Cindy Lord, Gilda Robert, Stefania Bruni und Katy Carol sind vier Superagentinnen, die das Schicksal der Welt nicht nur in ihren Händen, sondern vor allem auch in ihren Mündern, Muschis und Arsches halten. Zusammen bilden sie eine Elite-Einheit mit ganz eigenen Methoden und begeben sich auf Einsätze, die oft alles andere als "unmöglich" sind.

Cindy Lord, Gilda Robert, Stefania Bruni, Katy Carol, 4 super-spies who hold the fate of the world in their hands, and, much of the time in their mouth, pussy and ass. Together they form an elite unit, answer to no-one and employ the most inappropriate methods as they demonstrate that no mission is Impossible

Cindy Lord, Gilda Robert, Stefania Bruni, Katy Carol, 4 superagentes que tienen el destino del mundo en su boca, en su culo y en su ano. Un comando inclasificable, con métodos muy inapropiados y sobre el que recaen todas aquellas misiones mal llamadas imposibles.

Cindy Lord, Gilda Robert, Stefania Bruni, Katy Carol, quattro superagenti segreti dalle cui bocche, fighe ed ani dipende il destino del mondo. Insieme formano un commando d'élite, che con metodi decisamente inappropriati si avventura in tutte quelle missioni erroneamente definite impossibili.

Seeing Stars... THE PRIVATE ZODIAC

Grety is a European MP, and she's just the person that Europe needs to get it out of a rut. She's a leader with new ideas, a sense of justice, a love for liberty and above all, a flair for everything active and experimental. She's got the energy and determination of Margaret Thatcher, but her methodology is very different. For Sagittarians, sex is world's engine, and Grety's vocation is to get this message across to those who govern the destiny of nations. And the best way to communicate this is to simply do it.

She's good with people, and her fame has spread far and wide, to the point that her name is now well known in Brussels along with the increasingly familiar concept of 'sexual politics' a phrase she coined. Her programme of speeches on 'Sex: the way to a healthy and free European Union', with practical workshops for the ministers, caused such an impact that you can still see

stiff bulges in trousers along the passages of the House. They think of her as something like a naked Joan of Arc, one hand proudly holding the flagpole up high, while the folds of blue with those twelve yellow stars caress her nude body.

Politicians and civil servants are hankering after another chance for Grety, to take her gorgeous body on stage to repeat the experiment: the entire audience find themselves swallowing fast, loosening their ties and dreaming the same thing... Choose me!

She points at a volunteer for the demonstration, who goes up nervously and is invited to lie down on his back on the couch. She unzips his fly and takes out his microphone, which she then caresses with her tongue, she sucks slowly, using her whole mouth, and finally massages it energetically until it explodes with a burst of semen.

With a free-for-all striptease in front of the finance ministers she can raise any cock in crisis and leave its stock exchange dry.

**SWEET
GRETY**

And throughout the display, the loudspeakers are on full blast for the enjoyment of everyone in the hall. With her new form of politics, you can just imagine how much dough the European citizens would save on translation services. After all, the tongue Grety uses is ... universal.

The world leaders who've been lucky enough to taste her trust her to mediate international conflicts. They know that Grety will bring together the representative members of the conflicting countries, shaking them energetically, connecting them via the different holes in her body, bringing their white juices into communion within her mouth, causing them to forget their differences with a sweaty handshake. Financial analysts also foresee her diplomatic arts dissolving the European frontiers for good. With a free-for-all striptease in

front of the finance ministers she can raise any cock in crisis and leave its stock exchange dry.

Being a fire sign, Grety is hot and passionate, and this influences her way of resolving national differences. The Polish plumber could unblock the pipes of the Dutch housewife, the English electrician could fit a three-pin plug for the French aristocratic mademoiselle, the Spanish bullfighter could thrust his sword up the Teutonic shepherdess and the Italian footballer could get a penalty in the goal of the Swedish secretary. Its quite a lesson in humanity for today's European MPs, who haven't yet realised that it'd only take a few MPs like Grety for a new European Constitution to be voted in. And she'd lend a hand to help sign the agreements, not with the ink of their pens, but with the semen of their cocks.
