I would also like to perform a piece with this prodigious instrument...

Just like that... but look at the score, you don't want to miss a note!

Remember, get your fingers... left and right...

Judith— Ich würde auch gerne auf diesem Wunderinstrument instrumentieren...

Léona— So gerne ja... aber ich bin auf die Partitur... nicht auf die rote Note übergelegt...
 Sophie— Das ist es. Das da, weißt du...
 Judith— Aber nicht hier...

Judith— Ich will auch fröhlich ein Stück auf ihr Wunderinstrument instrumentieren...

Léona— Ja, ja, ja... was ist die rote Partitur...
 Ich bin auf die rote Note übergelegt...
 Sophie— Ja, das ist das, weißt du...
 Judith— Aber nicht hier...

Judith— Moi aussi je veux instrumenter sur plus avec cet instrument prodigieux...

Fredérique— Comme ça, comme ça... mais regarde bien la partition... il ne faudrait pas que tu sois sur une note...
 Sophie— C'est ça, c'est ça. Le rouge-là... absolument pas instrumenter.

Judith— Anche io voglio instrumentare su bene con questo prodigioso strumento...

Fredérique— Sì, così... però guarda la partitura... non devi essere sulla nota...
 Sophie— È lì, lì, lì...

I had some doubts for a long time before writing you this letter as it expresses a very intimate experience. But, after thinking about it, I believe it is worthwhile sharing with all your readers, and above all your female readers, this adventure that a very logical sense of modesty impeded me from revealing. Indeed, I think it should be tried to the full and that there is no need to be ashamed of what one fantasies or of one's fantasies. I hope my example will free other women so that they, too, can live their desires naturally.

Just after last Christmas, I was at a party with a group of friends. We had been to a discotheque and I admit I had rather too much to drink. I was euphoric and excited. I took advantage of the occasion to provoke a couple of my friends a bit - two single guys about twenty years old. I didn't have any plan in my head, but I felt like seeming sexy and getting them excited. I let them fondle me a bit in the dark of the room and led my hands into their jeans and down along their shirts. At around three in the morning one of them, after exchanging a glance with the other, proposed taking me home in his car. I accepted without thinking too much, thinking that there would be plenty of time to wind down once we were in town, and then go home. On the way back, they were joking about the girls at the discotheque and telling jokes about sex. As I'm no prude, I laughed with them.

When we got to the place where the guy who was driving lived, we went up to his apartment. I just went along with things and, without knowing how, I found myself sitting on the sofa between them. There was an embarrassing kind of silence and all three of us were looking at one another without knowing what to say. Suddenly, everything happened very fast. One of them, Xavier, put his hand on my thigh and started to grope me. The other, Christian, started to kiss me on the neck and then on my mouth. I went along with their caresses that were getting hotter and hotter. They removed my clothes slowly and undressed their parts. In a short time, all three of us were naked. What an exciting feeling! I was to be desired by two men at the same time while I was touching their bodies!

Xavier went out for a few seconds to go and get some condoms from the bathroom. Meanwhile, Christian was sucking my breasts and getting lower and lower down to my stomach. I was burning like a coal and willing to give in to all my fantasies. When Xavier came back I grabbed his organ and was swallowing it before he could say "that prick's mine" - it got bigger and bigger until it filled my whole mouth, while I, at the same time, was whimpering at the oral caresses that Christian was giving me. I asked him not to make me climax at once. He cut a condom on and went deep inside me, which was what I desired most of all. First of all he went slowly, but then faster and faster and deeper. After a moment, Xavier asked me if he could take Christian's cock. I said yes because I was ready for anything. I got on all fours on the carpet and Xavier penetrated me like a bitch. Christian sat in front of me and I started to suck on him. I felt totally happy. One was giving me intimate pleasures in the depth of my vagina while I, with my tongue, was giving the other one certain sensations that were more than euphoric to the two.

Suddenly, Christian moved away and placed his prick above my ass. I was a bit scared that he would hurt me but he put it inside me very slowly. I noticed how he was penetrating me centimetre by centimetre, and then the to-and-fro started. For a moment I had the feeling that I was behaving like a real slut, but it was only a passing thought... really, I thought I was doing things just fine and that life was there to be enjoyed.

Not long afterwards, Xavier asked me if I wanted to try it with both of them at the same time. I was in such a state of excitement that I said yes at once. Christian came out of my ass and lay on the floor. I squashed over him and placed his cock in my vagina myself. Then Xavier got behind me and told me to arch my back well. I felt how his prick was forcing its way into my ass and I thought it would never go in. But, very gently, he opened up the way and I suddenly found myself stuffed full on both sides. I had never felt anything like that before. I felt completely open and what's more I thought it was fabulous. They grabbed me between them and both came up, firing to the hat of my holes. I was ready to climax about half an hour before, but I wanted the complete penetration to continue. I was so fully satisfied it could be seen on my face and the three of us participated with no restrictions or holding back. Xavier, who was accelerating his to-and-fro in my ass suddenly let go a scream and his cum made my ass shiver. Then he came out. Christian then turned me on my back and started to penetrate me. The speed and violence of his moving in my vagina were enough to make me rapidly climax, very intensely. Just a moment later he let go, too. We kissed each other and lay still for a little while, embracing to recover from that savage ride. At dawn, I left them and went home to sleep.

I saw them a few days later and we exchanged the smile of accomplices. Maybe we will make love again together one day. But I won't be telling you any details about my future jaunts. I only wanted to let you witness the pleasure that I felt at this first experience and to encourage other men and women to live their sexuality to the full. I don't want to encourage anyone into going wild or into committing adultery, but I would like to help others overcome prejudice and to let themselves be opened away by impulse and their own imagination. I hope my story, which is a true one, will be a stimulus for others if it is published.

Thanks in advance.

Nicole
