The Queen of Africa

A blonde in the Black Continent

Die nur 19 Jahre alte Colette ist das gefürchtetste Raubtier in der Umgebung... Ihre Poren verschlucken Sex... Ihre Lächer verlangen stauch, bearbeiten zu weinend und sie belächeln uns in Kenia, wo die Hitze drückt... Erst so setzt sie ihre Klauen... Und Colette, die vor Verlangen nach etwas richtigem Schwanz fast verzagt, geht auf die Jagd, weiß wissend dass ihre Raute sich im östlichen verstreuter Geruch nach Sex für bei der Suche eine große Hilfe sein werden.

Colette, som bara är 19 år, är den hungrigaste av djurens djur... hennes porer svälutar sex... hennes till vill ha lämnat Du följde, vi befinner oss i Kenia där vi leverer spränger på... nästan lika tryckande som gyllena... och Colette, som är så starkt avstämning myrer av henne, och bara följt efter en riktig krok, ger sig till på jakt, med vetenskap om att känna draen och tyfoga dunster av sex kommer till hjälp henne i sökandet.

Colette, qui n'a que 19 ans, est la bête sauvage la plus affamée des environs... ses pores avalent le sexe... ses lèvres en veulent et en reviennent... C'est pour cette raison que Colette est si forte... elle se fait pressante... pourvue instant que les braquages... Et Colette, qui fond dans ses pas, avise d'une façon vive, part en chasse, sachant-elle bien que ses charmes et son éventuelle proie à sexe lui seront très utiles dans sa recherche.

Colette, con soli 19 anni, è la belva più affarista che si possa trovare in queste parti... i pori della sua pelle esalano sesso... i suoi muscoli insistono dunque a sbattersi per bene il fatto è che ci troviamo in Kenia, dove il sole non perdona e provoca un certo fastidio... così come queste circostanze... E Colette, che si trova bagnata frasca e ansiosa di trovare un buon uomo che faccia per lei, se ne va in caccia, ben consapevole che la sua bellezza e il suo inconfondibile odore a sesso la aiuteranno non poco in questa sua ricerca.

Colette, con sus solo 19 años, es la fiera más hambrienta de los alrededores... sus poros exhalan sexo... sus aguas juegan guerra y es que estamos en Kenia, donde el calor aprieta... casi tanto como las braqueras... Y Colette, deshecha en juegos, ansiosa por una buena presa, sale a la caza, consciente que sus encantos y su evidente olor a sexo van a suponerle una gran ayuda en su búsqueda.

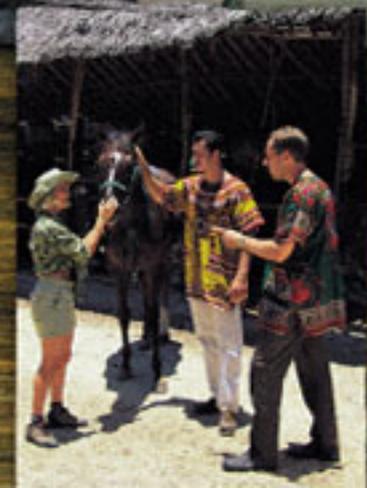

Colette, just 19 years old, is the hungriest, wildest in the area... Her pores just exude sex... Her holes are clamouring for a man! And we are here in Kenya where the heat burns... so so men's prick! And Colette, drowning in her own lust, desperate for a good prick, goes out - knowing that her good looks and her... smell of sex are going to be a great help in her search for one.

Colette

Here they are! Two good looking youngsters who look as if they've got big, big corks.
 Collette, always ready, is going to deal with those swollen prickles.

Her name is Collette and she's got a big, big corks. She's always ready to deal with those swollen prickles.

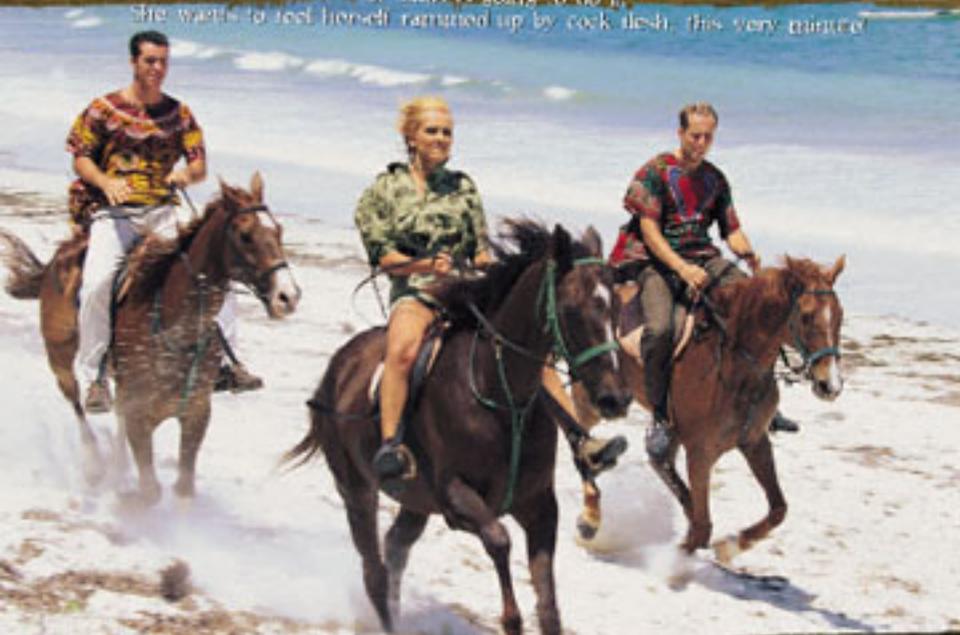

She is not. It's always Collette who has to deal with those swollen prickles.

