Mona Green and Babylon are jaw born competitors, disputing every point to the bitter end. Often dissatisfied with way things have gone across the net, out on court, revenge must be meted out in the dressing rooms, far from the prying eyes of the crowd. Getting your own back just tastes so sweet, such a passionate thrill...

Mona Green und BobbyLoe sind für den Wettbewerb geboren. Um jeden Punkt zu kämpfen, bis das Areal durchgeschwitzt ist - das ist ihre Welt. Aber oft reicht ihnen die Herausforderung auf dem Platz am Netz nicht, und sie tragen die Kränche fern der indiscreten Blicke in der Garderobe aus. Mona Green et Babylon sont nées pour la compétition. Elles travaillent dur pour emporter chaque point. Le défi devant le filet du terrain souvent leur semble insuffisant, et elles prennent leur revanche dans les vestiaires, loin des regards indiscrets. Les déléguements ont toujours une valeur ajoutée qui les rend bien plus passionnants...

An indecent waitress?

helena

helena is a really straightforward and natural girl. she doesn't ask for much out of life and tries her best to avoid undue complications. for several weeks now she's been working as a waitress and she's delighted with her new job. every day she gets to meet nice people and chat away with them for a few minutes in the smoky cafe. however with some of them it goes on for more than just a few minutes.

Now that's a real gift, being able to enjoy the little things that chance brings your way, although these ones are not exactly little.

Helena ist eine einfache, natürliche Frau, die keine großen Dinge vom Leben erwartet, und die auch nicht tut, um sich ihr Leben

schwerzumachen. Seit einigen Wochen arbeitet sie als Serviererin und ist mit ihrem neuen Job sehr zufrieden. Jeden Tag hat sie mit netten Leuten zu tun und kann mit ihnen bei einer Tasse mit heißem Kaffee ein paar Minuten plaudern.

Helena
Ist Helena eine unanständige Serviererin?

Es ist eine besondere Gabe, diese kleinen Dinge zu genießen, die das Schicksal für einen bereithält. In diesem konkreten Fall sind es Dinge, die nicht so besonders klein sind.

En oanständig servitris?

Helena är en enkel och naturlig kvinna, som inte kräver särskilt mycket av livet och som heller inte gör något, som kan krångla till det.

Sen ett par veckor tillbaka arbetar hon som servitris och är mycket nöjd med sitt nya arbete. varje dag träffar hon vänliga människor och får prata med dom ett par minuter över en kopp rykande kaffe. och med en eller annan kanske mer än ett par minuter. det är en gåva att kunna ta tillvara på dessa små saker, som tillfälligheterna låter komma i din väg.

I det här fallet inte särskilt små!

Una cameriera indecente?

Helena è una donna semplice e naturale che non chiede molto alla vita e non fa nulla per complicarla: da un paio di settimane lavora come cameriera ed è molto contenta del suo nuovo lavoro. Ogni giorno ha contatto con gente gradevole con cui fa due chiacchiere alcuni minuti di fronte ad un caffè caldo.

Con certe persone un po' di più. È un vero dono sapere godersi queste piccole cose che ti offre il destino. In questo caso NON così piccoli.

helena es una mujer sencilla y natural que no le pide grandes cosas a la vida y no hace nada por complicársela. desde hace unas semanas trabaja de camarera y está muy contenta con su nuevo empleo. cada día trata con gente agradable con la que comparte unos minutos de coloquio frente a un humeante café.

Helena ¿Una camarera indecente?

Con alguno más que unos minutos. Es un don saber disfrutar de esas pequeñas cosas que el azar te brinda. En este caso NO TAN PEQUEÑAS ...

THE DARK SIDE III

A NEW SEX DIMENSION

A FILM BY ANTONIO ADAMO

AVAILABLE ON DVD AND VHS

CLAUDIA JACKSON SOPHIE EVANS CHRYSTAL MANDY SOPHIE NATALI PETRA SHORT

WRITE TO US!

