COCK DIVER**

PHOTOS BY ROB RUSSEL

Miss Rider loves to scuba dive, but she's not interested in fishing for rare tropical fish, she wants thick, throbbing cock!

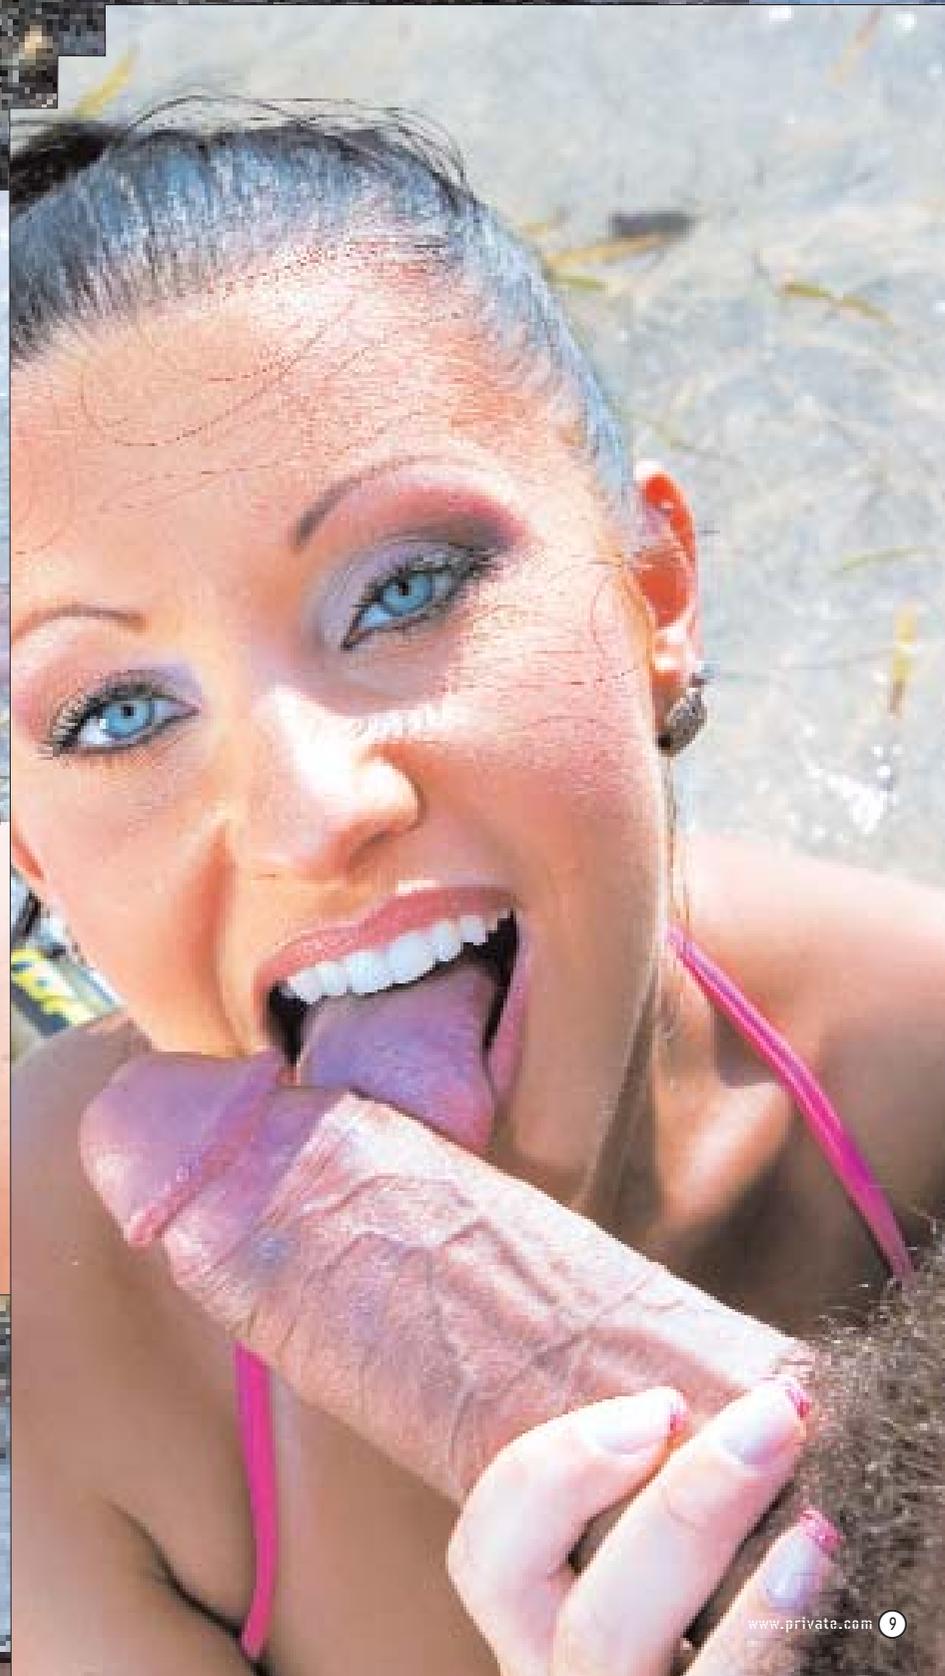

Miss Rider ist vom Tauchen begeistert. Aber sie ist nicht etwa an seltenen tropischen Fischen interessiert, sondern was sie sich angeln will, ist ein dicker, zuckender Schwanz.

