The story of this Libra is quite incredible. As a school girl with pigtails, Laura often went to the nearby park to play, and it was there that a sports trainer spotted her. He was fascinated by her agility on the swings, her pirouettes on the fixed bar and her flexibility as she skipped from one playground attraction to the next – she was the envy of every kid in the area. Her extraordinary personal charm and smouldering sexual charisma must have had something to do with it too. He convinced her to visit his gymnasium, seducing her with ideas of becoming a champion and winning Olympic medals, and being such an attractive character she soon became the club mascot.

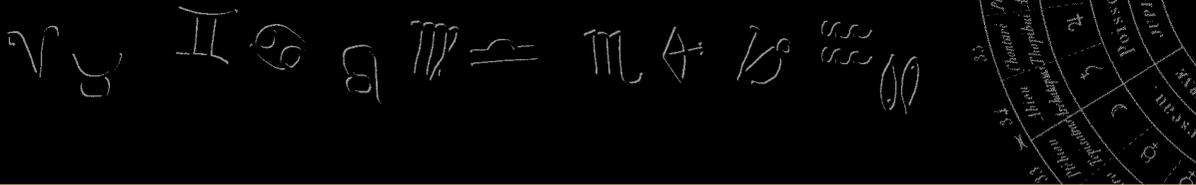

Laura took it so seriously that, after a few years of hard training, her body had become a finely tuned machine capable of doing anything: stretching, contortions, flexions ... her body could bend itself into every position possible. And when she stepped out onto the competition floor, her angelical presence not only gained her the highest marks, but also made her, via TV coverage, the most desirable gymnast in the world. Laura still had no idea, however, that her perfect body coupled with the influence of a Venus air sign would kindle within her a profound carnal need. Given the nature of the world of female artistic gymnastics, her sexual experiences were limited to her team companions who held the monopoly of tasting Laura's sex under the motto: "Maximum flexibility, maximum pleasure".

You'd have enjoyed being a fly on the wall during the innocent play and petting in the showers, or fondling along with the other girls in the dressing rooms, or joining in the lesbian routines after lights-out in the hotel rooms when they were away on intensive training trips. Imagine yourself seeing a foursome of naked girls in a tangle of arms, legs and ass cheeks, all gorging on Laura's nipples with their tongues, nibbling at her fresh cunt or plunging dildos into her ass!

Seine Stars
 Ses Étoiles
 Le Sue Stars
 Sus Estrellas

Seeing Stars...
 THE PRIVATE ZODIAC

After her multiple orgasms, Laura would stride out euphorically onto the floor with her rubber like body - ready to perform. Every time she appeared in public she would captivate the judges with perfectly executed exercises and she'd transfix the male public with her skimpy leotard, as it rode up higher and higher between the lips of her snatch every time she opened her legs to do a flip, showing her succulent body quivering in movement. She'd get 10, 10, 10, 10, 10 from the judges, after having raised the sperm levels in the stalls to boiling point and provoking a cascade of semen over the TV screens from the viewers at home. Her eroticism made you want to grab your dick and fuck her from behind there and then on the sprung floor.

Librans enjoy being the centre of attention, so the still unknown experience of fucking a guy was something she would surely love. At last the Olympics came around, and there she saw men and women with the best bodies in the world come together, the fight isn't just for medals. The other sport is ... to see who can fuck the most times, and with how many different nationalities!

On the first night in the Olympic Village Laura's life took a new turn. She discovered what a real sabre was when a Hungarian fencer unsheathed his weapon and plunged it deep inside her. The next day a French pole-vaulter slotted his pole into her pussy as he leapt like a tiger onto the bed. On the third day a Russian horseman rode her from behind with the excuse of showing her how mares are harnessed and trained. An Italian water polo player approached her on the fourth day and filled her goal to the brim with balls during an aquatic fuck in the bath. A Greek wrestler showed her the art of kamasutra with several of his masterful holds. And so on, until Laura had gone through every sports event (which one would you have chosen to do to get her to taste your dong?) When it was finally her turn to compete, she was so exhausted that her performance was a disaster. Although you could say it was her spring-board to fame. Her deliriums of pleasure made her give up gymnastics without any qualms whatever, and her fame as an elastic female vampire now brings her many roles as a film star in the world of porn.

