Dass man über einen Swimmingpool verfügen kann, gehört zu den Vorteilen, in Hollywood zu leben. Und wer braucht schon einen Bademeister, wenn man an seiner Stelle ein so tolles Mädchen wie die wollüstige Laura haben kann, das gleichzeitig auch deinen Schwanz putzen kann!

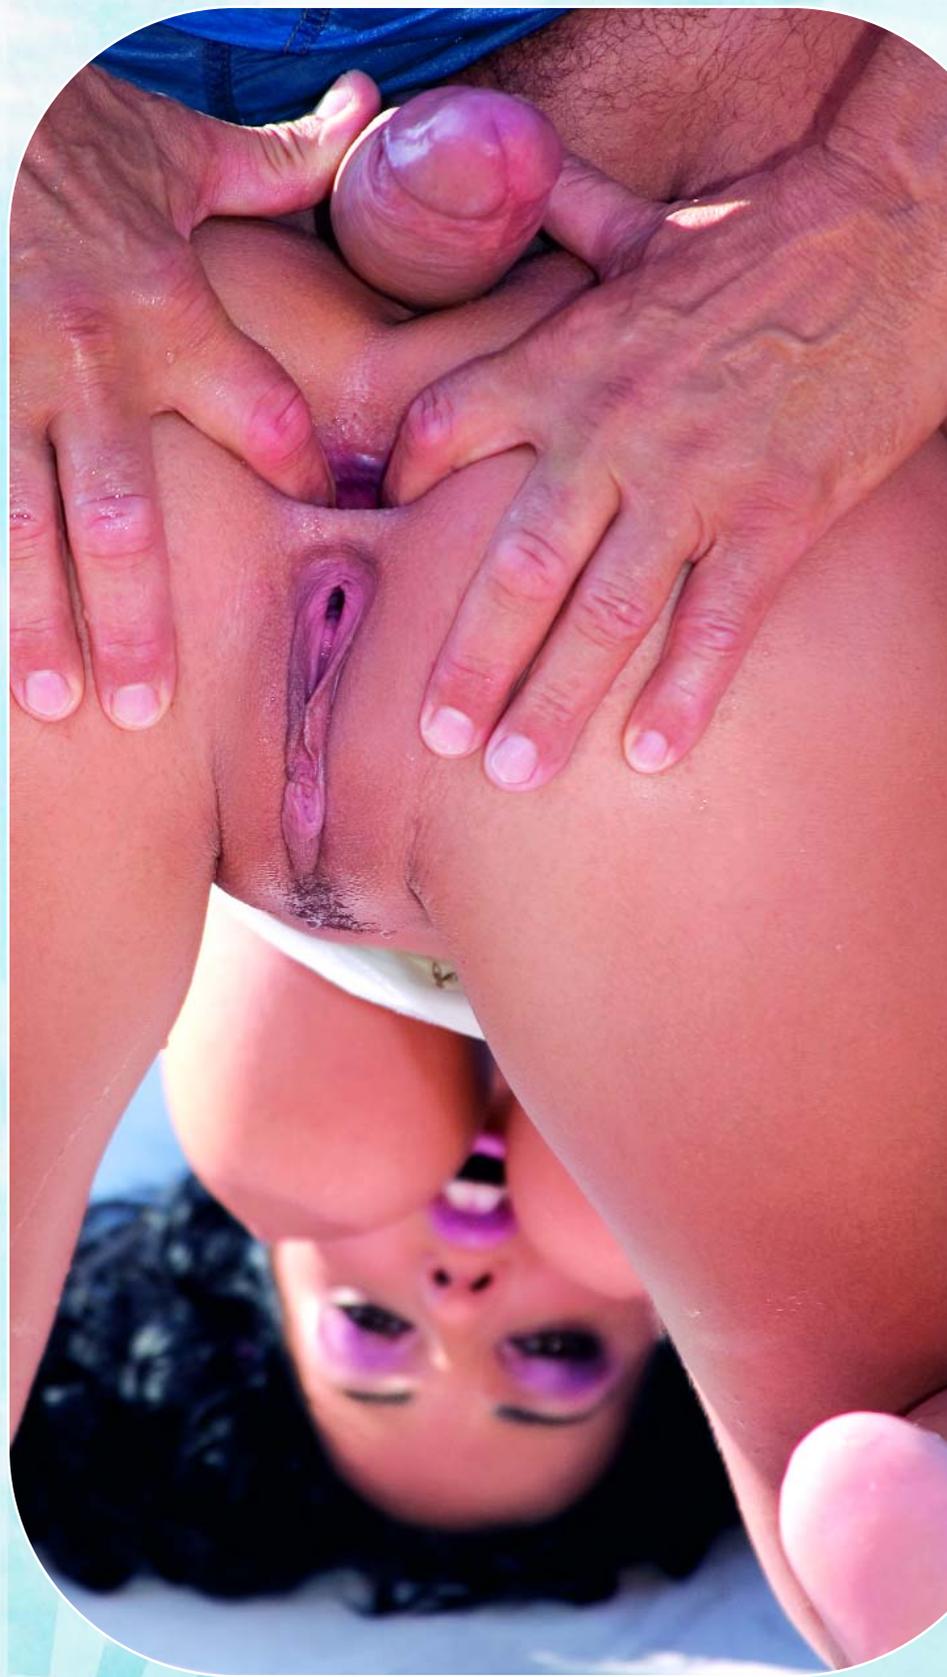

L'un des avantages de vivre à Hollywood c'est qu'il y a des piscines partout, dans toutes les villas et tous les immeubles... et pourquoi devrait-on chercher un garçon qui s'occupe de la piscine lorsque'on peut avoir une fille aussi bien douée que la délicieuse Laura, qui peut aussi nettoyer extraordinairement à fond votre bite ??

Hellen "l'ardente" adore faire l'amour en plein air, quand les rayons du soleil échauffent son corps et la brise d'été caresse ses mamelons,

Ad Hellen "la focosa" piace molto scopare all'aperto, con i raggi del sole che gli riscaldano il corpo,

A Hellen "la cachonda" le encanta follar al aire libre,

THE PRIVATE ZODIAC

I know Sophie Evans. To her, we've enjoyed of incredible pleasure. re some details of her that aren't that well the fact that she's an independent woman, always does things in a peculiarly personal way, with on and off camera.

These are characteristics of high-spirited Aquarians. One of the events in which she personified her zodiac sign occurred several years ago, and led her on a complete change of direction. She'd applied to several temp agencies, one of which called her and offered a job that sounded good, although she had no idea what it was really about. She was to be a representative at the stand of a little-known company at the huge Image and Electronics trade fair in Paris. She thought it sounded ideal, not only because she'd practice her French, but also because she could then go and see what life offered in the city of love and liberty.

A small but innovative company was giving all it had to gain a foothold in the sector, and decided to hire a hostess by the hour to foster a good international image. Sophie's instructions were to lure the clients. In other words, she simply had to catch the client, convince him to stay for a personal interview in the stand's private room behind, and sell him a

SOPHIE EVANS

new system of home cinema with giant Tri-Max screen and three-dimensional image. It sounded great, but there was one problem: it cost a fortune! Sophie's commercial flair was almost non-existent, but her body was (and still is) a total sexual bomb. And her bosses, attracted by her charm, thought that she might just pull it off. They gave her a pat on the backside, and Sophie headed off to the adventure without a second

