Martina

A few weeks ago I met Martina at a party, between drinks and canapés we got chatting and she ended up by telling me all about her last lewd dream. Actually the subject came up in the first place because the dream started off with her browsing through a copy of the magazine PRIVATE. I was so impressed with the erotic content of her story, and she got so excited telling me about it, that without a second thought I proposed that she should act it out in front of a camera. At first she just laughed at me, and rather than say no, brushed off the whole idea by saying she'd think about it. You can imagine how surprised I was when she called me the following week to tell me that she was prepared to give it a go and that, even more surprisingly, one of her girlfriends was keen to co-operate in the photo session. What had started off as a bit of a joke after a couple of drinks was going to become a reality, at a very special photo session with a couple of extraordinarily motivated "amateur" actresses. Here you have the results, in our opinion a unique documentary record, shot in Martina's flat, the scene where the events of the dream actually took place.

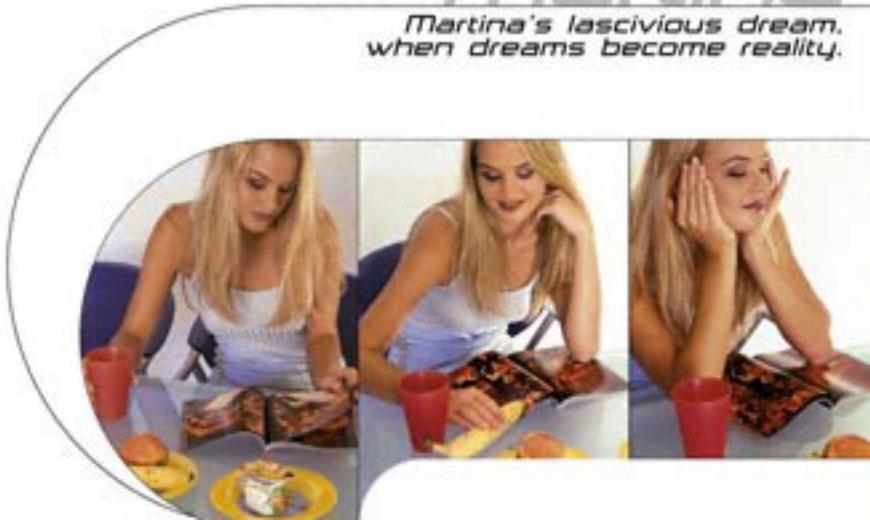

From the world of dreams to the real world, with the minimum of alterations, and all well lubricated. Just take a look...

Von der Traumwelt in die reale Welt - mit nur geringen Änderungen und entsprechend nass. Kommen Sie und sehen Sie sich das an ...

Vor einigen Wochen traf ich Martina auf einer Party. Zwischen Drinks und Häppchen erzählten sie mir ihren letzten nassen Traum. Alles hatte damit zu tun, daß ihr Traum damit begann, daß sie die Zeitschrift PRIVATE durchblätterte. Ich war so freudig überrascht von ihrer Story, und ich sah sie so die Geschichte mit einer derartigen Erregung erzählen, daß ich ihr ohne lange zu überlegen vorschlug, ihre Erzählung vor der Kamera zu wiederholen. Sie lachte herzlich über meinen Einfall, aber um meinen Vorschlag nicht von vornherein abzulehnen, meinte sie, daß sie es sich noch überlegen wolle. Wie groß war meine Überraschung und Freude, als sie eine Woche später an einem Nachmittag anrief und mir sagte, daß sie bereit sei und daß außerdem, was mich noch mehr überraschte, eine Freundin zugestimmt hätte, bei dieser Fotoshooting mitzumachen. Was als Spaß bei einem Drink angefangen hatte, sollte nun mit einer ganz speziellen

För några veckor sedan rådde jag vara på samma fest som Martina och under kvällens löp berättade hon om sin senaste blösa dröm. Hela saken kom upp, därför att drömmen började med, att hon bläcktrade igenom ett exemplar av magasinet PRIVÉ.
Jag blev så djupt imponerad av hennes berättelse och tyckte att hon verkade så upphetsad medan hon berättade, att jag, utan att tänka mig för, föreslog att vi skulle förverkliga den inför kamerans objektiv. I början skvattade hon gott åt mitt förslag, men för att inte ge mig ett nej som svar, sa hon att hon skulle tänka på saken. Du kan ge dig på att jag blev överraskad och glad, när hon en vecka senare ringde, för att tala om att nu var hon beredd och, ännu mer överraskande, om det nu är möjligt, så var en av hennes väninnor beredd att delta i fotograferingen.

