**Cleare** is happy in her new job at **INFERNO INC.** (\*)

Before this she worked in a hairdresser's, which was unbelievably boring. Her new uniform includes a fantastic trident and makes her feel super-sexy. True enough, it is pretty hot, but then she always liked the summer and, anyway, not everybody gets the chance to work in Hell.

## Cleare in Red Welcome to Hell

(\*) **INFERNO INC.** Hell used to be a public company that always recorded losses in the annual balance sheet, but since it has been privatised and is now managed by **INFERNO INC.**, from the very first year, it hasn't ceased to provide vast profits. The new staffing policy is based on getting rid of those bad-tempered old demons and replacing them with rapaciously attractive demonettes. The result is that they are taking a lot of business away from their old competitor, Heaven.

The slogan of this new hell is "HOT AND SEXY".

Clare fühlt sich in ihrer neuen Firma **INFERNO INC** (\*) sehr glücklich. Vorher arbeitete sie in einem Friseurladen und empfand ihren Job als furchtbar monoton. Mit ihrer neuen Arbeitsumgebung, zu der sogar ein Dreizehner gehört, kommt sie sich super-sexy vor. Es ist zwar schon etwas heiß, aber sie hat früher die Sommer immer gerne gehabt, und außerdem bekommt man nicht alle Tage die Gelegenheit, in der Hölle zu arbeiten.

## Clare in Red

Willkommen in der Hölle!

(\*) Die Hölle ist ein Unternehmen der öffentlichen Hand. In früheren Jahren wurden in seinen Jahresabschlüssen immer Verluste ausgewiesen, aber seit es privatisiert worden ist und von **INFERNO INC** vorverkauft wird, hat es schon mit ordentlichen Gewinnen gearbeitet.

Man hat eine neue Unternehmenspolitik angewandt und die alten Teufel durch attraktive Salonschönweiber ersetzt. Der Goodwille, den Himmel und es so sehr schwer gemacht, sind Brüllungen behaupten. Das neue Motto der Hölle lautet: **HOT AND SEXY!!!**

Do you want

**Clare**  
är lycklig i sitt  
nya företag  
**HELVETET INC** (\*).  
Förut jobbade  
hon i en frisyr-  
salong och det  
var fruktansvärt  
monotont. Med  
sin nya uniform,  
som inkluderar  
en fantastisk  
trident, känner  
hon sig super-  
sexig. OK, det  
är lite varmt,  
men hon har  
alltid gillat  
sommaren och  
dessutom är  
det inte vem  
som helst som  
får chansen att  
arbeta i helvetet.

**Clare i Red**  
Välkommen till helvetet

(\*). Helvetet var ett statligt företag, som alltid visade förlust i sina årsredovisningar, men sen det har privatiserats och drivs av **HELVETET INC**, har det visat riktig vinst redan det första året. Med sin nya politik att byta ut de fula och elakartade djävularna mot attraktiva djävullinnor, har helvetet gjort det verkligen svårt för sin konkurrent, himlen. Det nya helvetets slagord är: **HOT AND SCARY!!!**

## Soyez les bienvenus en enfer

**Cleare** se sent heureuse dans son nouveau poste à **INFERNO INC** (\*). Elle travaillait avant dans un salon de coiffure, et ce boulot l'ennuyait terriblement. Avec sa nouvelle tenue de travail, qui comprend un trident formidable, elle a l'air super sexy. Oui, c'est vrai qu'il fait un peu chaud, mais elle a toujours aimé l'été et, en plus, tout le monde n'a pas les qualités pour travailler en Enfer...

(\*): L'enfer avait été une compagnie publique qui présentait toujours des pertes lors des bilans annuels, et du moment où elle a été privatisée et gérée par **INFERNO INC**, dans sa première année les profits sont déjà considérables. Grâce à la nouvelle politique de changer les peu avenants démons par de bandantes diablistes, l'enfer est en train de rendre difficiles les choses à ses concurrents, le ciel. La devise du nouvel enfer est : **HOT AND SEXY !!!**

**Cleare in Red**

### “Benvenuto all’inferno”

Cleare è felice nella sua nuova società INFERNO INC. (\*). Prima lavorava da un parrucchiere e il lavoro ora terribilmente monotono. Con la sua nuova divisa, che include un fantastico tridente, si sente super-sexy. Sì, fa un po' caldo ma lei ha sempre amato l'estate e, inoltre, non è una cosa alla portata di tutti poter lavorare all'inferno

(\*) L'inferno è una società pubblica che aveva forti perdite nei suoi bilanci annuali e da quando è stata privatizzata e gestita da INFERNO IRE, nel suo primo anno ha prodotto ingenti benefici. Con la nuova politica di cambiare i ben bestiti demoni con attraenti diavolusse, l'inferno sta rendendo la vita molto difficile al suo diretto rivale, il cielo. Il motto del nuovo inferno è: CALDO E SEXY!!!