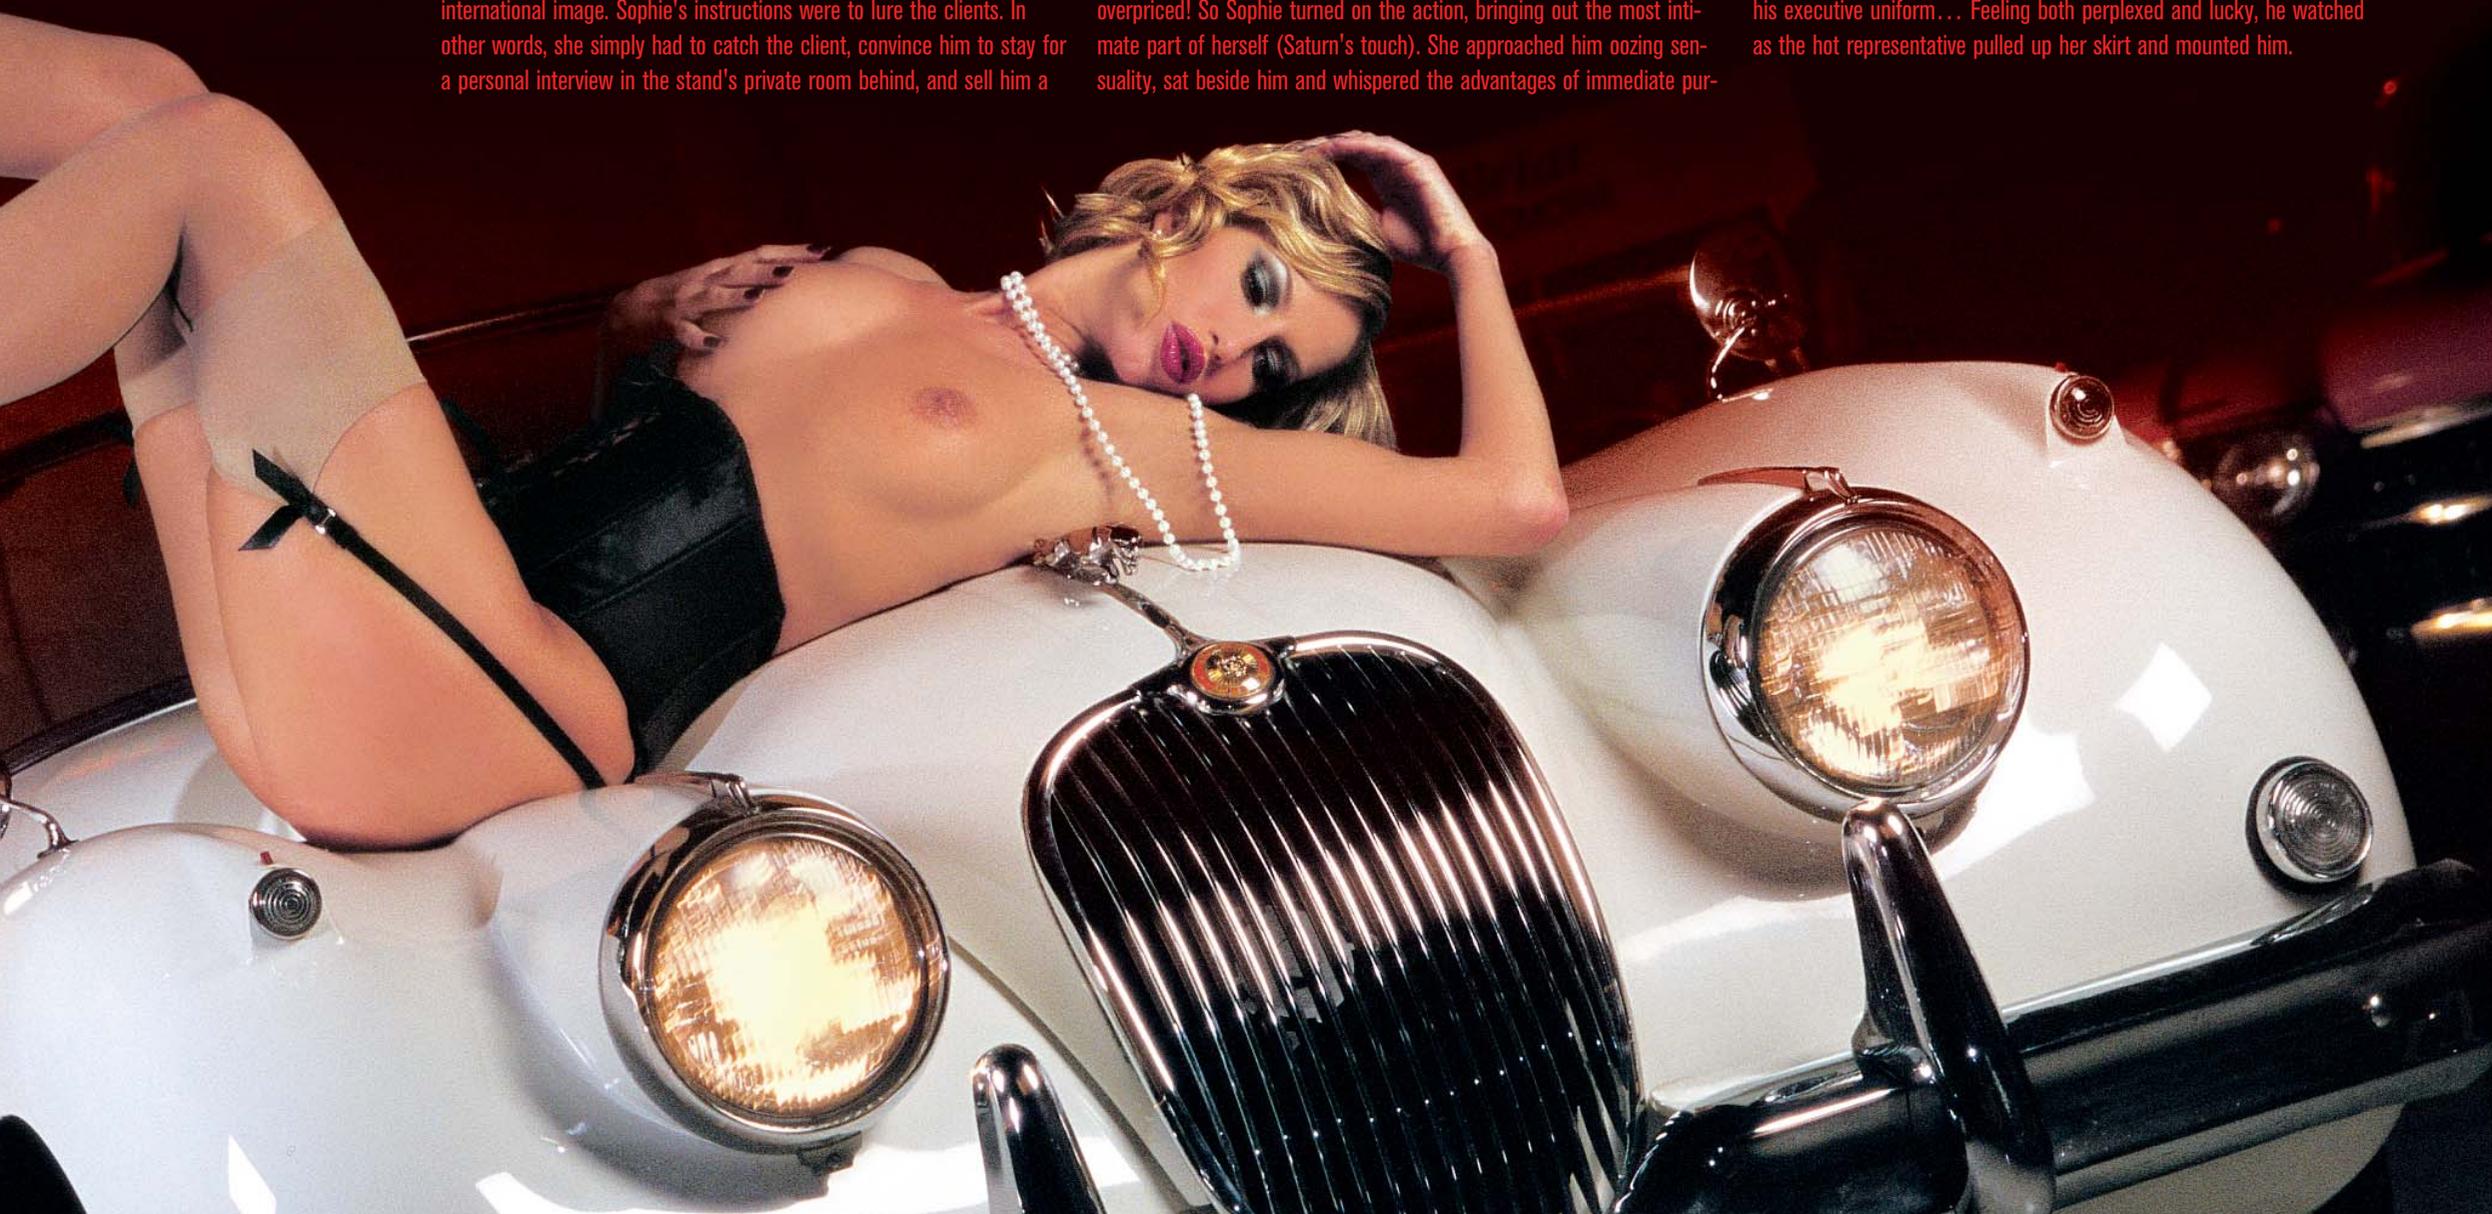

thought, letting herself be guided by her other ruling planet Uranus (which gives her the freedom to do things 'differently') and

enjoy the feeling of getting the job before anyone else.

And then the first client arrived. Sophie invited him into the back room, offered him a cocktail and made him feel at ease. A recorded voice explained the product. At the end he appeared fairly unconvinced . . . overpriced! So Sophie turned on the action, bringing out the most intimate part of herself (Saturn's touch). She approached him oozing sensuality, sat beside him and whispered the advantages of immediate pur-

chase in his ear. Enchanted by her company, he asked for more arguments in its favour, while Sophie, determined to achieve her objective, blushed and began to undo the buttons of her blouse. As the client reached for a pen, his hand brushed against her and he found himself transfixed by the quivering of her half-covered breasts. Her nipples hardened, and a rush of adrenaline shot through her body.