La materialización de un sueño húmedo. Gran exclusiva para Private.

Vad som hade börjat som ett skämt med en drink i händerna skulle bli verklighet i en mycket speciell fotografisk session med ett par extra motiverade "amatörer" som skådespelare. Det här är, enligt vår uppfattning, ett unikt grafiskt material, som togs i Martinas egen våning, vilket var det ställe där handlingen hade utspelat sig i hennes dröm.

Från drömmarnas värld till verkligheten, med minimala förändringar och vederbörigen smart. Kom hit och kolla!

Il y a quelques semaines j'ai rencontré Martina dans une fête et après plusieurs rhum-Coca et quelques canapés, elle m'a raconté son dernier songe lubrique. Tout avait un rapport, puisque le rêve commençait lorsqu'elle se mettait à feuilleter un exemplaire du magazine PRIVATE. J'ai été agréablement surpris avec son histoire, et je l'ai vue tellement excitée au fur et à mesure que l'histoire avançait que, sans m'y repenser, je lui ai proposé de matérialiser son songe devant l'objectif de la caméra. Au début, elle s'est mise à rire devant ma

proposition, et pour ne pas me dire non, elle m'a fait croire qu'elle voulait le penser. Mais, quelle belle surprise j'ai eu lorsqu'une semaine après elle m'a appelé pour me dire qu'elle était disposée à le faire ! Et pour couronner le tout, et ça encore plus étonnant, une amie à elle était aussi disposée à collaborer dans la séance photographique ! Ce qui était commencé à la ripolade entre copains, allait se faire réalité dans une séance photographique très spéciale, avec des actrices amateurs extraordinairement motivées. Et voilà le

Alcune settimane fa incontrai Martina ad una festa e, tra un rum e un canapé, mi raccontò il suo ultimo sogno lubrificante. Il tutto sembrava fatto apposta visto che il sogno iniziò mentre lei stava sfogliando un numero della rivista PRIVATE. Rimasi così positivamente impressionato dalla sua storia e la vidi così eccitata mentre lei raccontava che, senza pensarci su due volte, le proposi di materializzarlo davanti all'obiettivo della camera. settimana più tardi mi chiamò per dirmi che era pronta e che, ancor più sorprendente se possibile, una sua amica era disposta a collaborare nella seduta fotografica. Quello che era iniziato come un semplice scherzo si stava per realizzare in una seduta fotografica molto speciale con delle attrici non professioniste straordinariamente motivate. Questo è il materiale fotografico, secondo noi del tutto unico, realizzato in casa di Martina. Luogo in cui si sono svolti i fatti del suo sogno.

Martina's lascivious dream

Hace unas semanas coincidí con Jana en una fiesta y, entre cubeta y canapé, me contó su último sueño lúbrico. Todo venía a cuento porque el sueño empezaba con que ella estaba leyendo un ejemplar de la revista PRIVATE. Quedé tan gratamente impresionado por su relato y la vi tan excitada contándolo que, sin pensármelo dos veces, le propuse materializarlo frente al objetivo de la cámara. Al principio se no con ganas de mi ocurrencia y por no darme un no por respuesta me dijo que lo pensaría. Cuel fue mi sorpresa y alegría cuando una semana más tarde me llamó para decirme que estaba lista y que, más sorprendente si cabe, una amiga suya estaba dispuesta a cooperar en la sesión de fotos.

MARTINA nos cuenta su sueño y accede a representarlo. La materialización de un sueño húmedo. Gran exclusiva para Private.

Lo que había empezado como una broma con una copa entre las manos se iba a hacer realidad en una sesión de fotos muy especial con unas actrices "amateur" extraordinariamente motivadas. Este es el material gráfico, a nuestro juicio único, fotografiado en el propio piso de Jana, escenario donde se habían desarrollado los acontecimientos en el sueño.

Del mundo de lo onírico al mundo real y todo con mínimas alteraciones. Todo debidamente lubricado. Pasen y vean...