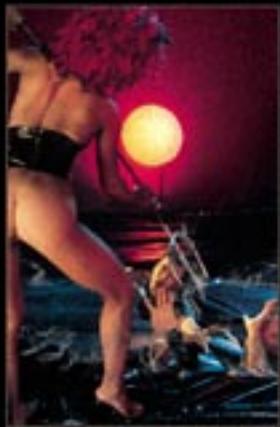

## Cleare

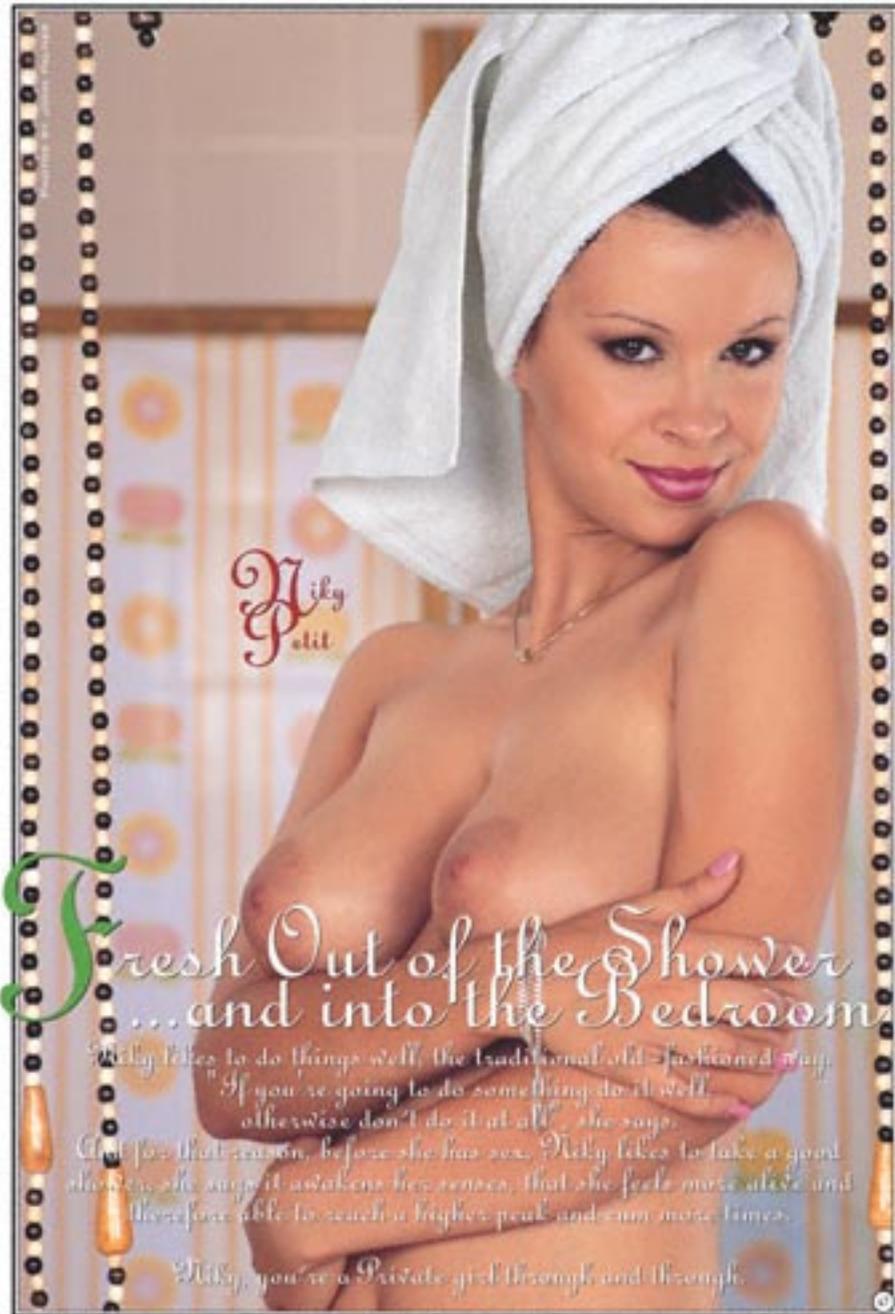

es feliz en su nueva empresa **INFIERNO INC.** Antes trabajaba en una peluquería y aquello era horriblemente monótono. Con su nuevo uniforme, que incluye un fantástico tridente, se siente super-sexy. Sí, hace algo de calor pero a ella siempre le ha gustado el verano y, además, no es algo que esté al alcance de cualquiera el trabajar en el infierno.