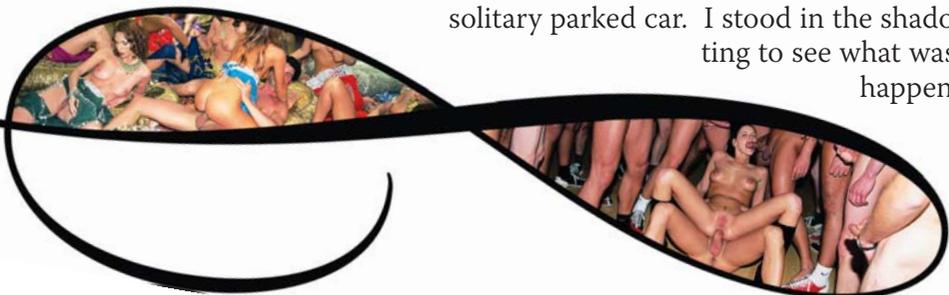

Dogging

Al fresco sex craze sweeps the UK

I've got to tell you about something that really gets me excited, it's called 'Dogging' and I'm getting really addicted to it! It's the latest sex craze that has swept through the UK and its now spreading around the world. Originating in the UK it's a new type of swinging party that is literally driving people to take part in late night orgies in public places.

These sex parties occur in public parks, woodlands, picnic areas, car parks and even on the back streets of big cities. It attracts a new tribe of visitors: exhibitionists and sex hungry people who get a buzz from having full blown sex in full view of unknown voyeurs.

Let me tell you about my first dogging experience. It was last summer and I had been checking one of the many dogging websites. The site told me that there was a dogging location in a public park 10 minutes from my house. I was feeling curious and horny, so I went to check it out. When I arrived it was 11pm and I saw a solitary parked car. I stood in the shadows, waiting to see what was going to happen. After five

minutes the inside light

went on in the car. Inside I could see a couple, they were kissing, and the girl was topless. Suddenly there was a rustling noise behind me and two guys appeared, they looked at me, nodded and began walking towards the car, instinctively I followed them. As we got nearer the car, the couple looked up at us, smiled and carried on fondling each other. All three of us were now stood next to the car, looking in through the windows. He was sucking on her tits, while she had his cock in her hand, slowly wanking him. I felt myself get hard, it was like watching a live sex movie only we were all writing the script as we went along. The two guys had their cocks out, they were wanking themselves, showing the couple inside how horny they were. This got them even more excited as he pulled her legs apart and began eating out her cunt.

I had my cock out now, all three of us were transfixed, watching this couple making out in front of us. Then the girl began to wind down her window, she looked me straight in the eye and beckoned me to come over. I put my cock through the window and she grabbed it, pulling my foreskin over the bulbous head, then she pulled me closer and took my cock in her mouth. The other two guys moved in closer too, pushing their cocks through the window, she took turns feasting on each of our dicks. One of the guys came, shooting cum all over her tits, this excited the other guy too, who shot semen all over the dashboard of the car. The girl looked at me and opened the car door, twisting round and opening her legs, inviting me to fuck her, while her boyfriend/husband put his cock in her mouth. I quickly put on a condom and inserted my dick into her moist cunt. She groaned as I slowly began to pump at her, she wiggled her hips so she could feel every inch of me inside her. I looked at her partner, he was fucking her mouth, squeezing her tits his hands. I looked around and saw four more guys close to the car, all watching us, wanking themselves. I felt like a porn star and began fucking her cunt hard, thrusting deeply into her dripping minge. I could hear moaning from behind me, obviously someone else was orgasming in the darkness, then her partner began to cum, shooting jets of his cum all

over her body, splashing her tits, her belly, face and neck. I could hold back no longer, this was the sexiest thing I had ever participated in, I whipped out my cock, pulled off the condom, she grabbed my cock with one hand and massaged my balls with the other hand. I felt my orgasm take hold of my body as I shuddered into ecstasy, shooting my cum all over her face and into her hair.

She grabbed some tissues out of the glove compartment and we all cleaned ourselves up. She passed me a small card and told me that they come here quite often, so if I fancied a repeat session to let them know, then we said our goodbyes. Obviously now I am totally addicted to dogging and do it at least 3 times a week.