More than a Showgirl

We wanted to find out exactly what it was that was making the new nightspot so popular. It wasn't by any means the first to put on SHOWGIRL acts, some of which are truly amazing! So what lay behind the extraordinary success of this new place? Everything seemed pretty much par for the course. A beautiful girl, like so many others that go in for this line of work, with a sensational body, which she really knows how to move to maximum, spellbinding effect. Very unimpressive! The guys watching her seem to be mesmerized, and I must confess that I can't take my eyes off her either! The trick is, she seems to be enjoying the show just as much as her audience. She hasn't got one of those mindlessly hot, malicious, the distance attitude, that we all too frequently witness with show girls, and for the places too. She's warm and friendly with the spectators, goes down there among them, talks to them, seems delighted to accept a drink when it's offered.

Mehr als nur ein Show-girl

Wir wollten herausfinden, warum sich die neue Bar einer solchen Beliebtheit erfreut. Es ist ja nicht das erste Lokal, in dem SHOW-GIRLS auftreten sind. Einige von denen waren nämlich unvorstellbar. Obwohl bereits der durchschlagende Erfolg dieser Neuentdeckung. Allen scheint sie gefalle. Es ist ein bisschen Mädchen, wie all die anderen auch, die sich auf diesem Job spezialisiert haben. Ein bezaubernder Körper, eine Begegnung bei einem echten Zecher ist ... wie wunderbar ...

Die jungen - scheint kein Zecher in Trance zu geraten. Auch ich selber kann meinen Blick nicht von ihr lassen. Man hat den Eindruck, dass sie bei dieser Show genauso auf ihre Kunst kommt wie die Zecher. Wie bei solchen Shows und Mädchen blickt, wirkt sie nicht unheimlich fern. Sie hat eine herzliche Ausstrahlung und ist bereit, sich den Zechern zu nähern. Sie macht sich mit ihnen an und ist mit ihnen an, wenn sie das eingestanden wird ...

She even lets them feel her up a little then some more Now she's letting them grope her all over!

sie hat sich sogar ein bisschen streicheln...
dann streicheln man sie noch ein bisschen
mehr... und schließlich geben sie immer
mehr die ihrer Females...

Ms que show-girl Nonna querida conocer
a que se debe la popularidad del nuevo local de copas. No es
el primero en tener SHOW-GIRLS. Algunas cosas necesitan
acontecimientos. A que se debe el alocandor uno del reciente
evento. Todo parece habitual. Una chica que se comporta como una
que se dedica a esta especialidad. De cuerpo impresionante, que
sabe mover con entera elegancia muy simpática. Le
dicen parecen estar en trance mágico. El mismo no puede
aparte ni más de ella, que por cierto, parece estar disfrutando
tanto como un espectador de la actuación. No tiene una
actitud nada distante, como resulta frecuente en este tipo de
chicas y eventos. Le habla con un espectador, se acerca a
ellos, les habla, comparte los copas que le ofrecen incluso
deja que la toquen en pocas cosas tocándole en pocas
cosas y continúa con el magre o

elle avoir même se laisser ingérer au point pour de continuer. la ingérer encore et encore.

Pi che uno show-girl Abbiamo voluto sapere perché il nuovo locale nostrano ha così successo. Non il primo a proporre delle SHOW-GIRLS. Alcune cose non è proprii accendimenti. A cosa doveva l'incredibile successo della recente apertura. Una ragazza normale. Una bella ragazza, come altre che si dedicano a questa specialità. Di corpo impressionante, che sa muoversi con vera magia... molto simpatica... I ragazzi sembrano in trance mentre la guardano. In verità non riescono a distogliere lo sguardo da lei, e a dire il vero, sembra godersi tutto questo i suoi spettatori. Non ha un comportamento distante, come spesso succede con questa genere di donne in tali spettacoli. E allora con i suoi spettatori, gli si avvicina, gli parla, condivide con loro le bevande che gli offrono... addirittura si lascia toccare in poco... ancora in poco... e continuano a sentirle mano.

WRITE TO US!

One day, completely out of the blue, without having seen hide nor hair of each other for four long years, we met right there on the seafront promenade. It was evening and the heat of the day was beginning to ease off. I'd just come out of the cinema and, before going home, I decided to stretch my legs a little, watch the sun go down and get my fill of the fresh sea breezes. As it happened I'd just turned to watch the people strolling past and I saw her, coming right at me.