I'd like to tell you about an experience I had which, for me, was the most revealing ever in terms of sex. At the time I was just 19 years old, and studying the second year of my degree away from home. That summer some new neighbours moved into the flat opposite, and these guys were in the habit of walking round the flat naked from the waist up, and one of the guys in particular, was like something out of a sexy underwear ad. One day that summer I was lazing about on the balcony, soaking up some sun and hoping to catch a glimpse of him through his window. Suddenly, he appeared, much to my surprise, he'd just come out of the shower and was wearing these really tight boxer shorts, giving me an excellent view of his firm rounded buttocks; just imagining him pumping away between my thighs, caressing them with my hands, was enough to send me staggering into the bathroom to relieve myself. No way could I let an opportunity like this one slip by me.

Now, as it happens I have an absolutely sensational body myself (this is no time for false modesty), I'm a real blonde, slim and with a pair of melon-sized tits that simply defy the laws of gravity. I figured this gave me all the weapons I'd need to make my move. So the next time we caught each other's eye, from one balcony to the other, I gave him a friendly wave, and he waved back. Within a week and half we'd started to chat away to each other on a regular basis, first from balcony to balcony, later on the terrace outside the bar, and finally one night I invited him to come back to my place for a coffee. It was no accident that, on that particular night, I'd put on a tight, skimpy bare-shoulder top, and no bra! All evening the poor guy's eyes were fixed on my protruding nipples, the more he gazed the harder they got. Let's put it like this: no way was he going to turn down my invitation!

As soon as we got through the door we headed straight for the bedroom. Without a word I slipped my hands up inside his T-shirt and pulled it off, over his head, pressing my body tightly to his muscular chest, I needed to feel his skin touching mine. He roughly pulled my top up over my head and, before I could lower my arms both of his hands were furiously groping my breasts while his mouth feverishly sought my nipples, sucking and biting on them. I pushed him away a little and started to stroke his pecs, while he lowered his hands and started to fumble with the buttons on my jeans, impatiently pulling them apart and

yanking them down. Taking my stiffly erect nipples between thumb and finger he twisted and squeezed as his mouth moved down, sliding his wet tongue across my stomach and finally, on his knees he pulled my jeans off as he licked and sucked on my inner thighs, moving up one side, letting his heated breath steadily stoke the molten furnace that burned deep within my cunt, and down the other. Knowing what was bound to follow I gasped:

"I don't know if I'll do the same for you!" "Do whatever you want, whatever turns you on", he said huskily. The bastard really knew what he was about. He pushed me back on the bed, forcing my legs apart he kissed my belly, slobbering pools of drool on the creases of my thighs, until I was almost screaming out in pleasure. I so

wanted him to eat me out my cunt, nobody had ever done that to me before. His tongue edged ever closer to my slit, his deep hot breaths driving to dizzy heights with anticipation, and then I felt his hand pulling the elastic of my knickers, which banged my dilated clit, sending a deep rippling shock through my whole body, as he moved it to one side. His mouth took me in a tidal wave of sensations, pulling lips, clit and all into his mouth as his tongue probed deeply and urgently into the very centre of me. I bucked and twisted in uncontrollable pleasure, as he ploughed his tongue between my pussy lips and pushed it

forcefully across my clit, then back and again. He pulled off and my hips pushed my brimming cunt forwards seeking his mouth with desperation. His hands clamped down on my cunt lips, pulling them apart, opening me ever wider as he applied his whole mouth to me, pushing his tongue deeper and deeper. I pulled my legs back and forced my hips forward, seeking more as he gorged himself on my gushing love juices...

But that wasn't enough, he wanted more. I sat up, unbuttoned and lowered his jeans, in a flash I whipped off those sexy boxers, ogling his prodigious, fully erect penis as it sprang back into my face. I grabbed a hold of it. It was as hard as a steel bar, hot, smooth steel, so pumped up it felt like it was about to burst. I wrapped my hand around it and cautiously brought it closer to my mouth, I raised my eyes and saw his face, flushed red and tense with expectation. Little by little I started to slip it between my lips, he groaned with pleasure. I found that it excited me too, as I slipped it further in, wrapping my tongue around it I felt his throbbing heat. I liberally applied saliva to lubricate him, feeling as if he was penetrating my mouth. Wrapping my lips around his hardness, feeling him fill my mouth until I couldn't breathe. I pulled him out to gulp in a mouthful of air and he pushed me back on the bed, fumbling with his free hand to pull a condom from the wallet in his jeans pocket, and slipping it expertly over his cock. Meanwhile I pulled off my sodden knickers and pulled my knees up until they pressed against my tits, offering him my reddened, gleaming slit. He pushed his swollen knob-end gently into me, working back and forward, fucking up and across my clit, pushing in a little and pulling back, flicking my clit. Each time he entered me a little deeper and I felt the walls of my cunt being stretched, as my flowing juices lubricated his steady passage. My body shuddered uncontrollably with every millimetre of progress, his cock felt six-feet long and the depth of my cunt was infinite. Finally I felt his pubis come up against the buffer of my clit, as his balls bounced below. He wrapped his arms around me and I felt my tits, my nipples setting off shocks of tension, squeezed up against his chest.