If you would like to find out more about dogging there are many websites that will give you information including locations, tips, etiquette, dogging and the law and how to get in touch with other fellow doggers.

Such a strange word dogging, but apparently the term comes from what doggers say if they get caught at it: "Oh, I'm just walking my dog."

La locura del sexo a la fresca arrasa en el Reino Unido

Tengo que hablarte de algo que me tiene realmente excitado. ¡Se llama 'Dogging', y me estoy haciendo un auténtico adicto a él! Es la última locura sexual, que está arrasando en todo el Reino Unido y ahora se está difundiendo alrededor de todo el mundo. Originario del Reino Unido, es un nuevo tipo de macrofiesta que está literalmente conduciendo a la gente a tomar parte en orgías nocturnas en lugares públicos.

Estas fiestas sexuales suceden en parques públicos, bosques, áreas de pícnic, aparcamientos, y hasta en callejones de las grandes urbes. Atrae a una nueva tribu de visitantes: exhibicionistas y obsesos del sexo, que les da un subidón experimentando el sexo a tope antes un completo auditorio de mirones desconocidos.

Déjame describirte mi primera experiencia de dogging. Fue el pasado verano, después de haber estado comprobando una de las muchas páginas webs sobre dogging. La página decía que existía un lugar de dogging en un parque público situado a 10 minutos de mi casa. Me empecé a sentir curioso y cachondo, así que fui a investigarlo. Cuando llegué eran las 11 de la noche y vi aparcado un coche solitario. Permanecí de pie en la sombra esperando ver que es lo que iba a pasar. Después de cinco minutos la luz interior del coche se encendió. Dentro podía verse una pareja. Se estaban besando, y la chica estaba en topless. De pronto se produjo un susurro crujiente de arbustos detrás de mí y aparecieron dos tíos. Me miraron, asintieron con la cabeza y empezaron a caminar hacia el coche. Yo instintivamente les seguí. Como ya estábamos próximos al coche la pareja nos miró, sonrieron y continuaron acariciándose entre sí. Cada uno de nosotros tres estábamos ahora de pie junto al coche, mirando dentro a través de las ventanillas. El estaba chupándole las tetas, mientras ella tenía su polla en la mano, menéandosela lentamente. Noté como se me ponía dura. Era como mirar una película de sexo en vivo, sólo que todos estábamos escribiendo el guión según íbamos involucrándonos. Los dos tíos ya tenían sus pollas fuera y estaban haciéndose pajas, mostrando a la pareja de dentro lo cachondos que estaban. Eso les excitó aún más, y él le abrió las piernas a ella y empezó a comerle el coño.

Ahora ya tenía mi polla fuera y los tres estábamos paralizados, mirando esa pareja montándose delante de nuestros ojos. Entonces la chica empezó a bajar la ventanilla, me miró directamente a los ojos y me hizo señas para que me acercara. Puse mi polla a través de la ventanilla y la agarró, empujando mi piel sobre el capullo. Entonces me impulsó más cerca y tomó mi tranca con su boca. Los otros dos tíos se aproximaron, presionando con sus pollas también a través de la ventanilla, y ella

hizo turnos deleitándose en cada una de nuestras pichas. Uno de los tíos se corrió, disparándole su semen directamente a las tetas. Esto exaltó al otro tío, que lanzó su semen sobre el salpicadero del coche. La chica me miró y abrió la puerta del coche, girándose para abrirse de piernas, y así invitarme a follarla mientras su novio/marido ponía la polla en su boca. Rápidamente me puse un condón e inserté mi verga en su húmedo chocho. Gemía tal como yo empezaba a bombearla lentamente, a la vez que movía sus caderas para poder sentir cada centímetro de mí dentro de ella. Miré a su pareja, quien la estaba jodiendo por la boca, apretando sus pechos con las manos. Miré alrededor y vi cuatro tíos más cerca del coche, todos mirándonos y masturbándose. Me sentí como una estrella del porno, y empecé a follarle el coño más duramente, atravesando profundamente su chorreante agujero. Podía oír gemidos detrás de mí, señal evidente de que alguien más se estaba orgasmeando en la oscuridad. Luego su pareja empezó a correrse, disparando chorros de semen sobre todo su cuerpo, rociando sus pechos, su abdomen, cara y cuello. No podía aguantar más, era la cosa más sexy en la que jamás había participado. Saqué mi pene, arranqué el condón, ella me agarró la polla con una mano y masajé mis huevos con la otra. Sentí como el orgasmo inundaba todo mi cuerpo, mientras temblé queaba hacia el éxtasis, disparando mi semen sobre toda su cara y en su pelo.