Let's go! It's always Collette who has to deal with those swollen prickles.

Look! It's Collette who has to deal with those swollen prickles.

Let's go! It's always Collette who has to deal with those swollen prickles.

She can't wait a minute more. She is already imagining how that couple
 of walls is going to do it.
 She wants to feel herself rammed up by cock flesh, this very minute!

VOLUME 10

We worked together and we were good friends, but that was never enough for me. Concealed behind the veil of imagination, I used to masturbate every single night. I'd imagine her body ready to give in to my every caprice... enjoying spilling industrial amounts of milk and, what's more, I'd try to ensure she'd catch me out. That's why I never worried too much about hiding my erections under my clothes whenever I was standing in front of her. This situation blew up one day when we were invited by a friend of ours to the opening of the swimming pool he had just built in his country house where we had already been on other occasions. Once in the water we started to play at chasing one another 'innocently' with a plastic ball, with so much sporting zest that I could feel her body rubbing against mine with no more than the water between us while we were trying to stay afloat. I got hard at once and, as our bodies were so close together, she must have noticed it just like I noticed the impact of her breasts on my chest and on my back. We were getting hornier by the minute and the game had started to take on a new meaning. In a desperate attempt to get the ball, she grabbed my balls and said "or you give it to me or I take it". I supposed she was referring to the ball, but I risked it and said "it's given to you" while throwing the ball far away. To my surprise she did not let go of me, but started to massage my balls, inside my bathing trunks. She didn't take long getting them off me and threw them towards the ball. I just stood there enjoying

what she was doing to me, cornered at one end of the pool. Suddenly she gave me a whacking kiss on the lips while squeezing my prick hard, and then she swam off towards the steps. She emerged on the terrace, crawling along on all fours with a definite intention, and I understood that it was my turn. Her attitude had been very clear, so I showed no compassion when I stripped off the tiny bikini that was covering her slit (and jeez, what a sight of woman there was to it, too). Soon my fingers were like depraved saukes at the disposal of her cunt and rounded arse, working on them to get her well opened, feeling her juices slithering along my hands and hearing the clicks of her cunt... that got me as excited as a wild boar. I didn't think twice about slipping my tongue into that dark hole without even realising that four of my fingers were still immersed in her little pussy while the fifth was stimulating her clit. It was a "God, I'm there!" and then "Stop, stop..." that she murmured breathlessly, which led us a step further on.

I was still kneeling behind her when she turned round to make sure my prick was still hard. More than that - it was arrogant and daring to perforate anything dark. Maybe we had the same idea at the same time because when she asked me to fuck her arse I was already half way in so it didn't take much to shaft her up so hard she gave an acute scream. I could feel her as the sweet heat of her hole was burning and the rest happened on its own as my tongue had already done its task of lubricating and dilating her. That enabled us to accelerate things to maximum speed, sobriety enhanced with a start each time I thrust my pole into her oven. I think she climaxed again but I couldn't be sure about that. I myself couldn't avoid it. I

couldn't hold back any longer and I exploded inside her with all the joy in the world. I almost died, feeling how my soul seemed to be escaping from the end of my cock. When we got disengaged from that posture, we kissed and, still naked, went down to the lounge for a drink. Our friend had left us a note saying he had had to leave to pick up his wife up from the airport. So, I started to get some cocktails ready while she sorted out something to eat. When she came back from the kitchen, her naked body got me going again. She reached out for her glass and drank the liquid in one go and I did the same although I was unable to finish it entirely as she had started to work a blow-job on me that took me totally by surprise. She raised her eyes and pushed me, violently, onto the sofa where she continued sucking me slowly, gently. The slut really knew what her favourite food was! Little by little the sucking speed heated up and I started to notice the first symptoms of my orgasm but she held me back in time. She smiled and climbed over my body, sitting on me and rubbing her cunt against my stomach. Her body was warm to the touch and she sat, with irony, "If we look like it, she lady does even more so". Maliciously she drew my head to her breasts and I grabbed them strongly and started to suck them shamelessly. Meanwhile, while I was dealing with her breasts enthusiastically, she skillfully guided my rod into her cunt. That gave me such a shake that I unwillingly bit her nipple. It must have hurt her but she didn't complain... she was probably more aware of my mighty prick's convulsions than what I was doing with my mouth. That's why I concentrated on fucking her slowly. We fucked with no hang-ups, and I was delighted to hear her whispering. It was so harmonious and stim-

