That morning, it seemed that the day had not started well for me. It was mid June, the sun was blazing hot and a hard day's work awaited me. As I walked down the street, the swinging gait of a splendid blonde caught my attention. She was wearing extra-tight jeans that shaped her buttocks in two round and firm forms. It had been months since I had fucked for the last time so it was clear that I was about to burst. My blood froze in my veins as I watched her move in such a provocative way in front of me and I could not help following her. I sidly observed her tempting swing.

The rhythmic movements of her hips absolutely hypnotized me and I could not help picturing myself plunging my cock into her wet cunt. Her jeans were so tight that I could clearly distinguish the mini tanga she wore underneath. She could hardly be older than 18 but the way she walked could hardly leave anybody indifferent. The bitch. She knew that she was a sex-bomb and that she was playing cat-and-mouse with me. She had clearly noticed that I was following her. From time to time she turned around and I could see the beginning of a smile on her lips. She really had the looks of a bitch. God! How she set me on fire! I could not bear to watch her movements, the way she swung her hips; she really looked like a woman in heat.

Suddenly, she disappeared around a corner and I lost sight of her. I hurried up to enter the same street but to my great surprise she was nowhere in sight. I was about to turn around when I suddenly felt a hand grabbing hold of me and pulling me into the house. I could not believe it. She was doing it! In a jiffy, she had me on the floor and straddled me. With her hands on my chest, she slowly nibbled her arse on my cock that was imprisoned under my jeans. My excitement was reaching levels of paroxysm. She lifted my T-shirt and started to kiss my chest. The contact of her wet mouth on my burning skin only increased my desire, while the movements of her tongue swiftly dropped to my belly. Her expert hands undid my jeans and hardly half a second later she was taking my balls. She played around, taking them delicately into her hot mouth for a few seconds at a time. I could feel the warm and soft movement of her wet tongue on my balls. Boy! How was so much pleasure possible? She was certainly not a novice. She had surely started these games very young. Finally, she put her mouth around my cock and swallowed it all. A shudder ran through my back. She was fiercely sucking me, as though she had not had a cock for years. Her long silky hair spread all over my stomach and this only increased my pleasure. I thought I would die when she got up to remove her tight T-shirt, exposing her magnificent breasts; at least a 95. Her body was perfect. She turned around to show me her sun-tanned back. Her jeans were stretched tight between her buttocks and the sight of it drove me mad. She slid them down slowly until her tanga appeared; it only enhanced her buttocks worthy of a goddess. I could not bear it longer so I threw myself on top of her, stood her up against the wall, ripped off her tanga, and put brutally made her sit on a table. Finally, I plunged my cock up to the hilt in her

driving cunt. As I did this, she wrapped her long slender legs around me, clung so hard on to me that her breasts squashed themselves against my chest with a dry and deafening sound. I accelerated my movements as though I wanted to burst her cunt open. I had the impression that I was going to squash her against the wall as my movements became faster and more violent. The more I fucked her, the more ecstatic and arousing were her groans. This only served to unleash a bearish fury in me. My cock was about to explode when suddenly she turned around to expose her delicious arse to me. In a second I had her against the wall in such a way that I could admire her body and well shaped buttocks. I knelt down and plunged my face into her arse. I was in heaven; my nose was in level with her anus and my tongue entered the deepest corners of her cunt. The aroma that invaded me at that precise moment fertilized my passion to heights they had never reached before. After having tasted her cunt and its savor for a long moment, I separated her buttocks slightly and, for a few seconds admired her slightly pinkish hole before delicately inserting my tongue in it. At that very moment she let out a long and voluptuous groan. Inside her tight anus, my tongue moved around like an eel in the water. At that moment I literally wanted to eat her anus.

After having excited her sufficiently with my tongue, I stood up to sodomize her. My cock was attracted by that tight little hole. But she turned around and fiercely opposed it saying that she had "never done it there". She resisted violently but I managed to dominate her. I held her against the wall and stuck my cock in so deeply that she let go a cry of pain. All this did was to heighten my pleasure, so much that I was about to ejaculate. I was inside her, feeling her heat around my cock. The contact of my balls with her soft skin took me to levels of pleasure I had very seldom reached. I stayed quiet for a few instants savoring the moment when my cock was in the depths of her anus and feeling the regular contractions of her sphincter that had been penetrated for the first time.

She slowly abandoned all resistance and let herself be fucked in the arse, like a bitch in heat. Her hole was so narrow that I had the feeling that my cock had doubled in size. Finally, the moment came when I could not bear it up any more and flooded her little arse with my semen. I barely had time to withdraw that she got down on her knees to finish the job by cleaning my cock with long and ferocious strokes of her tongue.

Definitely, the day wasn't going to be that bad. She gave me her phone number asking me to call her whenever I wanted to.

Michelle: She's so accommodating

Hi there everyone. A few years ago I was working as a congress hostess when I discovered my true vocation... I realised how much I liked to make sure that my clients enjoyed my company. Now I only work with groups, just men, although not too many at the same time... Why just men? That's easy, because I'm just crazy about dicks, of course!

Hallo! Vor einigen Jahren arbeitete ich als Hostess auf Kongressen und entdeckte dann meine wahre Berufung ... Ich stellte fest, wie sehr ich es auskostete, wenn ich spüre, wie meine Runden meine Gegenwart genießen. Jetzt beschäftige ich mich mit Gruppen, die nur aus Männern bestehen und deren Anzahl nicht allzu groß ist ... Warum nur mit Männern? Nun, sehr einfach, weil mich ihre Schwänze verückt machen!

Hes görer allihop. För några år sedan arbetade jag som värdinna vid kongresser och uppledde då mitt första kall. Jag uppledde hur mycket jag tycker om att vara så att mina kunder gillar av min närvaro. Så numera älskar jag mig i grupper. Grupper med bara män och inte alltså några. Vad är bara män? Mycket enkelt. Därför att kvinnorna gör mig väldigt så kort!

→ **B**onjour les gars. Il y a quelque temps j'étais hôtesse de foires-expositions, et j'ai trouvé ma véritable vocation... J'ai constaté le grand plaisir que j'éprouve en voyant jour mes clients de mon allure. Maintenant je me consacre aux groupes, non que d'hommes et pas trop nombreux... Pourquoi rien que d'hommes? Très simple. Parce que les trroutes me font tourner la tête, bien sûr!

Save a milf. Alcuni anni fa ho lavorato come hostess di congressi ed ho scoperto la mia vera vocazione. Mi sono resa conto di quanto mi piace far sì che i miei clienti godano con la mia presenza. Adesso mi dedico a gruppi, solo di uomini non troppo numerosi... Perché solo uomini? Molto semplice. Perché in qualsiasi per i cazzi, chiam!