Ella sacó varios pañuelos de papel de la guantera del coche, y todos nos limpiamos. Me pasó una pequeña tarjeta de visita y me dijo que venían aquí bastante a menudo, para que si me apetecía repetir la sesión se lo hiciera saber. Después nos despedimos. Obviamente ahora estoy completamente enganchado al dogging, y lo hago al menos tres veces por semana.

Si te gustaría saber más acerca del dogging, existen muchos webs que te ofrecen información sobre lugares, consejos, reglas de comportamiento, el dogging y la ley, y como contactar con otros adeptos al dogging.

Vaya una palabra más rara, 'dogging', pero el término aparentemente viene de lo que los doggers dicen si les pillan: 'Oh, sólo estoy paseando el perro'.

"We found this catlike creature on a scientific expedition to the Mangrove Forests of Australia. We decided to capture this rare and beautiful specimen as she was licking herself and so we took her back to camp to give her a thorough examination with our cocks! My god she was wild, she roared like a tiger, when we filled both her holes, but she purred like a kitten when she lapped up our fresh milk..."

SEE CRISTINA IN HARDCORE ACTION IN PRIVATE MOVIES 'SOCCER GIRLS' & 'A HIDDEN PLEASURE!'

"Wir fanden dieses katzenhafte Wesen auf einer wissenschaftlichen Expedition in den undurchdringlichen Urwald von Mangrove in Australien. Wir beschlossen, diese seltsame und schöne Spezies einzufangen, als sie sich gerade leckte und zurechtmachte. Wir brachten sie ins Lager, um sie dort einer eingehenden Untersuchung zu unterziehen... Mit unseren Schwänzen! Mein Gott, war sie wild! Sie brüllte wie ein Tiger, als wir ihre beiden Löcher in Besitz nahmen, aber später schnurrte sie dann wie ein Kätzchen, als sie unsere frische Milch aufleckte..."

Cristina Bella wurde eingefangen. Aber wer wird sie lähmen können?

*ON VIENS D'À TRAVER
CRISTINA BELLA, MAIS QUI
VA LA DOMESTIQUER?*

"Nous avons rencontré cette créature féline lors d'une expédition scientifique dans l'inaccessible forêt de Mangrove, en Australie. Nous avons décidé de capturer ce rare et bel exemplaire au moment où elle se passait la langue doucement, et nous l'avons transportée jusqu'au camp pour l'examiner à fond... avec nos bites !. Qu'elle est sauvage, mon Dieu ! Elle a rugi comme un tigre lorsque nous avons rempli ses deux trous, mais elle a ronronné comme une minette lorsqu'elle a bu notre crème fraîche..."

Cristina Belsa È STATA CATTURATA, MA CHI SARÀ IL SUO DONATORE?

"Abbiamo scovato questa creatura felina durante una spedizione scientifica nella Foresta delle Rizofore dell'Australia. Abbiamo deciso di catturare questa raro e bellissimo esemplare mentre si leccava i baffi e l'abbiamo portata nell'accampamento per farle un'ispezione... con i nostri cazzi! Ammazza se era selvaggia! Ruggiva come una tigre quando le abbiamo riempito i due buchi, ma ha incominciato a fare le fusa come un micio appena le abbiamo fatto assaggiare il nostro latte fresco..." **VEDI CRISTINA IN AZIONE PORNO NEI FILM DI PRIVATE: 'LE CALCIATRICI' E 'UN PIACERE NASCOSTO'!**

"Encontramos esta felina criatura en una expedición científica al inaccesible Bosque Mangrove de Australia. Decidimos capturar a este raro y bello espécimen mientras se relajaba, y lo trasladamos al campamento para hacerle un profundo examen... ¡con nuestras tranças! ¡Por Dios que era salvaje! Rugía como un tigre cuando le llenamos sus dos agujeros, pero ronroneó como una gatita cuando lamio nuestra leche fresca..."