Holding me firmly with his arms he began to slide out of me, until I felt my lips aching closing

around the hot tip of that sensational cock, then firmly, forcefully back in to the very depths of me, until he jamed once more up against my clit. He pulled out, and pushed in, gradually bringing up the rhythm as my parting breaths became louder and harder. I watched his chest and abdominal muscles contracting and expanding in increasing excitement as he thrust it into me harder and harder, my hands felt the steely contraction of his buttocks. My cunt thrilled and pulsed to the driving force of his thrusts, welcoming every lunge with new heights of ecstasy. I pulled my knees together, and thrust my hips out to meet him and the sensation of pleasure started to blend imperceptibly with that of pain, a pain so delicious that my whole body was impelled forward to meet it head on.

I opened my legs again and he rolled over, pulling me after him. He grabbed his cock and rapidly entered me anew. As I clung onto his throat he grabbed my ass squeezing it painfully between his powerful hands and lowered me back onto him. He lifted my body slithering up his shaft to the very tip then slammed me down as he thrust his hips forcefully up to meet me, jolting my clit viciously with each thrust. I grabbed my tits and massaged them frenetically into his chest, as he slammed into me again until I almost fainted with pleasure. As I watched his muscles pulling back for yet another drive I gasped: "I'm gonna come..."; "Me too!" he grunted, bucking his hips and lifting my body in the air. "Please, don't stop", I begged; as he pulled back and rammed it home again. A glorious explosion of inexpressible sensations, a volcanic eruption of voluptuous, pulsing furore spread from the very neck of my womb, onwards as wave after wave of quivering oblivion swept over me. I could feel his cock swell and pulse until my innards were scorched with boiling jets of cum as he contracted every muscle in his body and ground me down onto his uncontrolled jerking, lurching hips in a fever of release. We fell apart exhausted.

Hey, I'd just love to tell you about some of the other adventures we had that summer, like the time I shaved my pussy, or when I finally got him to come in my mouth. Anyway, hope you got off on this one.

Hugs and kisses, Andrea.

A summer just like any other

Like a true Sagittarius, Greta loves freedom, is always optimistic, often impulsive, and loves to flirt. She hates routine; it drives her crazy and would never ever accept it. If her partner even thinks of making things last, he will be condemned to suffer the most original things in all the aspects of daily life, not forgetting in bed. However since Greta is an intellectual girl and interesting conversation is important to her, if her mate has this gift, then that's something in his favour.

She loves surprise sex: "I fuck you where I catch you", in the open air, even better if they are public places.

She's always at war against routine and she loves to meet new people every day, also boys of course, with whom she flirts with genuine pleasure.

Greta also appears in the following productions:

Alissa & Cindy Espiegles, Charmantes et Sexy

Alissa et Cindy sont en vacances.
Elles sont jeunes, belles, ouvertes et solitaires.
Bon compte de chance elles ont du temps libre,
quelques sous économisés et beaucoup d'envie
de s'amuser. Toutes ces conditions font que tout
homme capable de rendre humides leurs petits
slips devienne automatiquement un candidat
à jouer avec une bonne pipe...

Scherzose, Dolce e Sexy

Alissa e Cindy sono in vacanza.
Sono giovani, belle, estroverse e della "minta facile".
E come coloro dei calmi hanno del tempo libero e
disposizione, soldi da parte e molta voglia di divertirsi.
Tutte circostanze che fanno sì che qualsiasi uomo
capace di scatenare un certo grado di umidità nei
loro slip sia un valido candidato ad un
buon pompino...
