Part-time DJ Victoria Swinger also works in a cool record store and she loves to chat with other DJs about their 12 inches. But today she's spotted a stranger who looks very suspicious. She catches him stealing a CD and putting it down his trousers, and when DJ Swinger takes it back she discovers H15 12 incher!

# AUF FRISCHER TAT

Victoria Swinger arbeitet halbtags als Diskjockey und außerdem in einem coolen Plattenladen. Sie chattet gerne mit anderen DJs über ihre 12" Vinyl Platten. Heute wird sie auf einen Unbekannten aufmerksam, der sich sehr seltsam verhält. Sie überrascht ihn, als er gerade eine CD kauft und sie in seiner Hose versteckt. Als DJ Swinger sie hervorholt, entdeckt sie, dass auch er mit 12 Zoll ausgestattet ist!

# LA MAIN DANS LE SAC

Victoria Swinger est une disc-jockey qui travaille aussi à mi-temps chez un cool marchand de disques. Elle aime beaucoup discuter avec d'autres animateurs sur ses tubes microsillons. Mais aujourd'hui, l'étrange conduite d'un client la fait soupçonner. Elle s'approche de lui et elle remarque qu'il a mis un CD dans ses pantalons, et lorsque Dj Swinger le récupère, Oh ! Elle constate qu'il a, lui aussi, un grand tube !

# PIGLIATA IN FATTO!

Victoria Swinger, una DJ part-time, lavora anche in un negozio figo di dischi e adora parlare con altri DJ dei loro dischi di 12 pollici. Ma oggi ha visto un tipo molto sospettoso. Lo scopre mentre sta rubando un CD e se lo infila nei pantaloni e, quando la DJ Swinger glielo tira fuori dai pantaloni, gli scopre i suoi 12 pollici!

CON LAS MANOS EN LA MASA

Victoria Swinçer es una pinchadiscos a media jornada que también trabaja en una tienda de discos guay. Le encanta charlar con otros DJs sobre sus vinilos de 12 pulçadas. Hoy le llama la atención un desconocido de extraño proceder. Lo pilla robando un CD escondido entre sus pantalones, y cuando Swinçer la DJ lo recupera, ¡0h! descubre que su pincho también tiene 12 pulçadas.

February 20 - March 20

When Nikky Blond discovered the fencing hall at her university she was captivated. She'd never imagined her three study companions sheathed in close-fitting, bright white clothing, fighting sword against sword, springing lightly back and forward, and twirling their hands delicately in the air. She burst out laughing, forgetting for a second the uncouth rogues and the pleasant sensations that always arose when they were nearby. From then on, when she came across her platonic swordsmen in the university corridors, she couldn't help throwing a smile and a wink in their direction. Without doubt, one of them could become her Prince Charming who would lash out with his sword to ward off the fierce dragon that eternally stalks maidens like her.

Pisces girls are always wishing that their lovers would live out their fantasies... Nikky, who's in her twenties, attends the training sessions everyday. Some of the finest Hungarian Olympic fencing champions have come this place. There is nothing like seeing the noble, sensitive and physical sides of a candidate to bring the libido into full bloom, and Nikky's day-

dreams fill with images of sheathing the hard swords herself as if she were swallowing down a kebab.

Today she's been invited to visit the historic dressing room of this famous club. Just seeing them close-up dressed in heavenly white, dripping with sweat and yet still pure, gets her knickers soaked. Jupiter's influence often raises her hopes and optimism, assuring her that the perfect fuck is just round the corner. Without much thought she asks them "Why do they call you thrusters?" In an instant the dressing room becomes a chicken house full of cocks, with only one hen. There they are, gathered in a circle, unbuttoning the thongs that cover their bulky tackle, and brandishing their weapons as if they were wielding their foils. This is just incredible. She is living out one of her wettest and most frequent dreams. And true to her fantasies, she abandons herself to her most basic instincts and her hands flutter from shaft to shaft. Then her mouth follows the same path. She's hungry, even greedy, and sharpens the pokers before distributing them one by one, alternately, in each of her overflowing holes. Those swords of steel flesh make her feel like a roasting chicken, skewered on a red hot spit, turning to the tune of the hottest spike. And without even loosening her grip, still sheathing lances, she finishes up with the whole troop in the shower, foils in hand, spraying her with their foaming discharges of sperm. A perfect ending for a Pisces girl eternally enamoured with water. A divine, steamy experience! Now, as soon as possible, she is at it again. She knows you, she likes you, and the musketeer that's inside you begins to surface. Foils, sabres, swords, daggers, penknives, kitchen knives ... anything goes. She accepts all shapes and sizes so long as she receives plenty of 'touchés' in her torrid body-to-body duels. Nikky, the d'Artagnan, goes crazy playing with our swords. 'All for one and one for all' is the unanimous cry.
