sono sempre stata piuttosto porcona, ma è stato in quella festa d'inaugurazione quando mi resi conto che c'è una battona dentro di me. Lì succhiai e fui succhiata, ingoidi un cazzo dopo l'altro, esalando abbondanti rigurgiti di caldo flusso... come una cagna in calore... come se fosse uno zampillo...

¡ana úsame Y abúsame

Siempre he sido bastante guarrd, pero fue en aquella fiesta de inauguración cuando me di cuenta que una puta habita dentro de mí. Allí chupé y fui chupada, me tragué polla traj otra, exhalando copiosos borbotones de cálido flujo... como perra en celo... como si de un furtidor se tratara...

Evelyn is a sophisticated woman in every way. Beautiful, elegant, charming and cultured. No easy combination to find, especially alongside such a perfect body. When she was young her father taught her that perfectionism would guarantee success in any project she might undertake. She went to a high class boarding school where she was suitably educated to take on the family legacy, while acquiring the conservative values and refined behaviour of her social class.

A new tutor opened her legs and her eyes, and he trained her in sex as an intellectual activity. From him Evelyn learned that life is more than inheritance, money and companies, there's a whole world of senses to be discovered. The restless Gemini needed to satisfy her overbearing curiosity and, true to her paternal guidance, went in search of perfection. Her continual desire to surpass herself led her to practice more and more, partner after partner, in a complex dance that enriched her thirst for knowledge as she fornicated with men of the widest variety of classes and customs.

Today the Kamasutra has become too small for her. She'll greet you with a perfect swing of the hips which will make your fly ready to burst. But watch out! 'doing it' with her is a real intellectual challenge. What can you add to her repertoire that she doesn't already know? You have to appear wilful and headstrong, and be ready for anything, however difficult it sounds. Use your imagination, and follow her game in the most original way possible. Your only chance is to surprise her. Her virtuosity in the art of elaborate carnal techniques will carry your shaft to an unknown universe of sensations as you explore each of her juicy cavities. She will judge you according to just how long you can hold back your foaming sperm. Poor, good, very good, excellent? Or failed due to excessive urgency. ... And be careful - entranced in her mystic voyage towards perfection, she might not realize that it has actually finished.

EVELYN

The arrival of the summer heat gives our body a new lease of life, stimulated by those refreshing salt-water dips, the lull of the waves as they break onto the beach, and the tranquil passing of time as we laze, flat on our backs, with nothing better to do than contemplate the fantastic view of Alexandra. She's the very first to arrive at the deserted beach each day, clad only with her very skimpy bikini. Wherever she spreads out her towel, civilization emerges as if by magic. In a flash the sea is dotted with dozens of surfers cavorting among the waves, and the beach fills with sweating volley-ball players suffering the burning heat of the sand on their feet, awaiting to be chosen. Its as if the world championships had been organized just for her.

Have you ever seen a crab moving in the sand? It never heads directly towards its destination, but rather approaches from the side. This Cancer girl does the same, as she sits shyly on her towel (oh, to be a towel!) and soaks in the sun. She discovers the most appetizing tackle within the coloured boxer shorts by observing their movements astutely, and then makes sure that their owners do not pass by without collecting their well-earned prize.

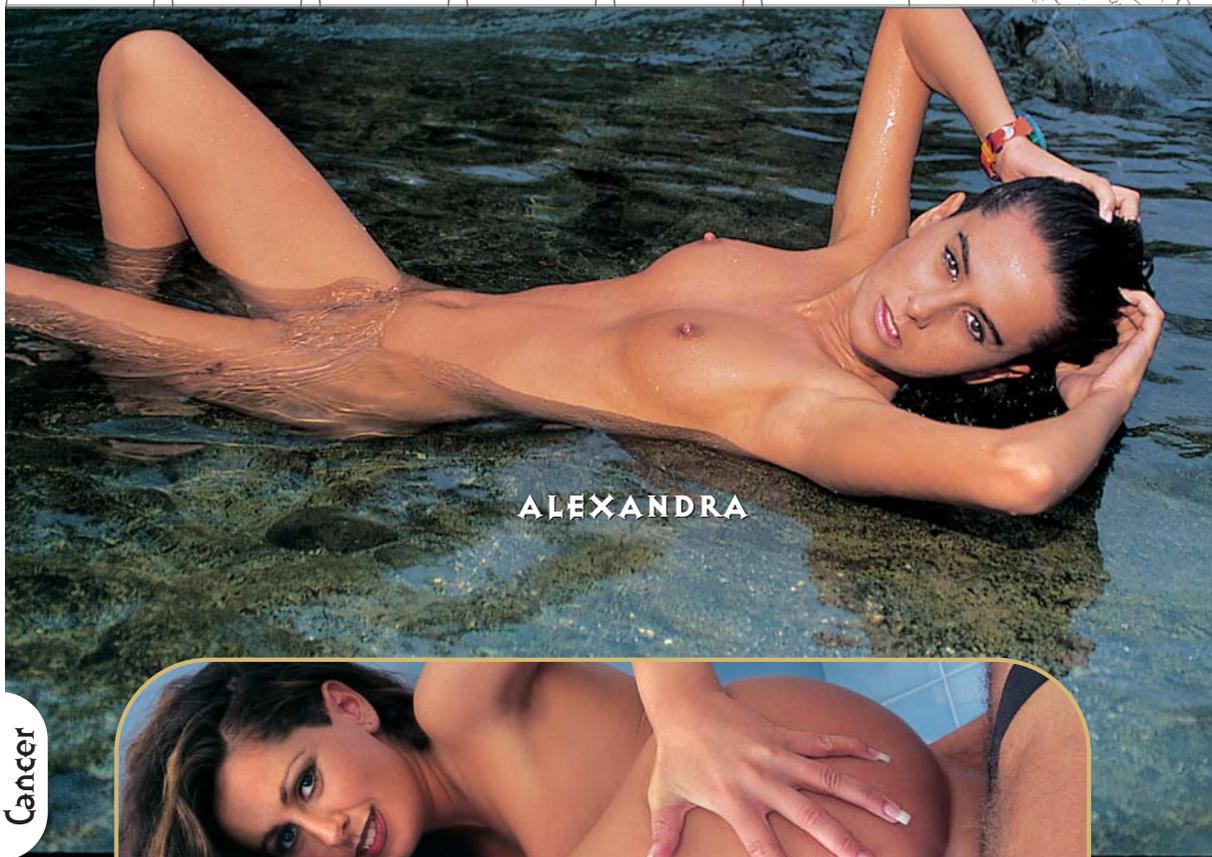

The aroma of sex reaches you as you come out of the water. You approach her without much hope of breaking through her shell, given her apparent indifference. Lie down on your surf board next to her, and show off the drops of sea water that glisten all over your body. You're in for a surprise! Once Alexandra grabs something with her claws, she won't let go easily. First . . . back to the sea. Take a dip with her - its fabulous. She loves diving amongst corals and coloured fishes, and the trail of her cunt under the water is a fountain of pleasure. Passionate and intimate, she'll take you to a hidden cove and, once freed of inconvenient barriers (her brief bikini and your trunks), she'll lure you to an underwater fuck, one of the greatest delights of any water sign. Kiss her nipples softly as you fuck, and she'll bring your atomic submarine to paroxysm. This is Alexandra, the all-summer attraction.