Mademoiselle Rider adore
la plongée sous-marine.

attraper de rares poissons tropicaux,
mais une grosse bite qui palpite !

Alla signorina Rider le piace l'immersione.
Ma non le interessano i pesci tropicali,
ma quello che vuole è un cazzo
grosso e palpitante.

Seeing Stars...
THE PRIVATE ZODIAC

I've had a bad day. My girlfriend has gone across to the neighbour's house next door. I can't bear the thought of seeing her go in and out of that neighbour's front door,

and I know that every time the light goes out I imagine her shagging again and again on the other side of the wall. On top of that, my boss has really fucked me off. I've got to repeat a report I did weeks ago because he finds it too 'soft', not spunky enough for the board of a model agency that has asked for our services. Soft, like your cock! Dickhead! I knew I was still up shit creek when I left the office and realized that I'd left my keys inside my house, and wouldn't be able to get back in until the locksmith smashed in the door. Fuck! I mustn't let myself get into a total panic... A swim in the Olympic pool at the gym will help me shake off my foul mood. I plunge right in, clad in my swimming trunks, and instantly feel the benefit of the change as I move through the cool water. A sense of relief washes over me as if I had been a fish that's been out of the water too long. There are only a few swimmers scattered around the immense swimming pool. I swim a few lengths filled with this ecstasy of wonderful sensations.

There's a bit of a commotion at the entrance of the gym, with cameras and people asking for autographs.

As soon as the focus of attention comes into view, the group disperses. I go on swimming, and let the water carry on caressing my flesh. A few minutes later Silvia Saint appears in a bathrobe. The expression on her face tells me that she's had a tough day (like me), and urgently needs to relax. Her gorgeous body has been pummelled by hours and hours of filming, and she clearly needs a little water therapy to revitalize herself. When she takes off her bathrobe, some cameras flash as they catch her wonderful body shimmering in a tiny sequined bikini which leaves her pretty ass bare. A number of journalists have managed to crash past the security guard. The cloud of paparazzi disappears like a swarm of bees on reaching water, when the divine Saint dives into the swimming pool. The lifeguard throws them out, but there they stay, huddling together on the other side of the glass, watching the actress's every movement. Silvia is transformed by water. She's an Aquarian, and when she's submerged in the liquid element, she feels how her body flows with total naturalness, seeking brief but intense adventures.

As I meander absent-mindedly in the pool I bump into someone, touching skin to skin for an instant. Just then, I feel a sharp electric shock flash through my entire body. I lift my head out of the water and see that I have bumped into her, the very same Silvia Saint! Her reaction is identical to mine: she is electrified. Suddenly I feel my emerging cock freed of bindings and, holding her breath a little longer, she begins to caress and suck my fish until it has become a slippery electric eel anxiously searching between her legs. None of the paparazzi can see this situation, but they keep moving around restlessly. The expressions on my face are a give away that something hot is happening beneath the water's surface. Silvia is doing it to tease them, and when she comes up for air she waves at them. When I see the water flowing over her sensual skin, I can't help suggesting, with a smile, that she carry on for a bit longer.

For Sylvia, making it with somebody unknown is not at all unusual, although being an Aquarian, she always needs to recover her liberty quickly afterwards. For me, on the other hand, an aquatic fuck is evidence that my bad run of luck has changed to exactly the opposite. She grasps my hand, and takes me to the swimming pool's waterfall. Meanwhile our observers arch and twist to find the best perspective from which to see what can only be inferred by the contoured shadows. She encircles my waist gently with her lovely legs, and I plunge into her hard against the wall. I begin to pump and pump without stopping, lighting up her face with the electricity of my wild conger eel. And I'll only stop when a short circuit makes my sperm explode into her mouth, merging with the foaming waters of the waterfall.

 IN THEIR SHAVEN HAVEN...

If you visit their barber shop they'll grab you by the 'short & curlyes' (pubes) and make you foam at the mouth as they shave your nether regions. Only then will they let you plunge your hair free cock and balls deep inside their holes!

IN DER BARBIERSTUBE

Wenn du in ihre Barbierstube gehst, werden sie sich über deine Schamhaare hermachen und du Schaum geiferst, während sie dich unten herum rasieren. Und nur dann, wenn Schwanz und Eier rasiert sind, werden sie dich in ihre eigenen tiefen Löcher eindringen lassen!

LA MEILLEURE BOUTIQUE DE BARBIER DU MONDE

Si vous entrez dans son établissement, elles vont vous saisir des poils pubiens et vont vous faire mousser la bouche, tandis qu'elles rasent vos bas. Seulement alors, lorsque votre bite et vos roubignoles seront bien rasées, elles vous permettront de plonger jusqu'au fond de leurs puits de plaisir.

Se visiti la loro
barberia ti
afferreranno i
peli del vello
pubico e ti
faranno
sbavare mentre
ti rasano i tuoi
paesi bassi.
Soltanto allora,
con il cazzo

ti faranno

buchi.

DAL BARBIERE CON
angie + sheila

Si visitas su barbería te agarrarán por los pelillos del vello púbico, y te harán sacar espuma por la boca mientras te afeitan tus partes bajas. Sólo entonces, con la polla y las pelotas peladas, te dejarán zambullir en las profundidades de sus propios agujeros.