What started as an innocent seduction finished as a highly professional striptease. One of the fundamental qualities of Aquarians is their willingness to give much more than is asked. When she saw how the client's cock hardened, imprisoned behind his fly, she couldn't hold herself back. She set it free and gave it an intense blow with her very long tongue. Ooph! The drops of sweat made the future buyer loosen his tie and open the collar of his shirt. There he was, sitting back in a chair, at a professional fair in the middle of Paris, with a stiff cock jutting out of his executive uniform . . . Feeling both perplexed and lucky, he watched as the hot representative pulled up her skirt and mounted him.

And then she lay face down on the table to let him finish by penetrating both her holes. "Woah! Well, it is a good product!" At the end of the interview, Sophie came away with a signed contract and the client received, as a gift, a DVD made for the new system of everything that happened in the private backroom. Can you imagine being able to see yourself fucking like that, with the real Sophie Evans, on a giant, three-dimensional screen .. and being able to cum again and again with her for the rest of your life? Within minutes the news had flown to all corners of the trade fair, and soon there was an interminable queue which formed in front of Sophie's stand. It was pretty tough attending to so many visitors one after another, but Ms Evans was delighted, having discovered her new role as long distance runner in the world of sex. In the end her company was the most profitable and popular at the fair. She set a new record for the company's sales figures, which moved on to become a multinational within months. And it's all thanks to her.