\* - El infierno era una empresa pública que daba siempre pérdidas en sus balances anuales y desde que ha sido privatizada y gestionada por **INFIERNO INC.**, en su primer año ya está dando pingües beneficios. Con la nueva política de cambiar los mal encarados demonios por atractivas damas, el infierno le está poniendo las cosas muy difíciles a su competidor, el cielo. El lomo del nuevo infierno es: **HOT ADD SERY!!!**

## Fresh Out of the Shower ...and into the Bedroom

"Niky likes to do things well, the traditional old-fashioned way. If you're going to do something do it well, otherwise don't do it at all," she says. And for that reason, before she has sex, Niky likes to take a good shower. She says it awakens her senses, that she feels more alive and therefore able to reach a higher peak and cum more times.

Niky, you're a Private girl through and through.

Niky liebt es, alles immer gleich strahlend und gut zu machen, nach alter Weise.  
„Wenn du das machst, dann mache es gut, sonst kannst du es gleich sein lassen“, sagt sie.  
Desahl durcht sich Niky gerne, bevor sie Sex hat und lässt sich alle ihre Sinne holen. Eine Suche gibt ihr  
Energie und sie kann so Grenzen überschreiten und mehrere Male kommen.

Niky, du bist ein echtes Private Girl.

Nelly gillar när saker och ting görs  
ordentligt, som man gjorde förr.  
"Om du skall göra någonting, så gör det bra!  
Annars kan du lika gärna låta bli!"  
säger hon. Då är det skälet gillas Nelly att  
ha en ordentlig stretch som sticker upp hennes  
rinnen, innan hon har sex. Det gör att hon  
känner sig mer levande, kapabelt att nå ännu  
längre och för det allt fler gånger.

Nelly är verkligen en Private-tjej.

Niky aime faire les choses comme il faut, à l'ancien usage. Et il faut faire quelque chose, il faut que ce soit bien fait, autrement ça vaut mieux de ne pas le faire", dit-elle. Et c'est pour ça qu'au lieu d'avoir des rapports sexuels, Niky aime prendre une bonne douche pour se sentir bien. Cela fait qu'elle se sent plus vivante, capable d'aller encore plus loin et de s'envoyer en l'air à plusieurs reprises. Niky, tu es une véritable fille Privée.

*Niky ama il suo ben fatto, all'antica.  
"Se devi fare una cosa, fallo bene, se non meglio non farlo", dice lei.  
È per questa ragione, piena di astice delle religioni sessuali. Niky ama  
farsi una bella doccia per ben disciplinare i suoi sensi. Lei fa sentire più  
viva, capace di arrivare più in alto e di venire più dolce.  
Niky, seriamente una ragazza Privata*

A Niky le gusta las cosas bien hechas, a la antigua.  
"Si vas a hacer algo, hazlo bien, sino no lo hagas", dice ella.  
Y por esa razón, antes de tener relaciones sexuales, a Niky le gusta darse  
una buena ducha que despierte sus sentidos. Hace que se sienta más viva,  
capaz de llegar más alto y correrse más veces.  
Niky, eres realmente una chica Prada.

PRIVATE MAGAZINE #174 IN DECEMBER 2002

ELLEN

Looking for a partner to compliment you? Ellen loves pleasing men, and she'll adapt to your needs without a problem.

It's second nature to her to achieve a harmonious sexual act, and the result is incredibly pleasurable.

Libras are extrovert, energetic, communicative and playful. When she was young and virginal, Ellen found the idea of sex attractive.

Her first lesson came from glancing at some erotic videos which her father kept hidden behind the books on the highest shelf in the dining-room. There and then, on top of the rug, she began to fondle her clitoris... With the excitement she carried on rubbing and rubbing, and feeling wet without really knowing why, and ended up thrusting her fingers inside as she suffocated with pleasure.