She was wearing a short, sleeveless top, showing off her belly button, and a miniskirt that barely covered her knickers and emphasised her long, beautifully-tanned legs. Her thick blonde hair wafted in the breeze and her blue eyes, suddenly recognising me, lit up in a warm and brilliant smile.

My heart leapt, as I believe hers did too, as we simultaneously called out each other's names, flinging our arms around each other and then kissing, chastely, on the cheek. We stood back, to look each other up and down, speaking at the same time, trying to pack four whole years into four short minutes. We strolled along, by this time I was listening more than speaking, although even listening was difficult enough due to a desperate need battling within me to reach out and touch her. At one point our hands accidentally brushed against each other and I felt a jolt of electricity that reached right to the pit of my stomach.

I started to get a hard-on and could feel a rapid increase of productive activity taking

place in my balls, a prisoner of the most base instincts I was becoming desperate. Unable to keep on strolling I decided to make my move. I grabbed her by the hand and ran across the road towards the entrance to a small back street. It was much quieter there, and I spotted a van parked on the far corner, up on the pavement, just a couple of feet from the wall. She followed after me holding onto my hand, blushing a little as she sussed my plan. As soon as we

reached the van I pushed her back against it and we started to kiss, chewing on each other's lips and sticking our tongues down the other's throat. Our teeth clashed with the contained desire of four years.

My hands sought out and fondled her tits, while she reached down to squeeze my rock-hard cock.

I grabbed her by the hand again and dragged her round to the side of the van that was next to the wall. I squeezed in and pulled her after me. We just about fitted, pressed together between van and wall we started over, devouring every inch of our

bodies with mouths and hands, squashed up tightly against each other. I managed to lift her top up over her tits, as she undid my shirt, pressing her tits up against my hairy chest, her tremendous nipples digging into me, stiff as doorknobs, her breath coming in short, sharp gasps. I managed to get my hand down, inched up her skirt, and pulled her knickers to one side, discovering that she'd shaved her pussy. I forced her legs apart and slid two fingers deep inside her, she was absolutely soaking wet. I started to frig her energetically with my fingers and could tell by her distracted moaning that it was having the desired effect.

"Fuck me!", she pleaded, almost swooning. There was no stopping us now, but we had to find a little more space and privacy. We managed to squeeze out of the gap, and in a lustful daze I stopped a taxi that took us back to my place. On the back seat of the taxi I managed to slip my hand between her legs again and slide two fingers into her desperately willing cunt, lifting them to her mouth so that she could suck them clean, savouring the tangy taste of her own juices. In the elevator my rampant cock burst free from my jeans, as if by magic, as I struggled with my fly and she knelt before me waiting anxiously to take it between her lips.

"Stop! Stop!" I begged, the elevator had been open on my floor for some time and I was on the verge of shooting my wad. I regained a little control and, picking her up by the arm, raced her to the flat door.

Once inside we left a trail of clothes from the front door all the way to the bed, before flinging ourselves onto it completely naked and forming a savage sixty-nine.

She took the whole of my cock into her mouth, deep-throating me, while I wrapped my lips around her slippery clit, frigging her feverishly with two fingers up her cunt while my thumb probed the depths of her asshole.

Inevitably the final grand climax wasn't too long in coming, at this point she was sucking and tugging insistently on my balls with her teeth as she wanked me frenetically with her hand. With a hip-jerking convulsion I let fly an authentic stream of cum, more plentiful than I'd ever managed before, and as my teeth closed round and yanked on her clit, my cum splashed down on her face, she let rip with her own screaming, convulsive climax, her cunt gushing copious juices and I drank them as she thrust her pussy desperately into my face, at the same time while wrapping her lips round my cock, licking it clean and sucking every last drop out of me.

Our lips once more came together in a fierce kiss allowing our juices to mingle, blending them in an intoxicating and pungent mix of aromas.

We lay back on the bed, breathing deeply and sweating profoundly in the wake of the battle, I glanced down at my dick and observed that it was still as stiff as a pole and ready for action.

The second round that night was just about to begin...