Wenn du in einer Welt voller Action, Verfolgungsjagden mit Motorbooten, Schießereien, Explosionen, Gefahr und Spionage lebst, wen rufst du, wenn die Situation wirklich ernst wird? Genau das ist die Entscheidung, die ein Spezialagent treffen muss. Und was macht er? Nun, er ruft nach seinen vier Geheimwaffen: Gilda Roberts, Stefania Bruni, Katy Carol und Cindy Lords. Diese vier wunderbaren Agentinnen sind Engel der Zerstörung. Sie setzen ihre herrlichen Titten, ihre saftigen Fotzen und ihre heißen Arschlöcher ein, um die Pläne der feindlichen Spione zu zerstören. Zusammen sind sie ein Eliteteam, dem es immer gelingt, die Männer einzufangen, kein Feind ist vor ihm sicher!

Dieses zweiteilige Abenteuer ist voll von spektakulärer Action, Spionage und Hardcoresex, wenn unsere Spezialagentinnen eine geheime Mission übernehmen, die sie nach Venedig, Paris, Prag, in die Karibik und nach Budapest führt. Sie haben die strikte Anweisung, 'zu ficken, um zu töten', weil das Schicksal der Welt in ihren zarten, gepflegten Händen liegt.

Es gibt Spezialeffekte im Stil von Hollywood, wie zum Beispiel Verfolgungsjagden in Hochgeschwindigkeitsbooten, Angriffe mit Hubschraubern und Explosionen in unterirdischen Zentralen des Geheimdienstes. 'Mission Possible' ist eine echte Spionage-'Sextravaganz' mit 5 Szenen voller DPs, Abspritzen, hartem Anal- und Gruppensex. Diese Mädchen meinen es ernst! Wenn du also nicht auf ihrer Seite bist, ist es besser, du bereitest dich auf die Konsequenzen vor!

TEIL 2 WIRD IM MÄRZ

Quand on vit dans un monde d'action, de vitesse, d'explosions, de coups de feu, de danger et d'espionnage... y aurait-il quelque-
un, lorsque les choses se compliquent vraiment, capable de nous jeter un coup main? Voilà exactement la décision qu'un agent spécial doit prendre. Et qu'est-ce qu'il fait? Et donc appeler ses quatre armes secrètes: Gilda Roberts, Stefania Bruni, Katy Carol et Cindy Lords.

Ces quatre superbes espionnes sont, en réalité, des anges de destruction. Elles n'hésitent pas à se servir de leurs formidables mamelons, leurs chattes succulentes et leurs petits anus serrés pour faire échouer les plans de leurs ennemis. Elles forment une unité d'élite invincible. Ennemis! Mettez-vous à l'abri!

Dans cette trépidante aventure, qui se compose de deux parts et qui est pleine à craquer d'action et de sexe dur, se combinent à la perfection l'intrigue et l'excitation. Nos protagonistes vont partir en voyage pour remplir une mission secrète qui va les emmener à Venise, Paris, Prague, les Caraïbes et Budapest. Elles devront suivre en tout moment les instructions qu'elles ont reçues: baiser jusqu'à la mort pour sauver le monde, qui se trouve, à ce moment, dans leurs fines et délicates mains. Les incroyables effets spéciaux à la mode de Hollywood, tels que les vertigineuses poursuites en canot, les attaques en hélicoptère et les explosions souterraines, font de 'Mission Possible' une véritable 'sextravaganza' formée par 5 scènes pour le souvenir, et qui débordent d'incroyables doubles pénétrations, de magnifiques éjaculations et du plus chaud sexe anal et en groupe. Ces filles sont de vraies professionnelles, et si vous ne leur faites pas côté, vous allez en subir les conséquences!