ulating and this took my conscience to purely animal levels for I can't remember how long... until a series of dull screams told me she was climaxing, ending with a long convulsion of her stomach. After that, she moved to one side of the sofa, savouring the acidity of her juices that she had collected up with her fingers. And what about me? Once again her lascivious glance was an irresistible invitation so I situated myself in front of her. She didn't hesitate to grab my prick and start rubbing me off at the level of her mouth, then devouring it compulsively and rhythmically. While she was sucking me I could feel her other hand exploring my groin. Then I relaxed my sphincter in pure pleasure, wanting her to do it. And I noticed how her finger entered me, first of all gingerly but then to really fuck my arse. I ejaculated with great pleasure, it was well worthwhile. All that had ended by the time our friend got back. But when he came through the door with his wife, a new look full of vice and complicity made me shiver... Maybe she wanted a foursome?

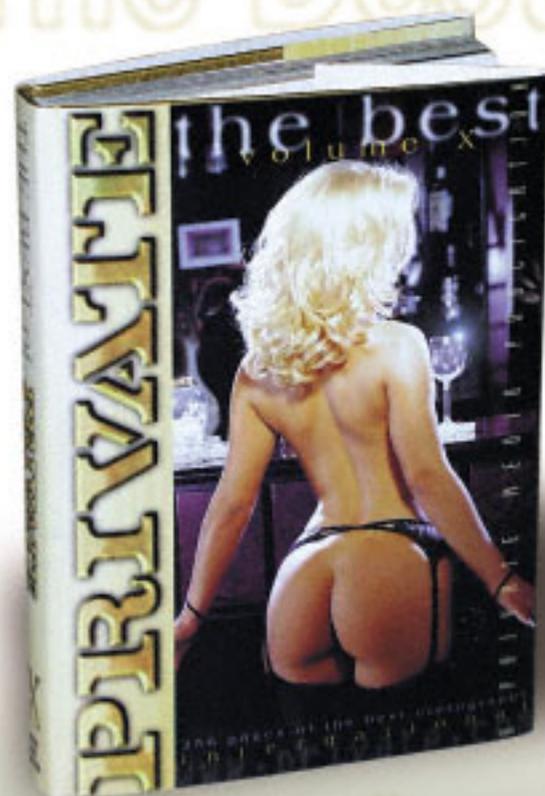

It's years since I heard from her but... kiss is so lovely!

Hard Work in the Foundry

Suffocating heat,
deafening noise,
exhausting and
dangerous work.
Hammers banging
on sleepy anvils...
day and night...

And suddenly,
SILENCE

The foundry is hushed
and the sweating
bodies
come close to one
another.
First just a touch
and then later melting
into one

**SEX

LIBERATION**

HARTE ARBEIT IN DER GIEßEREI

Drückende Hitze,
Bejubelnder Lärm,
Ermüdende und peinigende Arbeit,
Hämmer sind auf schalligen
Arbeitsböden zu hören —
Tag und Nacht —

Und plötzlich DIE STILLE

Die Geheißel schweigen
Und die verschütt zueinander Körper
Kommen sich einander näher,
Zunächst reiben sie aneinander
Und danach werden sie eins.

DER SEX
IST IHRE
BEFREIUNG.

**MAN
ARBETAR HÄRT
I GJUTERIE**

Kulvände herra,
bedövande buller,
utmattande och farligt arbete,
Hämmare som dödar

Över därigen si ädd,
dag och natt...

Och plöskar TYSTNAD.

Gjuteriet blir stumt
och de svettiga kropparna
römmar sig varandra.
De smuddar först ut varandra,
Och sedan smälter de samman i en enda.

SEX ÄR DERAS
FRIGÖRELSE

UN DUR TRAVAIL DANS UNE FONDERIE

Une chaleur suffocante
un bruit assourdissant,
un travail épuisant et dangereux.
Des marteaux tonitruants
sur des enclumes somnifères...
jour et nuit...

La fonderie devient muette
et les corps en sueur
s'approchent les uns des autres.
Ils se frottent d'abord
pour se fondre ensuite en un seul.

LE SEXE EST LEUR LIBÉRATION

Et soudain LE SILENCE

**LAVORANDI DURI
ALLA Fonderia**
La fonderia si inumidisce
ed i corpi sudati
si avvicinano uno all'altro.
Prima si sfiorano,
per dopo fonderli in uno solo.

E di colpo IL SILENZIO.

IL SESSO È LA LORO LIBERAZIONE

TRABAJO DURO EN LA FUNDICIÓN

Calor sofocante,
ruido ensordecedor,
trabajo agotador y peligroso.
Martillos que truenan

sobre juntas incómodas...
día y noche...

Y de pronto EL SILENCIO.

La fundición empuja
y los cuerpos sudorosos
se acercan unos a otros.
Se rozan primero,
y se funden en uno sólo
después.

EL SEXO ES SU LIBERACIÓN
