schleim, das schon über mich hinweggespült ist? Ich höre mich selbst laut aufwinseln, als sich sein scharfer Strahl in mich ergießt.

Und dann zieht er zurück. So wie Keltrenkönig Artus sein Schwert Excalibur aus dem Stein.

He is mounted on my haunches like a gaygoyle clinging to a flying buttress. No man has been there before but he is gentle, vanishing inch by inch into my virgin passage. His massive reamer cores me like an apple, so deep I feel me must be unravelling the coils of my guts, yet my tight tunnel sucks him deeper, as if I am digesting his meat in reverse. I wonder if his pounding knob is floating in the slimy sea I have already swallowed, adrift in my cum-filled belly? I whimper as I feel his hot spurt and he draws his cock from my butt like King Arthur extracting Excalibre form the stone.

Zum Schluß ein grelles Crescendo rauschender Kaskaden. Sie lassen los, was noch in ihnen ist. Mein Gesicht reckt sich ihnen entgegen, mit weit offenem Mund. Weiße "Regen"-Wolken ziehen über mich hinweg. Wolke, die mich in den Himmel tragen.

I suck and swallow, swallow and suck, transported to joy. In cascades and torrents, they release their sweet seed into my open mouth as, above my upturned face, I see the sperm-firm white clouds drift across the sky and, gazing at the heavens, feel I am in heaven, myself.

JOYOUS JEANNINE

Na, willst Du mal ein saftiges Sitzfleisch sehen? Einen richtig bombigen Busen? Da bist Du bei mir grade an der richtigen.

If you like big firm arse and nice swinging boobs you are going to adore me. Well, I'm nothing of the slim youngish looking girlish type, as you can see. I'm a mature woman and I'm proud of that.

Die einen mögen die Molligen, die anderen mögen sie nicht. Klar. Wem sagst Du das? Ja, aber Dir, dem Fan des fülligen Fleisches, Dir bring ich den Himmel auf Erden.

I'm well aware of the fact that not all men like my type of woman but those who are doing it I'm a capable to give incredible satisfaction.

Zum Vollweib wie mir gehört nun mal Vollformat. Ich weiß das aus Erfahrung. Glaubt mir.

My waist and my full-sized loins always create a good effect. Believe me, I have the experience.

Manchmal macht's auch die Masse.
Qualität durch Quantität. Attraktiv, weil
aktiv. Find'st Du nicht auch?

Of course, it is not only a question of
quantity, it's also a question of quality,
activity and attractiveness. Do you find me
attractive?

Junge Unbedarfte, die wären vielleicht entsetzt, so wie ich drauf scharf bin, mir die Titten vollspritzen zu lassen. Und sie werden sehen, mit welcher Begeisterung die Männer draufhalten.

I should believe a young girl is fully surprised why my lovers loved to spunk over my tits. Now you know the secret. Of course they want my cunt, my mouth, arse, everything of me but quite a few prefer to spunk over my tits.

Siehst Du denn nicht, wie willig ich schon warte? Du magst doch! Dann mach. . .

And whenever you want to come I'm always willing and ready for it. Make your choice, but make it now, and come

Marianne: "Es hatte alles ganz harmlos begonnen. Für ein, zwei Tage wollte ich auf Foto-Safari in die mexikanische Einöde. Doch dann wurde die Tour zum Horror-Trip. Ich kam vom Weg ab. Fand nicht mehr zurück. Und war bald dem Verdursten nahe. Ich wollte fast schon aufgeben, da fanden mich zwei Mexikaner.

Gerettet! Sie entdeckten eine Quelle, die uns das Leben wiedergab. Wie aber sollte ich's ihnen vergelten? Ich hatte ja nichts als mich selbst. Das aber gab ich dann rückhaltlos hin. Sie werden es sehen.

Marianne. The whole thing started just like another day, when I used to go out for a small photo safari just for a day or two. I got lost, but I was fortunated enough to meet two Mexican peons, when I was ready to give up. They saved my life. They found a well which saved all the three of us, and what could I give them in return? The only thing I had was just me, but I gave them the whole of me, absolutely everything. You will see.

LUSTFULL LINDAS LIBIDO

Den lieben langen Tag in der Sonne geault. Stundenlang gefaulenzt. Ab und zu einen Drink zu Erfrischung. Und einen Schmöker dazu. Was will man mehr?

Ach ja, natürlich! Ein bißchen was für die Geilheit, wenn die einen überkommt. Aber, woher nehmen? Auf ein Geschenk des Himmels warten?

A lazy day in the sun, hours and hours of resting, a drink and some good reading material. What can one more wish for?

Oh yes, I forgot to tell you that I felt randy and started to masturbate and what happens?

Geschenke des Himmels, die gibt es bisweilen. Zwei junge Spunde tauchten auf, plötzlich und wie aus dem Nichts. Und dann fing das Gelage an . . . !

Two guys were turning up from nowhere like a gift from heaven, and just as I like it with no planning, no preparation, I just let it happen. And what could happen more than caressing, kissing and screwing.

Wie die Passion, so die Positionen! Und die Jungens, die legten los! In vollen Zügen und zu aller Vergnügen.

My passion created the positions and they were both very much agreeable and capable which is important. I let them twist and turn me up to their own choice, not mine.

Ich bin die Super-Erfahrene, die mit allem Sperma... pardon: Wassern!... Gewaschene. Denkste! Meine Sportfreunde zogen die Schau ab – unglaublich, aber sagenhaft.

I thought myself that I had experience from everything, and I have, I know, but this, oh my God, the way they were treating me I couldn't believe it, but it was wonderful, absolutely marvellous.

Spielen ist schön. Orgasmus ist besser! Für alle, die mitmachen. Zwei stämmige Dinger wühlten in mir. Und ich spürte: Gleich ist was los!

All right, it's nice to play, but isn't the orgasm the peak of everything, at least for me, and no doubt about it also for these guys. I felt two cocks trobbing and I knew that they were on their way.

Es war was los! Und es ging was los! Unbeschreiblich, was da rüberkam. Alles, alles wollte ich abbekommen. An mir, auf mir, in mir . . .

And they came, and they came, oh Christ, I couldn't believe how much they had to give and, of course, willingly I took it all, all over me, over my face, in my mouth, everywhere.

I shouldn't say I gave it all to them, they took it, but I loved it. They are wellcome back at any time, and not only them, maybe even you next time . . .

Und was habe ich gegeben? Kommt drauf an . . .
Genommen haben sie's sich. Und mir war's recht.
Wenn sie's doch nur bald wieder täten!