The daughter of a Russian Colonel, Aliza was educated beneath the firm, conservative, military discipline of her father. As an adolescent, this repression made her feel more frustrated than restricted. Like a good Aquarian, she conscientiously hid her anxiety for independence and her desire to experience life in her own way. So, as a young woman, she discovered how to drive the regiment of the soviet army crazy. Every time she needed to assuage her wild sexual energy, she would choose a man, whether foot soldier or captain, and let him pierce her every possible orifice with his boytoy.

Now she is a real woman true to her destiny, optimistic and affectionate, sentimentally attached to a Mafia ring leader, her current patron, without losing her liberty. Having overcome her past, she has become a revolutionary and imaginative Aquarian, with a tendency towards perverse sex which can shock other conventional signs which are seduced by elegance and frivolity. She usually savours her sexual encounters in her imagination beforehand. If you are lucky enough to come across an Aquarian like Aliza, it is most likely because she has seen you in action, and patiently awaits the moment of pleasure that she knows you will relish.

A good way to start is by stroking her calves and her ankles, both erogenous zones for Aquarians. Stroke her lightly and sensitively, not roughly. Then her breasts, the nipples, her buttocks, her lips... But be careful. Remember that she has already imagined you in all the positions, and, given her very personal way of doing things, it is better not to provoke the contradictory side of her sign. She needs space to develop her fantasies, and if you let her take the initiative when handling your cock, which is a certainty, you will only need to administer your and her energies to revel as never before in the sexual act.

Aliza also appears in the following productions:

Silvia is romantic, dreamy and very sociable. She gets on well with everybody. If it was up to her, she would only have the occasional sexual fling, just every now and then... But Mother Nature went and gave her a bombshell of a body, bursting with health, beauty and vitality.

On top of this she leads a very active social life, and between presentations, cocktails, photographic sessions, parties and so on, somehow the occasions and the suitors have become like a non-stop affair. She has got used to these two seemingly divergent tendencies. She is now able to mount all sorts of cocks with blissful, flowing naturalness, as if she had been born for it. True to her astrological sign, her adventures are usually brief but stunning. They are intense experiences, because when she goes for a prick, she gives all of herself, body and soul, and doesn't let go until she's squeezed the last drop out of the tank. Afterwards, she urgently needs to recover her freedom. But her body makes sure that this state, which she considers part of her nature, is just transitory. Who will be the next? You, perhaps?

Silvia overflows with love and peace towards all her lovers. She glows with a personal light which generates a magnetic energy which makes her irresistible to her partners, when she surprises again and again. She yearns to do it in the most frivolous of places: on top of a grand piano in a dance hall, on the bodywork of a pink Cadillac parked next to yours, or in the prow of an outboard going at top speed, always to the limit. If you are the chosen one, we recommend that you abandon yourself to all the carnal demands that she makes, even if they seem extravagant, eccentric or even surreal. When she makes up her mind to have a good fuck, she doesn't hold back. She'll sweep you along like a cyclone, and if you then dare to ask her for more, she'll give you more and more, until you collapse exhausted.

LONG LIVE
SPRING!

VIVA LA PRIMAVERA!