She remembers it as her first step to womanhood. But, of course, her little fingers couldn't reach to the depths, and to discover the true potential that she had within she went out to find an expert cock. That's how the first boyfriend arrived, then a bed companion, after that the friend of the companion, and later on the professional...

She never imagined that her father, such a loyal lover of porn movies, would shut her out of home precisely for doing what he most loved... even though he was just watching.

As she grew up, Ellen would have one, two or even three lovers a month, thanks to her skill and subtlety at persuading and entertaining the boys so that, without being under any pressure, they would give her what she most wanted - to suck all their energy out directly from their cock.

It could happen to you during one of those frivolous, romantic activities that she enjoys so much, like rowing on a river or dining in a luxurious restaurant. No hurry, no hesitating, just naturally. It doesn't matter where, even in the restaurant rest-rooms before dessert, if the body desires. Firm well-sized breasts, tender soft buttocks, flexible strong legs, hips with the rhythm of a cannon, and two holes ready to receive any size of trouble-shooter. That is what Ellen is like today, with a sloppy tongue that gets you marvellously stiff before exploding for her.

Ellen also appears in the following productions:

Wherever Anita Blond goes the cocks bloom like sunflowers turning to the warmth of the sun. This blond with long shiny hair, dyed black when the script demands, irradiates all the legendary sexual power of Scorpios.

Her hypnotic ability of the nude Venus, arises from virgin nature, seems to guide men towards fornication without any effort. Anita is able to make a capture at an instant when a good male desires her. Many attempt to make her theirs, but little do they realize that it is she, with her skill as seductress, who drags them defenceless towards another of her wild sexual encounters.

It is clear from these meetings that Anita only seeks one thing: to satisfy her own ego by dominating the male by his cock, handing him at her whim until she wins the battle of pleasure. That's how she explores the sensual capacities of her lovely body, and experiences the carnal limits of her sinful sex, trying to beat the record for the total orgasm.

And if Anita sets this target with you, nothing will manage to change her course. So be prepared!

Your first impression will be one of a gentle and affectionate lover, a quality which comes with water signs. But her relationships go much further. They are torrid and pressured, intense devastating one-off adventures.

She is an authentic Scorpio, and she loves exercising her power. Before she gets completely fired up, she'll persuade you, by force, to enlist the collaboration of your best friend to satisfy the carnal pleasures of all her cavities.

A piece of advice: her lovers should use their intuition and penetrate where it seems most idiomtable. Pluto is responsible for the mysteries that stop you from uncovering her personality, although you will notice its influence as the passion intensifies.

And from Mars comes her attractiveness and aggression as she seduces her prey. But don't fear, its all because of her urgent need for satisfaction.

You have to relax and let yourself be carried along by the frenetic rhythm of her body, which will bring the cold element of water to boiling point.

After having appeared both her bodies with handkerchiefs, the ultimate test is to resist her as she sucks on your rod until your balls are completely empty of sperm, as if she were sucking on a straw to catch the last drops of an iced lemon sherbet.

tom meadow, one of the most sought after photographers in the world of porn tells us how he met her.

"I discovered her at a gas station, she was earning a living filling tanks. when I suggested that maybe she could empty mine (an obvious sexual innuendo) she gave me a smile that really blew me away. she hung the nozzle back on the pump there and got right in the car, free as a bird. I was spellbound by her spontaneity. but the story had only just begun..."

perhaps you'll agree with me that the story has many ingredients in common with the smash hollywood film..

con mezzogiorno, uno dei più quotati fotografi del mondo nel porno, ci racconta come Lina conosciuta "Il mio rapporto in una stazione di servizio, è protagonista la vita sessuale e sessuale dopo averlo, questo si avverte il mio come una donna consolazione sessuale mi stupire con un amante che il giorno di mio incontro perfetto, attacco la pistola della ragazza e mi in macchina, fare come un dollaro, quella situazione mi fece stupire, ma la storia stava solo cominciando."

scritto d'accordo con me che la storia ha molte similitudine con il famoso film girato da William...

con meadow, uno de los más famosos fotógrafos del mundo del porno, así cuenta como la convocó. "La invité en una habitación y ella vino a llevar los depositos, a mi propuesta se que vació el mio (con una clara intención sexual) me respondió con una sonrisa que llenó mi corazón estropeado, cogió la manivela del asiento y se sentó a mi coche, literal como un pájaro.

aquella experiencia me llenó, pero la historia sólo acaba de comenzar..."  
convencidos conmigo en que la historia tiene muchas paralelismos con la última película más en Hollywood.