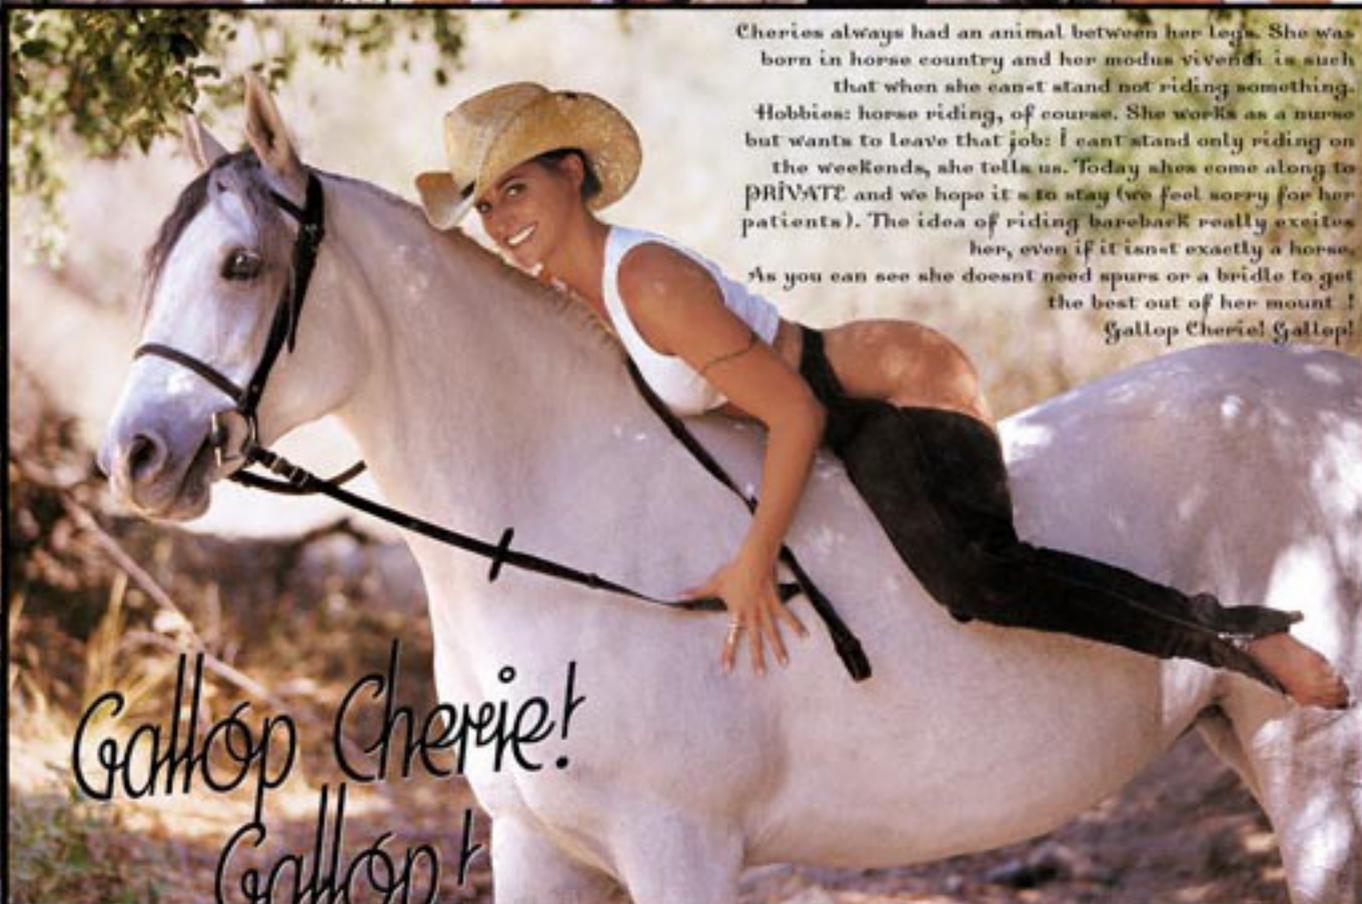

Infa è il nome della nuova attrice italiana che s'incarna, questa volta, in una donna che non si arrende alla primavera "in punta di piedi". Ed infatti, senza paura, di colpo, si è lanciata in una provocazione con un abito che, con i suoi colori, si unisce, fiorisce, si espone. Si è scoperta, si è scoperta, si è scoperta, si è scoperta, si è scoperto il suo corpo sotto i raggi di sole di maggio, come si è scoperto il suo modo di celebrare la primavera? Qual è il canto alla vita per un'avventura? UNA SCOPERTA, senza alcun dubbio!

Inga es el nombre de nuestra granjera polaca
 que al levantarse cada mañana se va
 encontrando con que en otros dominios habia llegado el
 primavera, "de verano". Excitante, sin hacerse la cosa,
 se va lanzando a una frondosa canchales, donde los
 prados mermados por las primeras flores de la
 estación, se va adornado el pelo con un ramillete de
 violetas, se desvistió su cuerpo a los templados
 rayos del sol de esas fiestas tradicionales
 se va preñando a sí misma.
 "Qué es la mejor, forma de celebrar la primavera?
 Qué es el canto a la vida por un momento?
 El POUO, sin lagrimas de ojos."

VIVIR LA PRIMAVERA!

Cheries always had an animal between her legs. She was born in horse country and her modus vivendi is such that when she can't stand not riding something. Hobbies: horse riding, of course. She works as a nurse but wants to leave that job: I can't stand only riding on the weekends, she tells us. Today shes come along to PRIVATE and we hope it's to stay (we feel sorry for her patients). The idea of riding bareback really excites her, even if it isn't exactly a horse. As you can see she doesn't need spurs or a bridle to get the best out of her mount! Gallop Cherie! Gallop!

Cherie hat schon immer ein Tier zwischen den Beinen gehabt. Sie wurde in einem Land der Pferde geboren, und sie kann sich ihr Leben ohne auf irgendetwas zu reiten, einfach nicht vorstellen. Natürlich ist ihr Hobby das Reiten. Sie ist Krankenschwester, will aber aufhören, in dem Beruf weiter zu arbeiten. "Ich kann es nicht ertragen, nur die Wochenenden zum Reiten zu haben", erzählt sie uns.

Heute ist sie zu PRIVATE gekommen und wir hoffen, sie wird bei uns bleiben (was wir für ihre Patienten bedauerlich finden...) Sie ist begeistert von der Idee, ohne Sattel reiten zu können, selbst wenn es sich dabei nicht gerade um ein Pferd handelt. Wie ihr sehen werdet, braucht sie keine Sporen und auch keine Zigel um aus ihrem Reittier das Beste herauszuholen. Reite im Galopp, Cherie, galoppiere!

Cherie har alltid haft ett djur mellan benen. Hon r fdd i hatarnas land och hennes modus vivendi klarar inte av det, om hon inte r uppstigen p nting. Hobbys ridning naturligtvis. Hon r sjukskterska, men hon vill lämna det. Jag str inte ut med att inte f rida annat n under veckosluten berättar hon fr oss. I dag har hon beskt PRIVAT och vi hoppas det r fr att stanna hos oss (vi beklagar att hennes patienter mister henne). Hon r mycket entusiastisk ver perspektivet att f rida barbacka, ven om det inte precis r p en hat. Som ni ser, behver hon varken sporrar eller tyglar fr att f ut det bsta av sin ridning. Galoppera Cherie! Galoppera!!!

Galope Cherie ! galope !!!

Cherie a toujours eu un animal entre ses jambes. Elle est ne dans une terre de chevaux, et d'apr s sa " fa on de vivre ", elle ne peut imaginer la vie sans monter quelque chose. Hobbies : Equitation, bien sr. Elle est infirmire, mais elle veut arrter. " Bien ne puis pas supporter de ne pas pouvoir monter que les week-ends ", nous dit-elle. Aujourd'hui elle est all e chez PRIVAT, et nous espérons quelle y reste pour toujours (tant pis pour ses patients). Elle est tr s excitée avec l'id e de chevaucher " vra i ", malgr que ce ne soit pas exactement un cheval. Comme vous allez le constater, elle ne a pas besoin d'esp rons ni de brides pour faire ressortir le mieux de sa monture. Galope Cherie !, galope !!!

Cherie ha sempre avuto un animale tra le gambe. È nata in una terra di cavalli ed il suo modus vivendi non riesce a concepire di non essere montata sopra qualcosa. Hobby: equitazione, chiaramente. È infermiera ma vorrebbe cambiare. Non sopporta di riuscire a montare solo i fine settimana, ci dice. Oggi veniamo PHOTIE e speriamo che sia per restare lei spiacce molto per i suoi pazienti... È molto entusiasta dell'idea di cavalcare a pelo, anche se non si tratta esattamente di un cavallo. Come potete vedere non ha bisogno di speroni o di briglie per ottenere il meglio dalla sua cavalcata. Galoppa Cherie! Galoppa!!!

Cherie siempre ha tenido un animal entre las piernas. Nació en tierra de caballos y su modus vivendi no concibe no estar montada sobre algo. Hobbies: la equitación, por supuesto. Es enfermera pero lo quiere dejar. No soporto no poder montar ms que los fines de semana, nos comenta. Hoy ha venido a PRIVATE y esperamos que sea para quedarse (lo sentimos por sus pacientes). Est muy entusiasmada con la idea de cabalgar a pelo, aunque no sea exactamente un caballo. Como veris no necesita espuelas ni bridas para sacar lo mejor a su cabalgadura.
